<b>Notes</b>						
The 2012–2013 FAFSA Verification-IRS Tax Return Transcript Matrix is applicable only to IRS tax filers (IRS Form 1040, 1040A, and 1040EZ) and includes only the income information for tax filers required by the Department to be verified for 2012–2013.						
<b>IRS Tax Return Transcript</b> —Shows most line items from a tax filer's original tax return (Form 1040, 1040A or 1040EZ). An IRS Tax Return Transcript does not include any information from an amended tax return.						
<b>Per Computer</b> —A value calculated by the IRS that is present on certain items of an IRS Tax Return Transcript. The Per Computer amount must be used for verification even if it is different than what was reported by the tax filer to the IRS.						
<b>Married Filing Separately</b> —An applicant or an applicant's parent(s) who filed or will file his or her income tax return as "Married Filing Separately" or who is married to someone other than the individual included on a joint income tax return must provide separate IRS Tax Return Transcripts for each person whose information is included on the FAFSA.
