You asked for it. We asked for it. Banner has delivered.

Beginning May 5, 2013, we are happy to announce that your PatriotWeb paystub will now have more information on it. There will now be an official Mason logo along with a business address. This, along with year-to-date information, will make the pay stubs more useful to you and your financial institution. For more information, please visit the [paystub FAQ](#).

We'll alert Mason faculty and staff via eFiles on Monday, May 13 and we've also posted it to the [HR & Payroll homepage](#). In the meantime, please help us share the good news!
