Who Must Use Form 140?

You (and your spouse, if married filing a joint return) may file Form 140 only if you are full year residents of Arizona.

You must use Form 140 rather than Form 140A or Form 140EZ to file for 2013 if any of the following apply to you.

- Your Arizona taxable income is \$50,000 or more, regardless of filing status.
- You are making adjustments to income.
- You itemize deductions.
- You claim tax credits other than the family income tax credit, the credit for increased excise taxes, or the property tax credit.
- You are claiming estimated payments.

Do You Have to File?

Arizona Filing Requirements These rules apply to all Arizona taxpayers.		
You must file if you are:	and your Arizona adjusted gross income is at least:	or your gross income is at least:
● Single	\$ 5,500	\$15,000
● Married filing joint	\$11,000	\$15,000
● Married filing separate	\$ 5,500	\$15,000
● Head of household	\$ 5,500	\$15,000
If you are an Arizona resident, you must report income from all sources. This includes out-of-state income.		
To see if you have to file, figure your gross income the same as you would figure your gross income for federal income tax purposes. Then, you should exclude income Arizona law does not tax. Income Arizona law does not tax includes: <ul style="list-style-type: none"> ● Interest from U.S. Government obligations ● Social security retirement benefits received under Title II of the Social Security Act ● Benefits received under the Railroad Retirement Act ● Active duty military pay ● Pay received for active service as a reservist or a National Guard member 		
You can find your Arizona adjusted gross income on line 17 of Arizona Form 140.		

NOTE: *Even if you are not required to file, you must still file a return to get a refund of any Arizona income tax withheld.*

Do You Have to File if You Are an American Indian?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you.

- You are an enrolled member of an Indian tribe.
- You live on the reservation established for that tribe.
- You earned **all** of your income on that reservation.

The department has issued a ruling on the Arizona tax treatment of American Indians. This ruling is ITR 96-4.

Do You Have to File if You Are the Spouse of an American Indian and You Are Not an Enrolled Indian?

You must file if you meet the Arizona filing requirements. The department has issued a ruling on the tax treatment of spouses of American Indians. This ruling is ITR 96-4.

Do You Have to File if You Are in the Military?

You must file if you meet the Arizona filing requirements unless **all** of the following apply to you.

- You are an active duty member of the United States armed forces.
- Your only income for the taxable year is pay received for active duty military service.
- There was no Arizona tax withheld from your active duty military pay.

If Arizona tax was withheld from your active duty military pay, you must file an Arizona income tax return to claim any refund you may be due from that withholding.

You must also file an Arizona income tax return if you have any other income besides pay received for active duty military service.

If you are an Arizona resident and you have to file an Arizona return, you should file using Form 140. If you were an Arizona resident when you entered the service, you remain an Arizona resident, no matter where stationed, until you establish a new domicile. As an Arizona resident, you must report all of your income to Arizona, no matter where stationed. You must include your military pay, but using Form 140, you may subtract all pay received for active duty military service; to the extent it is included in your federal adjusted gross income.

If you are not an Arizona resident, but stationed in Arizona, the following applies to you.

- You are not subject to Arizona income tax on your military pay.
- You must report any other income you earn in Arizona. Use Form 140NR, *Nonresident Personal Income Tax Return*, to report this income.

To find out more, see our brochure, Pub 704, *Taxpayers in the Military*.

If You Included Your Child's Unearned Income on Your Federal Return, Does Your Child Have to File an Arizona Return?

No. In this case, the child should not file an Arizona return. The parent must include that same income in his or her Arizona taxable income.

Residency Status

If you are not sure if you are an Arizona resident for state income tax purposes, we may be able to help. The department has issued a procedure on determining residency status. This procedure is ITP 92-1.

Residents

You are a resident of Arizona if your domicile is in Arizona. Domicile is the place where you have your permanent home. It is where you intend to return if you are living or working temporarily in another state or country. If you leave Arizona for a temporary period, you are still an Arizona resident while gone. A resident is subject to tax on all income no matter where the income is earned.

Part-Year Residents

If you are a part-year resident, you must file Form 140PY, *Part-Year Resident Personal Income Tax Return*.

You are a part-year resident if you did **either** of the following during 2013.

- You moved into Arizona with the intent of becoming a resident.
- You moved out of Arizona with the intent of giving up your Arizona residency.

Nonresidents

If you are a nonresident, you must file Form 140NR, *Nonresident Personal Income Tax Return*.

What if a Taxpayer Died?

If a taxpayer died before filing a return for 2013, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator, or anyone who is in charge of the deceased taxpayer's property.

If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund.

The person who files the return should use the form the taxpayer would have used. **If the department mailed the taxpayer a booklet, do not use the label.** The person who files the return should print the word "deceased" after the decedent's name in the address section of the form. Also enter the date of death after the decedent's name.

If your spouse died in 2013 and you did not remarry in 2013, or if your spouse died in 2014 before filing a return for 2013, you may file a joint return. If your spouse died in 2013, the joint return should show your spouse's 2013 income before death and your income for all of 2013. If your spouse died in 2014, before filing the 2013 return, the joint return should show all of your income and all of your spouse's income for 2013. Print "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign the return.

Are Any Other Returns Required?

You may also have to file a fiduciary income tax return (Form 141AZ). For details about filing a fiduciary income tax return, call the department at (602) 255-3381.

Claiming a Refund for a Deceased Taxpayer

If you are claiming a refund for a deceased taxpayer, you **must** complete Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Attach the completed Form 131 to the **front** of the return.

What are the Filing Dates and Penalties?

When Should You File?

Your 2013 calendar year tax return is due no later than midnight, April 15, 2014. File your return as soon as you can after January 1, but no later than April 15, 2014. If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal tax year.

What if You Cannot File on Time?

You may request an extension if you know you will not be able to file on time.

NOTE: *An extension does not extend the time to pay your income tax. For details, see the instructions for Arizona Form 204.*

To get a filing extension, you can either:

1. Apply for a state extension (Form 204). To apply for a state extension, file Arizona Form 204 by April 15. See Form 204 for details. You do not have to attach a copy of the extension to your return when you file, but make sure that you check box **82F** on page 1 of the return. If you must make a payment, use Arizona Form 204, or visit www.aztaxes.gov to make an electronic payment.
2. Use your federal extension (federal Form 4868). File your Arizona return by the same due date. You do not have to attach a copy of your federal extension to your return, but make sure that you check box **82F** on page 1 of the return.

When Should You File if You Are a Nonresident Alien?

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 15 even though your federal return is due on June 15. If you want to file your Arizona return after April 15, you must ask for a filing extension. You must file this request by April 15. Arizona will allow up to a 6-month extension. This will allow you to file your return by October 15, 2014. See Form 204 for extension filing details.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months. Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 15 even though your federal return will not be due until December 15. If you file your 2013 Arizona calendar year return after October 15, 2014, your return will be late.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

What if You File or Pay Late?

If you file or pay late, we will charge you interest and penalties on the amount you owe. If the U.S. Post Office postmarks your 2013 calendar year return by April 15, 2014, your return will not be late. You may also use certain private delivery services designated by the Internal Revenue Service (IRS) to meet the “timely mailing as timely filed” rule.

Late Filing Penalty

If you file late, we will charge you a late filing penalty. This penalty is 4½% (.045) of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25% (.25) of the tax found to be remaining due.

Late Payment Penalty

If you pay your tax late, we will charge you a late payment penalty. This penalty is ½ of 1% (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues.

We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed a total of 10% (.10) of the unpaid tax.

Extension Underpayment Penalty

If you file your return under an extension, you must pay 90% (.90) of the tax shown on your return by the return's original due date. If you do not pay this amount, we will charge you a penalty. This penalty is ½ of 1% (.005) of the tax not paid for each 30 day period or fraction of a 30 day period. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed 25% (.25) of the unpaid tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes (A.R.S.) § 42-1125(D).

NOTE: *If you are subject to two or more of the above penalties, the total cannot exceed 25% of the unpaid tax.*

Interest

We charge interest on any tax not paid by the due date. We will charge you interest even if you have an extension. If you have an extension, we will charge you interest from the original due date until the date you pay the tax. The Arizona interest rate is the same as the federal rate.

When Should You Amend a Return?

If you need to make changes to your return once you have filed, you should file Form 140X, *Individual Amended Income Tax Return*. You should file your amended return after your original return has processed. **Do not** file a new return for the year you are correcting. Generally, you have four years to amend a return to claim a refund.

If you amend your federal return for any year, you must also file an Arizona Form 140X for that year. You must file the Form 140X within 90 days of the final determination of the IRS.

If the IRS makes a change to your federal taxable income for any year, you must report that change to Arizona. You may use one of the following two options to report this change.

Option 1

You may file a Form 140X for that year. If you choose this option, you must amend your Arizona return within 90 days of the final determination of the IRS. Attach a complete copy of the federal notice to your Form 140X.

Option 2

You may file a copy of the final federal notice with the department within 90 days of the final determination of the IRS. If you choose this option, you must include a statement in which you must:

1. Request that the department recompute your tax; and
2. Indicate if you agree or disagree with the federal notice.

If you do not agree with the federal notice, you must also include any documents that show why you do not agree.

If you choose option 2, mail the federal notice and any other documents to:

Arizona Department of Revenue
Individual Income Audit
PO Box 29084
Phoenix, AZ 85038-9084

Do You Need to Make Estimated Payments in 2014?

You must make Arizona estimated income tax payments during 2014 if:		
Your filing status is:	AND Your Arizona gross income for 2013 was greater than:	AND Your Arizona gross income for 2014 is greater than:
Married Filing Joint	\$150,000	\$150,000

Head of Household	\$75,000	\$75,000
Married Filing Separate	\$75,000	\$75,000

If you met the income threshold for 2013, you must make estimated payments during 2014 unless you are sure you will not meet the threshold for 2014.

As a full year resident, your Arizona gross income is your federal adjusted gross income. This amount is on line 12 of the 2013 Form 140.

See the worksheet for Arizona Form 140ES to figure how much your payments should be.

For more information about making estimated payments, see the department's brochure (012), *Arizona Individual Estimated Income Tax Payments*.

What if You Make Your Estimated Payments Late?

We will charge you a penalty if you fail to make any required payments. We will charge you a penalty if you make any of your required payments late. For details, see Arizona Form 221.

Can You Make Estimated Payments Even if You Do Not Have To?

If you do not have to make Arizona estimated income tax payments, you may still choose to make them. For details, see Arizona Form 140ES.

Entering Your Name, Address, and SSN

Lines 1, 2, and 3 -

If your booklet has a peel-off label, use that label if all the information is correct. **If any of the information on the label is incorrect, do not use the label.** Attach the label after you finish your return. If you do not have a peel-off label, print or type your name, address, and SSN in the space provided.

If you are filing a joint return, enter your SSNs in the same order as your names. *If your name appears first on the return, make sure your SSN is the first number listed.*

If you are married filing separately, enter your name and SSN on the first line 1. Then enter your spouse's name and SSN on the second line 1.

If you are a nonresident of the United States or a resident alien who does not have an SSN use the individual taxpayer identification number (ITIN) the IRS issued to you.

Make sure that you enter your SSN on your return. Make sure that all SSNs are clear and correct. You may be subject to a penalty if you fail to include your SSN. It will take longer to process your return if SSNs are missing, incorrect, or unclear.

NOTE: Make sure your SSN is correct. *If you are filing a joint return, also make sure you enter your SSNs in the same order every year.*

For a deceased taxpayer, see page 2 of these instructions.

Use your current home address. The department will send your refund to or correspond with you at that address.

Foreign Addresses

If you have a foreign address, enter the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

Last Names Used in Prior Years

If the last name that you or your spouse are using on this return is not the same as the last name you or your spouse used on returns filed for the last 4 years, enter any other last name(s) that you or your spouse used when filing your return during the last 4 years.

A paid preparer may use any of the following.

- his or her PTIN
- his or her SSN
- the EIN for the business

A paid preparer who fails to include the proper number may also be subject to a penalty.

Determining Your Filing Status

The filing status that you use on your Arizona return may be different from that used on your federal return.

Use this section to determine your filing status. Check the correct box (4 through 7) on the front of Form 140.

Line 4 (Box) - Married Filing Joint Return

If you are married and filing a joint return, check box 4.

You may file a joint return if you were married as of December 31, 2013. It does not matter whether or not you were living with your spouse. You may file a joint return, even if you and your spouse filed separate federal returns.

You may file a joint return if your spouse died during 2013 and you did not remarry in 2013. See page 2 of these instructions for details.

The Arizona Form 140 is for full year residents only. You may not file a joint Arizona income tax return on Form 140 if any of the following apply.

1. Your spouse is a nonresident alien (citizen of and living in another country).
2. Your spouse is a resident of another state.
3. Your spouse is a part-year Arizona resident.

If filing a joint return with your nonresident spouse, you must file a joint return using Form 140NR. See Form 140NR instructions.

If filing a joint return with your part-year resident spouse, you must file a joint return using Form 140PY. See Form 140PY instructions.

The department has issued a ruling on filing a joint tax return with your part-year resident or nonresident spouse. This ruling is ITR 95-2.

Line 5 (Box) - Head of Household Return

If you are filing as a head of household, check box 5. You may file as head of household on your Arizona return, only if one of the following applies.

- You qualify to file as head of household on your federal return.
- You qualify to file as a qualifying widow or widower on your federal return.

Line 6 (Box) - Married Filing Separate Return

If you are filing a separate return, check box 6 and enter your spouse's name and SSN on the second line 1.

If you were married as of December 31, 2013, you may choose to file a separate return. You may file a separate return, even if you and your spouse filed a joint federal return.

Arizona is a community property state. If you file a separate return, you must figure how much income to report using community property laws. Under these laws, a separate return must reflect one-half of the community income from all sources plus any separate income.

When you file separate returns, you must account for community deductions and credits on the same basis as community income. Both you and your spouse must either itemize or not itemize. If one of you itemizes, you both must itemize. If one of you takes a standard deduction, you both must take a standard deduction. One of you may not claim a standard deduction while the other itemizes.

If you and your spouse support a dependent child from community income, either you or your spouse may claim the dependent. Both of you cannot claim the same dependent on both returns.

The department has issued tax rulings on filing a separate return. These rulings are ITR 93-18 and ITR 93-19.

NOTE: *In some cases you may treat community income as separate income. The department has issued a ruling, ITR 93-22, on when you may treat community income as separate income.*

If one spouse is a resident and the other spouse is not, other special rules may apply when filing a separate return. The department has issued a ruling on how to report income in this case. This ruling is ITR 93-20.

Line 7 (Box) - Single Return

If you are filing as single, check box 7.

Use this filing status if you were single on December 31, 2013. You are single if any of the following apply to you.

- You have never been married.
- You are legally separated under a decree of divorce or of separate maintenance.
- You were widowed before January 1, 2013, and you did not remarry in 2013, and you do not qualify to file as a qualifying widow or widower with dependent children on your federal return.

Exemptions

Write the number of exemptions you are claiming in boxes 8, 9, 10, and 11. **Do not put a check mark.** You may lose the exemption if you put a checkmark in these boxes. Write "1" in box 9 if you or your spouse is totally or partially blind. Write "2" in box 9 if both you and your spouse are totally or partially blind.

1. You cannot see better than 20/200 in your better eye with glasses or contact lenses; or

NOTE: *If you do not claim a dependent exemption for a student on your federal return in order to allow the student to claim a federal education credit on the student's federal return, you may still claim the exemption on your Arizona return. For more information, see Arizona Individual Income Tax Ruling ITR 05-2.*

- A person who is age 65 or over (related to you or not) that does not qualify as your dependent on your federal return, but one of the following applies.
 1. In 2013, you paid more than one-fourth of the cost of keeping this person in an Arizona nursing care institution, an Arizona residential care institution, or an Arizona assisted living facility. Your cost must be more than \$800.

3. The dependent's relationship to you.
4. The number of months the dependent lived in your home during 2013. If you are claiming an exemption for a stillborn child, enter the date of birth resulting in the stillbirth.

You may lose the exemption if you do not furnish this information.

Lines A3a and A3b - Persons You Did Not Take as Dependents on Your Federal Return

A qualifying parent or grandparent may be any one of the following.

4. The parent or grandparent required assistance with activities of daily living, like getting in and out of bed or chairs, walking around, going outdoors, using the toilet, bathing, shaving, brushing teeth, combing hair, dressing, medicating or feeding.

You must complete Part A, lines A4 and A5, on page 2 of your return before you can total your exemptions for qualifying parents and grandparents.

NOTE: *If a person who is a qualifying parent or grandparent also qualifies as your dependent, you may claim that person as a dependent on line A2, or you may claim that person as a qualifying parent or grandparent on line A5. You may **not** claim that same person on both line A2 and line A5. Do not list the same person on line A4 that you listed on line A1.*

Completing Line(s) A4

Enter the following on line(s) A4.

2. The SSN of the qualifying parent or grandparent.
3. The qualifying parent's or grandparent's relationship to you, or your spouse if filing a joint return.

Part B: Additions to Income

Line B6 - Non-Arizona Municipal Interest

Enter the amount of interest income from non-Arizona municipal bonds that you did not include as income on your federal return.

You may exclude any expenses incurred to purchase or carry the obligation. Reduce the interest income by the amount of those expenses that you could not deduct on your federal return.

If you received tax exempt interest from municipal bonds, attach a schedule listing the payors and the amount received from each payor. You may also want to attach supporting documents for amounts received from Arizona municipal bonds that are exempt from Arizona income tax. These may be items such as bank statements, brokerage statements, etc.

Line B7 - Ordinary Income Portion of Lump-Sum Distributions Excluded on Your Federal Return

Use line B7 if you use federal averaging for lump-sum distributions from your pension or profit-sharing plan.

Arizona law does not provide for averaging. Enter the amount of the distribution that you treated as ordinary income on your federal return. If you choose to treat the capital gain portion of the distribution as ordinary income, you must also include that amount.

For more information, see the department's Income Tax Ruling ITR 93-5.

Line B8 - Total Federal Depreciation

Enter the total amount of depreciation deducted on the federal return. If you make an entry here, you should also take a subtraction on line C22. To figure how much you should subtract, see the instructions for line C22.

Line B9 - Medical Savings Account (MSA) Distributions

For information on Arizona's MSA provisions, see the department's brochure, Pub 542, *Medical Savings Accounts*.

You must add amounts received from an MSA here if **any** of the following apply.

1 - You Withdrew Funds From Your MSA for Other Than Qualified Expenses

You must make an entry here if **all** of the following apply.

1. You withdrew money from your MSA during 2013.
2. You did not use the amount withdrawn to pay qualified medical expenses.
3. You did not have to include the withdrawal as income on your federal income tax return.

Enter the amount withdrawn.

2 - Deceased Account Holder Where the Named Beneficiary is Not the Decedent's Surviving Spouse

You must make an entry here if **all** of the following apply.

1. The account holder died during the year.
2. You are the named beneficiary of the decedent's MSA.
3. You are not the decedent's surviving spouse.
4. You did not have to include the value of the MSA as income on your federal income tax return.

In this case, the MSA ceased to be an MSA. Enter the fair market value of the MSA as of the date of death, less the

amount of MSA funds used within one year of the date of death, to pay the decedent's qualified medical expenses. You can reduce the fair market value by only those expenses paid from the MSA. If you pay additional medical expenses for the decedent from the MSA after you file, you may file an amended return to further reduce the fair market value of the MSA.

3 - Decedent's Final Return and No Named MSA Beneficiary

You must make an entry here if **all** of the following apply.

1. The account holder died during the year.
2. There is no named MSA beneficiary.
3. This is the decedent's final return.
4. The value of the MSA did not have to be included on the decedent's final federal income tax return.

In this case, the MSA ceased to be an MSA. Enter the fair market value of the MSA as of the date of death. This rule applies in all cases in which there is no named beneficiary, even if the surviving spouse ultimately obtains the right to the MSA assets.

The following are not withdrawals. Do not enter any of the following:

- Amounts from the MSA used to pay qualified medical expenses.
- A qualified return of excess contributions.
- A qualified rollover.
- The fair market value of an MSA received by a surviving spouse who was the deceased account holder's named beneficiary.

For more information about the above items, see the department's brochure, Pub 542.

Line B10 - Reserved

This line has been reserved for future use. Do not enter any amount on line B10.

Line B11 - Other Additions to Income

Use line B11 if any of the special circumstances below apply.

Attach your own schedule to the back of your return explaining any amounts entered here.

You may either add or subtract items B through D below on line B11 or C29, respectively, depending on your situation.

A. Pensions (First Payment Received Prior to 1979)

Prior to 1979, Arizona treated pension income differently than the IRS. For federal purposes, you could have excluded a portion of the cost of the pension from the pension payment included on your federal return. For Arizona purposes, the payments were excluded from Arizona gross income until you recovered the cost. After recovering the cost, you must include the rest of the payments in Arizona gross income.

If you received the first payment prior to December 31, 1978, you may have to make an addition to income. Complete the following worksheet to figure your addition. The addition is equal to the total payments received during the taxable year that are more than the cost.

Complete the worksheet only if **both** of the following apply.

1. Arizona taxed your pension for **years before 1979**.
2. You reported that pension on your federal return using the percentage exclusion method.

Do not complete the worksheet if **either** of the following applies.

1. You reported your pension income as fully taxable on your federal return.
2. You reported your pension income on your federal return under the "three-year-rule".

Pension Adjustment Worksheet - Line B11	
(Keep this worksheet for your records).	
1. Your contribution to the pension.	1.
2. Pension amount received in prior years.	2.
3. Remainder of cost (line 1 minus line 2 but not less than zero).	3.
4. Pension amount received this year.	4.
5. Subtract line 3 from line 4 (but not less than zero).	5.
6. Enter the pension amount taxable on your federal return.	6.
7. Subtract line 6 from line 5.	7.
If line 7 is more than zero, enter the amount on line 7 as an addition to income. Enter the addition on line B11.	

B. Married Persons Filing Separate Returns

If you file a separate Arizona return, you must report the following income on that return.

- One-half of the community income from all sources.
- All of your separate income.

If you and your spouse file a joint federal return but separate Arizona returns, you must make sure that each separate return reflects the correct income. If you begin your Arizona return with only the income that you earned during the year, you will have to adjust this income.

If you file separate federal returns, each of your federal returns should already reflect the correct income. Since your separate Arizona returns will begin with the federal adjusted gross income, you will not have to adjust your income.

If you have to adjust your income, attach a schedule showing how you figured your adjustment.

C. Partnership Income

Use this adjustment if your Arizona Form 165, Schedule K-1, shows a difference between federal and state distributable income.

If the difference reported on your Arizona Form 165, Schedule K-1, is a positive number, enter that difference as an addition. Enter the addition on line B11.

If the difference reported on your Arizona Form 165, Schedule K-1, is a negative number, enter that difference as a subtraction. Enter the subtraction on line C29.

D. Fiduciary Adjustment

A fiduciary uses Form 141AZ, Schedule K-1, to report to you your share of the fiduciary adjustment from the trust or estate.

Line 3 of Form 141AZ, Schedule K-1, shows your share of the fiduciary adjustment from the estate or trust. If the amount reported on line 3 of your Arizona Form 141AZ, Schedule K-1, is a positive number, enter that amount as an addition. Enter the addition on line B11.

If the amount reported on line 3 of your Arizona Form 141AZ, Schedule K-1, is a negative number, enter that amount as a subtraction. Enter the subtraction on line C29.

E. Net Operating Losses

Arizona does not have specific provisions for calculating the net operating loss of an individual. Generally, the amount of net operating loss deduction included in your federal adjusted gross income is the amount allowable for Arizona purposes. However, there are instances when the amount allowable for Arizona purposes may be different.

You must adjust the amount of net operating loss deduction included in your federal adjusted gross income if you have already deducted any amount of the net operating loss included in your federal adjusted gross income for Arizona purposes. In this case, enter on line B11, the amount of net operating loss included in your federal adjusted gross income which you previously deducted for Arizona purposes.

Usually, Arizona conforms to the federal net operating loss provisions, including the carryback provisions. However, Arizona did not conform to the special federal net operating loss rules for 2008 and 2009. Under the special rules for 2008 and 2009, you could have elected to carry the net operating loss back for 3, 4 or 5 years, instead of the normal 2 years. This election would have been allowed under IRC § 172(b)(1)(H) as amended by the American Recovery and Reinvestment Act of 2009 or the Worker, Homeownership, and Business Assistance Act of 2009. If you deducted a federal net operating loss carryback under the federal American Recovery and Reinvestment Act of 2009 or the federal Worker, Homeownership, and Business Assistance Act of 2009, see the instructions for line C28.

For information on deducting a net operating loss carryback in cases where you did not make an election under IRC § 172(b)(1)(H), see the department’s Income Tax Procedure *ITP 99-1*.

F. Items Previously Deducted for Arizona Purposes

Arizona statutes prohibit a taxpayer from deducting items more than once. However, under the operation of former Arizona law (1989 and prior), you could deduct certain items in greater amounts for Arizona purposes than for federal purposes.

Investment interest and passive activity losses were such items. In some cases, you could have deducted such amounts in their entirety on the Arizona return. For federal purposes, the deduction for these items was limited, with the unused portions being carried forward and deducted in future years. Your Arizona return may include these previously deducted items because of the difference between the federal and former Arizona treatment. If your Arizona taxable income includes items previously deducted for Arizona purposes, you must add such amounts to your Arizona gross income.

G. Claim of Right Adjustment for Amounts Repaid in 2013

You must make an entry here if **all** of the following apply.

1. During 2013, you were required to repay amounts held under a claim of right.
2. The amount required to be repaid during 2013 was more than \$3,000.
3. You took a deduction for the amount repaid on your 2013 federal income tax return.

If the above apply, enter the amount deducted on your federal income tax return here. For more information on the Arizona claim of right provisions, see the department's Individual Income Tax Procedure *ITP 95-1*.

H. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply.

1. During a year prior to 2013 you were required to repay amounts held under a claim of right.
2. You computed your tax for that prior year under Arizona's claim of right provisions.
3. A net operating loss or capital loss was established due to the repayment made in the prior year.
4. You are entitled to take that net operating loss or capital loss carryover into account when computing your 2013 Arizona taxable income.
5. The amount of the loss carryover included in your federal income is more than the amount allowed to be taken into account for Arizona purposes.

Enter the amount by which the loss carryover included in your federal adjusted gross income is more than the amount allowed for the taxable year under Arizona law.

I. Addition to S Corporation Income Due to Credits Claimed

Shareholders of an S corporation who claim a credit passed through from an S corporation must make an addition to income for the amount of expenses disallowed by reason of claiming the credit.

An S corporation that passes the following credits through to its shareholders must notify each shareholder of his or her pro rata share of the adjustment. You must enter an amount on this line when claiming any of the following credits.

- Agricultural water conservation system credit (Form 312)
- Environmental technology facility credit (Form 305)
- Pollution control credit (Form 315)
- Credit for solar hot water heater plumbing stub outs and electric vehicle recharge outlets (Form 319)
- Credit for employment of TANF recipients (Form 320)
- Agricultural pollution control equipment credit (Form 325)
- Motion picture credits (Form 334)

J. Solar Hot Water Heater Plumbing Stub Outs and Electric Vehicle Recharge Outlet Expenses

If you claim a credit for installing solar hot water heater plumbing stub outs or electric vehicle recharge outlets in a dwelling you constructed on AZ Form 319, you cannot deduct any expenses for which you claim the credit. If you take this credit, enter the amount of such expenses that you deducted on your federal return.

K. Wage Expense for Employers of TANF Recipients

If you claim a credit for employing TANF recipients on AZ Form 320, you cannot deduct any wage expense for which you claim the credit. If you take this credit, enter the amount of such expenses that you deducted on your federal return.

L. Motion Picture Expenses

If you claim a motion picture credit on AZ Form 334, you cannot deduct any expenses deducted on your federal return related to the production or related to a transferred credit.

Enter the amount of any such expenses that were deducted in computing federal adjusted gross income for which you claimed a credit.

M. Agricultural Water Conservation System Credit

If you claim an agricultural water conservation system credit on AZ Form 312, you cannot deduct any expenses for which you claim the credit. If you take this credit, enter the amount of such expenses that you deducted on your federal return.

N. Adjusted Basis in Property for Which You Have Claimed a Credit for Investment in Qualified Small Businesses

If you claim a credit for an investment in a qualified small business on AZ Form 338, you must adjust your basis in the investment by the amount of the credit claimed. You must report this difference in basis on the Arizona return that you file for the taxable year in which you sell or otherwise dispose of the investment. If you sold or otherwise disposed of the investment during the 2013 taxable year, on line B11, enter the amount by which the adjusted basis computed under the IRC with respect to that property exceeds the adjusted basis of the property computed under A.R.S. § 43-1074.02.

O. Depreciation or Amortization for a Water Conservation System

If you claimed a water conservation system credit on AZ Form 339, you may not deduct any depreciation or amortization for that system on your Arizona return. Enter the amount of depreciation or amortization claimed on your federal return for the water conservation system for which you have claimed a credit.

P. Nonqualified Withdrawals From 529 College Savings Plans

You must make an addition to income if both of the following apply to you.

1. You received a nonqualified withdrawal from a 529 college savings plan.
2. You did not include the amount of the withdrawal in your federal adjusted gross income.

The amount that you must add is the amount withdrawn, but no more than the difference between the amount of contributions subtracted in prior years and the amount added in any prior years.

A nonqualified withdrawal is a withdrawal other than any of the following:

1. A qualified withdrawal. A qualified withdrawal is a withdrawal from an account to pay the qualified higher education expenses of the designated beneficiary of the account.
2. A withdrawal made as the result of the death or disability of the designated beneficiary of an account.
3. A withdrawal that is made on the account of a scholarship, or the allowance or payment described in IRC § 135(d)(1)(B) or (C), and that is received by the designated beneficiary, but only to the extent of the amount of this scholarship, allowance or payment.
4. A rollover or change of designated beneficiary.

Q. Original Issue Discount (OID) on reacquisition of Debt Instrument

For federal purposes, when a taxpayer made the special election to defer discharge of indebtedness (DOI) income under IRC §

108(i) (for 2009 or 2010), the taxpayer was not allowed to take a deduction with respect to the portion of any OID that accrued with respect to that DOI income, during the income deferral period. In this case, the taxpayer had to deduct the aggregate amount of the OID deductions disallowed ratably over a 5 year period, beginning with the period in which the income was includible in federal adjusted gross income.

Arizona did not adopt the federal provisions requiring a taxpayer to defer the OID deduction in cases where the taxpayer federally deferred the DOI income. For Arizona purposes, you had to report the DOI income from a debt reacquisition in the year in which you reacquired the debt, and you were allowed to subtract any OID related to that DOI income in the year the OID accrued. If your federal adjusted gross income includes a deduction for any accrued OID that you have already subtracted for Arizona purposes, you must make an addition to Arizona income for the amount of deferred OID deducted on your federal return. Generally, this addition will not apply until taxable year 2014 through 2018. However, if you were required to accelerate reporting of the DOI income for federal purposes and were allowed to deduct accrued OID attributable to that income on a return filed for a year prior to 2014; this addition may apply to an earlier year. On line B11, enter the amount of any previously deferred OID that you deducted in computing your 2013 federal adjusted gross income, to the extent that the amount was previously subtracted from Arizona gross income.

R. Early Withdrawal of Arizona, County, City, or School Retirement System Contributions

If you meet **all** of the following, you must enter an amount here.

1. You left your job with the State of Arizona or an Arizona county, city, or school district for reasons other than retirement.
2. When you left, you took out the contributions you had made to the retirement system while employed.
3. You deducted these contributions on your Arizona income tax returns that you filed for prior years.
4. You did not include these contributions in your federal adjusted gross income this year.

If you meet all these tests, you must report as income those contributions previously deducted on your prior years' Arizona tax returns.

For details, see the Income Tax Ruling *ITR 93-7*.

S. Qualified Health Insurance Plans

If you claimed a credit on AZ Form 347, you may not deduct any expenses for which you claim the credit. If you take this credit, enter the amount of such expenses that you deducted on your federal return.

T. AZ Long-Term Health Care Savings Accounts (AZLTHSA) Withdrawals

You must add amounts withdrawn from your AZLTHSA if you withdrew money for purposes other than paying for qualified long-term health care expenses.

U. Sole Proprietorship Loss of an Arizona Nonprofit Medical Marijuana Dispensary included in Federal Adjusted Gross Income

If you are registered as an Arizona sole proprietorship with the Arizona Department of Health Services to operate in this state as a nonprofit medical marijuana dispensary, you are required to add the amount of the loss from the dispensary

that is included in the computation of your federal adjusted gross income. Include the amount of the loss on line B11.

NOTE: *If the Arizona nonprofit medical marijuana dispensary is registered with the Arizona Department of Health Services as anything other than a sole proprietorship, this addition does not apply.*

V. Other Adjustments

Other special adjustments may be necessary. You may need to make an addition for depreciation or amortization. You may also need to make an addition if you claimed certain tax credits. Call one of the numbers listed on the back cover if any of the following apply.

- You are a qualified defense contractor that elected to amortize under A.R.S. section 43-1024.
- You sold or disposed of property that was held for the production of income and your basis was computed under the Arizona Income Tax Act of 1954.
- You claimed the environmental technology facility credit.
- You claimed the pollution control credit.
- You claimed the recycling equipment credit.
- You claimed the agricultural pollution control equipment credit.
- You elected to amortize the basis of a pollution control device or the cost of a child care facility under Arizona law in effect before 1990. You are still deducting amortization or depreciation for that device or facility on your federal income tax return.

Line B12 - Total Additions

Add lines B6 through B11. Enter the total on line B12 and on the front of your return on line 13.

Part C: Subtractions from Income

You may only subtract those items for which statutory authority exists. You cannot take a subtraction without such authority. If you have any questions concerning subtractions from income, call one of the numbers listed on the back cover.

NOTE: *You may not subtract any amount that is allocable to income excluded from your Arizona taxable income.*

Line C13 - Exemption: Age 65 or Over

Multiply the number in box 8 on the front of your return by \$2,100 and enter the result.

Line C14 - Exemption: Blind

Multiply the number in box 9 on the front of your return by \$1,500 and enter the result.

Line C18 - Interest on U.S. Obligations

Enter the amount of interest income from U.S. Government obligations included as income on your federal return. U.S. Government obligations include obligations such as savings bonds and treasury bills. You cannot deduct any interest or other related expenses incurred to purchase or carry the obligations. If such expenses are included in your Arizona gross income, you must reduce the subtraction by such expenses. If you are itemizing deductions on your Arizona return, you must exclude such expenses from the amount deducted.

NOTE: Do not subtract interest earned on FNMA or GNMA bonds since this interest is taxable by Arizona. For details, see the department's Income Tax Ruling, ITR 06-1.

Do not subtract any amount received from a qualified pension plan that invests in U.S. Government obligations. Do not subtract any amount received from an IRA that invests in U.S. Government obligations. These amounts are not interest income. For details, see the department's Income Tax Rulings ITR 96-2 and ITR 96-3.

Line C19 - Exclusion for U.S. Government, Arizona State or Local Government Pensions

If you receive pension income from any of the sources listed below, subtract the amount you received or \$2,500, whichever is less. Include only the amount you reported as income on your federal return. If both you and your spouse receive such pension income, each spouse may subtract the amount received or \$2,500, whichever is less.

Public pensions from the following sources qualify for this subtraction.

- The United States Government Service Retirement and Disability Fund
- The United States Foreign Service Retirement and Disability System
- Retired or retainer pay of the uniformed services of the United States
- Any other retirement system or plan established by federal law

NOTE: This applies only to those retirement plans authorized and enacted into the U.S. Code. This does not apply to a retirement plan that is only regulated by federal law (i.e., plans which must meet certain federal criteria to be qualified plans).

- The Arizona State Retirement System

- The Corrections Officer Retirement Plan
- The Public Safety Personnel Retirement System
- The Elected Officials' Retirement Plan
- A retirement plan established for employees of a county, city, or town in Arizona

NOTE: Public retirement pensions from states other than Arizona do not qualify for this subtraction.

Line C20 - Arizona Lottery Winnings

You may subtract up to \$5,000 of winnings received in 2013 for Arizona lottery prizes.

If you subtract Arizona lottery winnings here, you may have to adjust the amount of gambling losses claimed as an itemized deduction. See instructions for Form 140; Schedule A, *Itemized Deduction Adjustments*.

Line C21 - U.S. Social Security Benefits or Railroad Retirement Benefits

Arizona does not tax social security benefits received under Title II of the Social Security Act. Arizona does not tax railroad retirement benefits received from the Railroad Retirement Board under the Railroad Retirement Act. If you included such social security or railroad retirement benefits as income on your federal return, use line C21 to subtract this income.

NOTE: Enter only the taxable amount (the amount that was subject to federal income tax). Do not include any amount that was not subject to federal income tax.

See the department's Income Tax Ruling, ITR 96-1, for more information about railroad retirement benefits.

Line C22 - Recalculated Arizona Depreciation

Enter the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year calculated as if you had elected not to claim bonus depreciation for eligible properties for federal purposes.

Line C23 - Certain Wages of American Indians

Enrolled members of American Indian tribes may subtract wages earned while living and working on their tribe's reservation. The federal government must recognize these tribes.

For more information, see the department's Income Tax Ruling, ITR 96-4.

Line C24 - Income Tax Refund From Other States

You may subtract income tax refunds received from other states if both of the following apply.

1. You reported the refund as income on your federal return.
2. You did not deduct the taxes paid to the other state as an itemized deduction on a prior year Arizona return.

Line C25 - Deposits and Employer Contributions into MSAs**Deposits Made Into Your MSA**

If you have an MSA, you may be able to subtract deposits made into that MSA. Make an entry here if all of the following apply.

1. You have an MSA that qualifies as an MSA under Arizona law, but not federal law.
2. Either you or your employer made deposits into that MSA during the tax year.
3. You had to include the deposits in income on your federal income tax return.

Enter the amount of the MSA deposits that you had to include in your federal adjusted gross income.

Employer Contributions Made to Employee MSAs

If you are an employer, you may subtract the amount contributed to your employees' MSAs that are established under Arizona law. You can subtract these contributions only to the extent not deductible for federal income tax purposes. Enter these contributions here.

Line C26 - Adjustment for IRC § 179 Expense not Allowed in Prior Years

If you made an addition for IRC § 179 expense on your 2009, 2010, 2011, and/or 2012 return, enter 20% of the amount added for 2009, 2010, 2011 and/or 2012.

Line C27 - Pay Received for Active Service as a Member of the Reserves, National Guard or the U.S. Armed Forces

Members of the U.S. armed forces may subtract pay received for active duty military service. On line C27, enter the amount of that income included in your federal adjusted gross income.

Members of the reserves or the National Guard may subtract pay received for active service as a reservist or as a National Guard member. This includes pay received for weekend or two-week training periods. On line C27, enter the amount of that income included in your federal adjusted gross income.

Military Technician (dual status)

You may not subtract any income you received for full-time civil service employment as a "military technician (dual status)". Compensation received by a "military technician (dual status)" for federal civil service employment for the National Guard or for the United States Reserves, is not income received for active service as a National Guard member for a Reserve member even though the employee may be required to wear a military uniform while at work.

For more information, see the department's Income Tax Ruling ITR 12-2.

NOTE: *You may not subtract pay received for active duty service as a member of the U.S. Public Health Service or NOAA. For more information, see the department's Income Tax Ruling ITR 10-1.*

Line C28 - Net Operating Loss Adjustment

NOTE: *This subtraction applies to only those individuals who made an election under the special federal net operating loss rules for 2008 and 2009. Under the special rules for 2008 and 2009, you could have elected to carry the net operating loss back for 3, 4 or 5 years, instead of the normal 2 years. This election would have been allowed under IRC § 172(b)(1)(H) as amended by the American Recovery and Reinvestment Act of 2009 or the Worker, Homeownership, and Business Assistance Act of 2009.*

Arizona did not adopt the special federal net operating loss rules for losses incurred during 2008 or 2009. For Arizona purposes, you must deduct a net operating loss as if the loss was computed under IRC § 172 in effect prior to the enactment of those special rules. If you made an election to deduct your 2008 or 2009 federal net operating loss under IRC § 172(b)(1)(H), you may have to enter an amount here. Figure how much of the net operating loss carry forward would have been allowed as a deduction on your 2013 federal income tax return, if the election described in IRC § 172(b)(1)(H) had not been made in the year of the loss. On line C28, enter the amount that exceeds the actual net operating loss carry forward that was deducted in arriving at federal adjusted gross income.

Line C29 - Other Subtractions From Income

Use line C29 if any of the following special circumstances apply. Attach your own schedule to the back of your return explaining any amounts entered here.

A. Previously Reported Gain on Decedent's Installment Sale

Prior Arizona law required acceleration of any unrecognized installment sale gain upon the death of a taxpayer. However, this acceleration could have been avoided by the posting of a bond. If acceleration was required, your federal adjusted gross income may include installment sale amounts already recognized on a decedent's final Arizona return. If your federal adjusted gross income includes such amounts, you may subtract that portion of the gain included on your federal return.

B. Fiduciary Adjustment

A fiduciary uses Form 141AZ, Schedule K-1 to report to you your share of the fiduciary adjustment from the trust or estate.

Line 3 of Form 141AZ, Schedule K-1 shows your share of the fiduciary adjustment from the estate or trust. If the amount reported on line 3 of your Arizona Form 141AZ, Schedule K-1, is a negative number, enter that amount as a subtraction. Enter the subtraction on line C29.

If the amount reported on line 3 of your Arizona Form 141AZ, Schedule K-1, is a positive number, enter that amount as an addition. Enter the addition on line B11.

C. Partnership Income

Use this adjustment if your Arizona Form 165, Schedule K-1, shows a difference between federal and state distributable income.

If the difference reported on your Arizona Form 165, Schedule K-1, is a negative number, enter that difference as a subtraction. Enter the subtraction on line C29.

If the difference reported on your Arizona Form 165, Schedule K-1, is a positive number, enter that difference as an addition. Enter the addition on line B11.

D. Federally Taxable Arizona Municipal Interest as Evidenced by Bonds

Enter the amount of any interest income received on obligations of the State of Arizona, or any political subdivisions of Arizona, as evidenced by bonds, and is included in your Arizona gross income. Do not enter any Arizona municipal interest that is exempt from federal taxation and not included in your federal adjusted gross income.

E. Adoption Expenses

You may take this subtraction only in the year the final adoption order is granted. Enter the lesser of the total of the following adoption expenses or \$3,000. When figuring your subtraction, you may include expenses incurred in prior years.

The following expenses are qualified adoption expenses.

1. Nonreimbursed medical and hospital costs
2. Adoption counseling
3. Legal and agency fees
4. Other nonrecurring costs of adoption

If filing separately, you may take the entire subtraction, or you may divide the subtraction with your spouse. However, the total subtraction taken by both you and your spouse cannot exceed \$3,000.

F. Qualified Wood Stove, Wood Fireplace, or Gas Fired Fireplace

Arizona law provides a subtraction for converting an existing fireplace to one of the following.

- a qualified wood stove
- a qualified wood fireplace
- a gas fired fireplace and non-optional equipment directly related to its operation.

You may subtract up to \$500 of the costs incurred for converting an existing fireplace on your property located in Arizona. When you figure your subtraction, do not include taxes, interest, or other finance charges.

A qualified wood stove or a qualified wood fireplace is a residential wood heater that was manufactured on or after July 1, 1990, or sold at retail on or after July 1, 1992. The residential wood heater must also meet the U.S. Environmental Protection Agency's July 1990 particulate emissions standards.

A qualified gas fired fireplace is any device that burns natural or liquefied petroleum gas as its fuel through a burner system that is permanently installed in the fireplace. The conversion of an existing wood burning fireplace to noncombustible gas logs that are permanently installed in the fireplace also qualifies as a gas fired fireplace.

G. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply.

1. During a year prior to 2013 you were required to repay amounts held under a claim of right.
2. You computed your tax for that prior year under Arizona's claim of right provisions.
3. A net operating loss or capital loss was established due to the repayment made in the prior year.
4. You are entitled to take that net operating loss or capital loss carryover into account when computing your 2013 Arizona taxable income.
5. The amount of the loss carryover allowed to be taken into account for Arizona purposes is more than the amount included in your federal income.

Enter the amount by which the loss carryover allowed for the taxable year under Arizona law is more than the amount included in your federal adjusted gross income.

H. Certain Expenses Not Allowed for Federal Purposes

You may subtract some expenses that you cannot deduct on your federal return when you claim certain federal tax credits. These federal tax credits include the following.

- The federal work opportunity credit
- The empowerment zone employment credit
- The credit for employer-paid social security taxes on employee cash tips
- The Indian employment credit

If you received any of the above federal tax credits for 2013, enter the portion of wages or salaries you paid or incurred during the taxable year equal to the amount of those federal tax credits you received.

I. Qualified State Tuition Program Distributions

If you are a beneficiary of a qualified state tuition program, you may subtract some of the amount distributed from the program for qualified education expenses. Enter the amount of the distribution that you had to include in your federal adjusted gross income. A qualified state tuition program is a program that meets the requirements of IRC § 529.

J. Subtraction for World War II Victims

You may subtract distributions made to you for your persecution or the persecution of your ancestors by Nazi

Germany or any other Axis regime for racial, religious or political reasons. If you are the first recipient of such distributions, enter the amount of the distributions that you had to include in your federal adjusted gross income.

You may also subtract items of income that are attributable to, derived from or related to assets that were stolen or hidden from or lost to you if you were persecuted by Nazi Germany or any other Axis regime for racial, religious or political reasons before, during or immediately after World War II. If you are the first recipient of such income, enter the amount of income that you had to include in your federal adjusted gross income.

K. Installment Sale Income From Another State Taxed by the Other State in a Prior Taxable Year

You may subtract income from an installment sale if **both** of the following apply:

1. The income from the sale is subject to Arizona income tax in 2013; and
2. You paid income tax to another state on that income in a **prior** tax year.

Enter the amount of such income that you included in your Arizona gross income for 2013.

Do not enter any amount that is subject to tax by both Arizona and another state in 2013. In this case, you may be eligible for a tax credit. See AZ Form 309 for details.

L. Agricultural Crops Given to Arizona Charities

Arizona law allows a subtraction for qualified crop gifts made during 2013 to one or more charitable organizations. To take this subtraction, all of the following must apply.

1. You must be engaged in the business of farming or processing agricultural crops.
2. The crop must be grown in Arizona.
3. You made your gift to a charitable organization located in Arizona that is exempt from Arizona income tax.

The subtraction is the larger of the wholesale market price or the most recent sale price for the contributed crop. The amount of the subtraction cannot include any amount deducted pursuant to IRC § 170 with respect to crop contribution that exceeds the cost of producing the contributed crop. To determine if your crop gift qualifies for this subtraction, see the department's Income Tax Procedure *ITP 12-1*.

M. Basis Adjustment for Property Sold or Otherwise Disposed of During the Taxable Year

With respect to property that is sold or otherwise disposed of during the taxable year by a taxpayer who has complied with the requirement to add back all depreciation with respect to that property on tax returns for all taxable years beginning from and after December 31, 1999, enter the amount of depreciation that has been allowed pursuant to IRC § 167(a) to the extent that the amount has not already reduced Arizona taxable income in the current or prior years. (Note: The practical effect of this is to allow a subtraction for the difference in basis for any asset for which bonus depreciation has been claimed on the federal return.)

N. Contributions to 529 College Savings Plans

You may subtract amounts you contribute to 529 college savings plans during the taxable year. You may subtract the amount you contributed during the year up to a total of \$2,000 (\$4,000 for a married couple filing a joint return). If you are married filing separate returns, either you or your

spouse may take the subtraction, or you may divide it between you, but the total subtraction taken by both of you cannot be more than \$4,000.

If you contribute more than \$2,000 (\$4,000 if married) during the year, your total subtraction is still limited to \$2,000 (\$4,000 if married). For example, Jorge and Kate are married and have two children. During 2013, Jorge and Kate contributed \$2,500 to a 529 plan for Child 1 and \$2,500 to a 529 plan for Child 2. Even though Jorge and Kate contributed a total of \$5,000 during 2013, they may subtract only \$4,000 on their 2013 return.

You may take a subtraction for a contribution that you made during 2013, to a plan that existed before 2013. You may take a subtraction for a contribution that you made during 2013, to a plan established in another state. You may take a subtraction for a contribution that you made in 2013, to any 529 college savings plan. This could be a plan established for a child, grandchild, niece, nephew, or any other person for whom a plan has been established.

You cannot take a subtraction for an amount transferred from one college savings plan to a different college savings plan (a rollover).

O. Previously Deferred Discharge of Indebtedness (DOI) Income Adjustment

Generally, when a loan is settled for less than the amount owed, DOI income is realized by the debtor and usually must be included in the debtor's gross income. The amount of DOI income is generally equal to the amount of loan forgiveness. DOI income also occurs when a debtor repurchases his or her own debt at a discount (a price lower than the adjusted basis issue price of the debt instrument). In debt repurchase transactions, the amount of DOI income is generally equal to the difference between the adjusted issue price and the price paid for the debt instrument.

For federal purposes, a taxpayer may have made a special election for taxable years 2009 or 2010 to include DOI income in connection with the reacquisition of a business debt instrument, ratably over a 5 year period. A taxpayer that made this election will generally include this income in federal adjusted gross income beginning with the 2014 taxable year. A taxpayer would have made the federal election under IRC § 108(i) as added by the American Recovery and Reinvestment Act of 2009.

Arizona did not adopt the special federal DOI income deferral provisions for the 2009 or 2010 taxable year. For Arizona purposes, if you made the federal election to defer the inclusion of DOI income under IRC § 108(i), you were required to add the amount of deferred DOI income to Arizona income for the year for which you made the election. If you made the required addition to Arizona income on the Arizona return filed for the year in which you reacquired the debt instrument (2009 or 2010), Arizona will not tax that DOI income twice. In the year in which you include that deferred DOI income in your federal adjusted gross income, you may take a subtraction for the amount included for that year. Usually this subtraction will apply to taxable years 2014 through 2018. However, if you had to accelerate the deferral for federal purposes, this subtraction may apply to a taxable year prior to 2014. On line C29,

enter the amount of previously deferred DOI income that you included in your federal adjusted gross income for the current taxable year to the extent that the amount was previously added to your Arizona income.

P. Original Issue Discount (OID) on Reacquisition of Business Debt Instrument

For federal purposes, when a taxpayer made the special election to defer DOI income under IRC § 108(i), the taxpayer was not allowed to take a deduction with respect to the portion of any OID that accrued with respect to that DOI income, during the income deferral period. In this case, the taxpayer must deduct the aggregate amount of the OID deductions disallowed ratably over a 5 year period, beginning with the period in which the income is includible in federal adjusted gross income.

Arizona did not adopt the federal provisions requiring a taxpayer to defer the OID deduction in cases where the taxpayer federally deferred the DOI income under IRC § 108(i). For Arizona purposes, you were required to add the amount of deferred DOI income to Arizona income on the return filed for the year in which you reacquired the debt instrument. Since Arizona taxed the federally deferred DOI income for 2009 or 2010 on your 2009 or 2010 Arizona return, you may subtract the amount of OID that accrued during the taxable year with respect to that DOI income. On line C29, enter the amount of any OID that was deferred and not allowed to be deducted in computing your federal adjusted gross income for 2013 under IRC § 108(i).

Q. Sole Proprietorship Income of an Arizona Nonprofit Medical Marijuana Dispensary included in Federal Adjusted Gross Income

If you are registered as an Arizona sole proprietorship with the Arizona Department of Health Services to operate in this state as a nonprofit medical marijuana dispensary, you may subtract the amount of the income from the dispensary that is included in the computation of your federal adjusted gross income. Include the amount of the income on line C29.

NOTE: *If the Arizona nonprofit medical marijuana dispensary is registered with the Arizona Department of Health Services as anything other than a sole proprietorship, this subtraction does not apply.*

R. Long-Term Care Insurance Premiums

Beginning 2013, you may subtract the amount of premium costs for long-term care insurance for qualified long-term care services. Qualified long-term care services are necessary diagnostic, preventive, therapeutic, curing, treating, mitigating, rehabilitative services, and maintenance and personal care services

You may take this subtraction only if you are **not** claiming itemized deductions for the taxable year. Include the allowable subtraction on line C29.

An individual, who claims itemized deductions, may **not** take this subtraction.

S. Long-Term Health Care Savings Accounts

Beginning 2013, you may subtract amounts you paid into a long-term health care savings account established under Arizona law. An individual may establish a long-term health care savings account with an account Administrator

who will manage the account. For more information regarding the subtraction for contributions made to a long-term health care savings account, see A.R.S. § 43-1032.

The total amount you may subtract is equal to the amount of your contributions that are included in your federal adjusted gross income. Include the amount of the allowable subtraction on line C29.

Do not include on line C29 any amounts already excluded in the computation of your federal adjusted gross income.

T. Other Adjustments

Other special adjustments may be necessary. Call one of the numbers listed on the back cover if any of the following apply.

- You are a qualified defense contractor that elected to amortize under A.R.S. § 43-1024.
- You sold or disposed of property that was held for the production of income and your basis was computed under the Arizona Income Tax Act of 1954.

Beginning in 2013, a subtraction is allowed for a percentage of any net long-term capital gain included in your federal adjusted gross income that is derived from an investment in an asset acquired after December 31, 2011. For 2013, the percentage is 10% (.10).

Use the worksheet at the end of these instructions, *Worksheet for Net Long-Term Capital Gain Subtraction for Assets Acquired after December 31, 2011*, to determine the allowable subtraction. Keep the worksheet for your records.

If the amount on line 12 is more than \$75,000 (\$150,000 if filing a joint return), you may need to make estimated payments. See "*Do You Need to Make Estimated Payments in 2014?*" instructions on page 4.

Figuring Your Tax

Line 18 - Itemized or Standard Deductions

You must decide whether to take the standard deduction or to itemize your deductions. Your Arizona income tax will be less if you take the larger of your standard deduction or your itemized deductions.

 When you **e-file**, the software completes the math for you.

Your Standard Deduction

If you take the standard deduction, check box 18S.

If your filing status is:	Your standard deduction is:
• Single	\$4,945
• Married filing separately	\$4,945
• Married filing jointly	\$9,883
• Head of household	\$9,883

Your Itemized Deductions

You may claim itemized deductions on your Arizona return even if you take a standard deduction on your federal return. For the most part, you may claim those deductions allowable as itemized deductions under the IRC. In some cases, the amount allowed for some deductions may not be the same as the amount allowable for federal purposes.

You may have to adjust the amounts shown on your completed federal Form 1040, Schedule A. See Form 140 Schedule A, *Itemized Deduction Adjustments* to figure if you have to make any adjustments.

To figure your itemized deductions, you must complete a federal Form 1040, Schedule A. Then, if required, complete Form 140, Schedule A, *Itemized Deduction Adjustments*. If you do not have to complete Form 140, Schedule A, *Itemized Deduction Adjustments*, enter the amount from federal Form 1040, Schedule A, on Form 140, line 18.

NOTE: If you itemize, you must attach a copy of the completed federal Schedule A to your Arizona return. If itemizing, check box 18I.

Line 19 - Personal Exemptions

The amount you may claim as a personal exemption depends on your filing status. If married, the amount you may claim as a personal exemption also depends on whether you or your spouse claim dependents. You may use the following chart below to figure your personal exemption. If married,

you may also use Form 202, *Personal Exemption Allocation Election*, to figure your personal exemption.

Personal Exemption Chart	
If you checked filing status:	Enter:
• Single (Box 7)	\$2,100
• Married filing joint return (Box 4) and claiming no dependents (Box 10)	\$4,200

• Head of household and you are not married (Box 5)	\$4,200
• Head of household and you are a married person who qualifies to file as head of household (Box 5)	\$3,150, or Complete Form 202
• Married filing separate return (Box 6) with neither spouse claiming any dependents (Box 10)	\$2,100, or Complete Form 202
• Married filing separate return (Box 6) with one spouse claiming at least one dependent (Box 10 excluding persons listed on Page 2, line A3a)	\$3,150, or Complete Form 202

A married couple who does not claim any dependents may take one personal exemption of \$4,200. If the husband and wife file separate returns, either spouse may take the entire \$4,200 exemption, or the spouses may divide the \$4,200 between them. You and your spouse must complete Form 202 if either you or your spouse claim a personal exemption of more than \$2,100. If you and your spouse do not complete Form 202, you may take an exemption of only \$2,100 (one-half of the total \$4,200).

A married couple who claims at least one dependent may take one personal exemption of \$6,300. If the husband and wife file separate returns, either spouse may take the entire \$6,300 exemption, or the spouses may divide the \$6,300 between them. You and your spouse must complete Form 202 if either you or your spouse claim a personal exemption of more than \$3,150. If you and your spouse do not complete Form 202, you may take an exemption of only \$3,150 (one-half of the total \$6,300).

If you are a married person who qualifies to file as a head of household, you may take the entire \$6,300 personal exemption or you may divide the exemption with your spouse. You and your spouse must complete Form 202 if either you or your spouse claim a personal exemption of more than \$3,150. If you and your spouse do not complete Form 202 you may take an exemption of only \$3,150 (one-half of the total \$6,300).

The spouse who claims more than one-half of the total personal exemption must attach the original Form 202 to his or her return. The spouse who claims less than one-half of the total personal exemption must attach a copy of the completed Form 202 to his or her return.

Before you mail your return, make a copy of your return. Also make a copy of any schedules that you are sending in with your return. Keep the copies for your records. Be sure that you mail the original and not a copy.

To mail your return, use an envelope that came in your booklet. To avoid delays, if mailing more than one tax return please use separate envelopes for each return.

Where Should I Mail My Return?

If you are sending a **payment with this return**, use the white address label attached to the envelope. If the envelope or label is missing, send the return to:

Arizona Department of Revenue
PO Box 52016
Phoenix, AZ 85072-2016

If you are **expecting a refund, or owe no tax**, or owe tax but are not sending a payment, use the yellow address label attached to the envelope. If the envelope or label is missing, send the return to:

Arizona Department of Revenue
PO Box 52138
Phoenix, AZ 85072-2138

Put enough postage on the envelope

The U.S. Post Office must postmark your return or extension request by midnight April 15, 2014. A postage meter postmark will not qualify as a timely postmark. *Only a postmark from the U.S. Post Office will qualify.* You may also use certain private delivery services designated by the IRS to meet the “timely mailing as timely filed” rule.

How Long To Keep Your Return

You must keep your records as long as they may be needed for the administration of any provision of Arizona tax law. Generally, this means you must keep records that support items shown on your return until the period of limitations for that return runs out.

The period of limitations is the period of time in which you can amend your return to claim a credit or refund or the department can assess additional tax. A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you underreport the income shown on that return by more than 25%. The department can bring an action at any time if a

return is false or fraudulent, or you do not file a return. To find out more about what records you should keep, get federal Publication 552.

Where’s My Refund?

If you e-filed, you can expect your refund within 2 weeks of the date you e-filed. If you filed a paper return, you can expect your refund within 12 weeks of the date you filed. You can check on your refund by visiting www.azdor.gov and clicking on “Where’s my refund?” If you have not received your refund within the noted time frames, you may call one of the numbers listed on page 1 of these instructions. Before you call, be sure to have a copy of your 2013 tax return on hand. You will need to know your SSN, your filing status and your 5-digit zip code.

Contacting the Department

Your tax information on file with the department is confidential. If you want the department to discuss your tax matters with someone other than yourself, you must authorize the department to release confidential information to that person. You may use Form 285 to authorize the department to release confidential information to your appointee. See Form 285 for details.

Instructions for completing the worksheet for the subtraction from Arizona gross income for net long-term capital gain from assets acquired after December 31, 2011.

Purpose of the Worksheet

Beginning in 2013, you may subtract a percentage of any net long-term capital gain included in your federal adjusted gross income that is from an investment in an asset acquired after December 31, 2011.

For purposes of this subtraction, “qualified” means an Arizona asset that was acquired *after* December 31, 2011.

To take the allowable subtraction, you must know whether the capital gain or (loss) is considered short-term or long-term. Only the net long-term capital gain from assets acquired *after* December 31, 2011, is used to compute the allowable subtraction. For more information about determining whether a gain or (loss) is short term or long term, see federal *Publication 544* at www.irs.gov.

Who Should Complete the Worksheet?

You *must* complete this worksheet to take the allowable subtraction if you have a net capital gain included in your federal adjusted gross income and the gain includes assets purchased *after* December 31, 2011.

Do *not* complete this worksheet if either of the following applies.

- You do not have any capital gains to report for the current tax year; or
- You do not have any net capital gain from asset(s) acquired *after* December 31, 2011, to report for the current tax year.

General Instructions

1. Enter your name and social security number as shown on Form 140.
2. Check the box if this worksheet is for an original or an amended return.
3. Keep this worksheet for your records.

Line-by-Line instructions

Columns (a) through (d)

- **Column (a)**, lines 1 through 8, lists the federal forms reported on Schedule D. Line 9 identifies the total capital gain distribution(s) reported on Form(s) 1099-DIV.

- **Column (b)** is the **total** amount of long-term capital gains or (losses) reported on Schedule D or other forms/schedules.
- **Column (c)** is the amount of the long-term capital gains or (losses), included in column (b) for assets acquired *before* January 1, 2012.
- **Column (d)** is the amount of the long-term capital gains or (losses), included in column (b) for assets acquired *after* December 31, 2011.

Lines 1 through 8 - Capital Gains or (Losses) Reported on Federal Schedule D.

Enter the long-term capital gain or (loss) from the federal form listed that was reported on your federal Schedule D and included in the computation of your federal adjusted gross income.

Line 9 - Long-Term Capital Gains or (Losses)

Enter the total capital gain distribution(s) reported on Form(s) 1099-DIV and included in your computation of federal adjusted gross income.

Note: Some taxpayers are not required to file Schedule D to report certain capital gains or (losses). In these cases, the long-term capital gains or (losses) are reported directly on the taxpayer's income tax return. Enter those items on line 9 of the worksheet.

Line 10 - Subtotal

For each column, combine the amounts listed on lines 1 through 9 and enter the total.

Line 11 - Long-Term Capital Loss Carryover

If you used a long-term capital loss carryover from previous tax years to reduce your long-term capital gains for the current taxable year, enter the amount used to apply to gains from assets acquired before January 1, 2012, in columns (b) and (c).

For tax year 2013, there should be no amount entered on line 11, column (d).

Line 12 - Net Long-Term Capital Gain or (Loss)

Subtract line 11 from line 10 and enter the difference in each applicable column.

- If the amount on line 12, column (d) is a negative number, you have a net capital loss. You do not qualify to take the subtraction.
- If the amount on line 12, column (d) is a positive number, you have a net capital gain. Enter the result on Form 140, page 2, line D33.

Also, enter the amount from line 12, column (b) on Form 140, page 2, line D32.
