

# UM Pay

**View and pay your bill online!**

UM Pay is the official billing and payment system for actively-enrolled students at the University of Minnesota. Look for an e-mail notice in your University e-mail account when your online billing statement is available. Use the link provided to login to your UM Pay account with your University-assigned Internet ID (X.500

user name) and password that ensures only you have access to your billing information online. Download and print copies of your bill or view your account history. Make payments from your checking or savings account or with a credit card (online option only). You may also set up an authorized payer, such as a

parent, to pay online on your behalf. You may opt to make payments by U.S. mail or in-person at a campus Bursar Office or drop box location. To do so, enclose your check or money order with a printed copy of your online billing statement. Always provide your name and student ID number with your payments.

**Secure access**

Your University billing statements are only available online where you have private, secure access from anywhere, at anytime, on the Internet. Go online to set up account information for yourself or an authorized payer, e.g., a parent, spouse, or guardian. Paper bills will not be mailed.
