COURSE DESCRIPTION

TRAUMA: UPDATE 2002 is designed to inform physician-learners about current topics in trauma care.

TARGET AUDIENCE

Emergency Medicine Physicians, Surgeons, Residents-in-training, Nurses, and Paramedics.

OBJECTIVES

Upon completion of this course, participants will be able to:

- 1) articulate the pitfalls in the management of the airway,
- 2) explain the recent innovations and concepts of resuscitation fluids in the care of injured victims, including the role of artificial hemoglobin solutions and hypertonic saline,
- 3) describe the principles involved in the treatment of maternal and fetal injuries, and
- 4) review the lessons learned in the management of major thoraco-abdominal injuries during prehospital as well as in-hospital of trauma care.

ACCREDITATION

The School of Medicine, Virginia Commonwealth University, Medical College of Virginia Campus (VCU) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

VCU designates this educational activity for a maximum of 6.5 hours in category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

This continuing education activity meets the criteria of Virginia Commonwealth University and the Southern Association of Colleges and Schools. 0.6 CEUs will be awarded and recorded with the University.

The Virginia Office of EMS awards 6.5 hrs of CE credits.

REGISTRATION

Fee includes refreshment breaks, program syllabus, CME credits, and a formal luncheon.

Physicians	\$150.00
Residents in Training:	No Charge
Nurses, EMS Providers, Other:	\$25.00

REFUNDS

A cancellation fee of 50% will be charged after application is accepted. Cancellation must be received in writing or by fax. No refunds will be given after April 5, 2002
