Premises: \_\_\_\_\_

1. **Change of station orders/discharge.** If Tenant is required to move pursuant to permanent change of station orders fifty (50) miles or more from the Premises, or is prematurely or involuntarily discharged or released from active duty with the United States Armed Forces, Tenant may terminate this lease by providing Landlord with a written notice of termination to be effective on a date stated in the notice that is at least 30 days after the landlord's receipt of the notice. The notice to Landlord must be accompanied by either a copy of the official military orders or a written verification signed by Tenant's commanding officer.

2. **Deployment.** If Tenant is deployed with a military unit for a period of not less than 90 days, Tenant may terminate this lease by providing Landlord with a written notice of termination. The notice to Landlord must be accompanied by either a copy of the official military orders or a written verification signed by Tenant's commanding officer. Termination of a lease pursuant to this section 2 is effective 30 days after the first date on which the next rental payment is due and payable after the date on which the notice of termination is delivered, or 45 days after Landlord's receipt of the notice, whichever is shorter.

3. **Prorated rent.** Upon termination of this lease under sections 1 or 2, Tenant is liable for the rent due under this lease prorated to the effective date of the termination payable at such time as would have otherwise been required by the terms of the lease. If Tenant terminates this lease pursuant to sections 1 or 2 fourteen (14) or more days prior to occupancy, no damages or penalties of any kind shall be due.

The liquidated damages shall be in an amount no greater than one month's rent if Tenant has completed less than six months of this lease as of the effective date of termination, or one-half of one month's rent if Tenant has completed at least six but less than nine months of this lease as of the effective date of termination.
