SUBCHAPTER I

GENERAL PROVISIONS

125.01 Legislative intent. This chapter shall be construed as an enactment of the legislature's support for the 3-tier system for alcohol beverages production, distribution, and sale that, through uniform statewide regulation, provides this state regulatory authority over the production, storage, distribution, transportation, sale, and consumption of alcohol beverages by and to its citizens, for the benefit of the public health and welfare and this state's economic stability. Without the 3-tier system, the effective statewide regulation and collection of state taxes on alcohol beverages sales would be seriously jeopardized. It is further the intent of the legislature that without a specific statutory exception, all sales of alcohol beverages shall occur through the 3-tier system, from manufacturers to wholesalers holding a permit to retailers to consumers. Face-to-face retail sales at licensed premises directly advance the state's interest in preventing alcohol sales to underage or intoxicated persons and the state's interest in efficient and effective collection of tax.

History: 1981 c. 79; 2005 a. 103; 2007 a. 85; 2011 a. 32.

State liquor laws, including licensing requirements, are applicable to liquor establishments owned or operated by either tribe members or non-Indians, and located on Indian reservations. Any license issued counts toward the local quota. 75 Att'y. Gen. 123.

Indian tribes are within the coverage of this chapter; any license issued to a tribe counts toward the local quota. 76 Att'y. Gen. 80.

125.015 Severability. If any provision or clause of this chapter or its application to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this chapter that can be given effect without the invalid provision or application, and to this end the provisions of this chapter are severable.

History: 2007 a. 20.

Interpreting s. 990.001 (11), an unconstitutional clause was found severable. Wisconsin Wine & Spirit Institute v. Ley, 141 Wis. 2d 958, 416 N.W.2d 914 (Ct. App. 1987).

125.035 Civil liability exemption: furnishing alcohol beverages. (1) In this section, “person” has the meaning given in s. 990.01 (26).

(2) A person is immune from civil liability arising out of the act of procuring alcohol beverages for or selling, dispensing or giving away alcohol beverages to another person.

(3) Subsection (2) does not apply if the person procuring, selling, dispensing or giving away alcohol beverages causes their consumption by force or by representing that the beverages contain no alcohol.

(4) (a) In this subsection, “provider” means a person, including a licensee or permittee, who procures alcohol beverages for or sells, dispenses or gives away alcohol beverages to an underage person in violation of s. 125.07 (1) (a).

(b) Subsection (2) does not apply if the provider knew or should have known that the underage person was under the legal drinking age and if the alcohol beverages provided to the underage person were a substantial factor in causing injury to a 3rd party. In determining whether a provider knew or should have known that the underage person was under the legal drinking age, all relevant circumstances surrounding the procuring, selling, dispensing or giving away of the alcohol beverages may be considered, including any circumstance under subds. 1. to 4. In addition, sub. (2) does apply if all of the following occur:

1. The underage person falsely represents that he or she has attained the legal drinking age.

2. The underage person supports the representation with documentation that he or she has attained the legal drinking age.

3. The alcohol beverages are provided in good faith reliance on the underage person’s representation that he or she has attained the legal drinking age.

4. The appearance of the underage person is such that an ordinary and prudent person would believe that he or she had attained the legal drinking age.

(5) Subsection (2) does not apply to civil forfeiture actions for violation of any provision of this chapter or any local ordinance in conformity with any provision of this chapter.

History: 1985 a. 47.

Whether an alleged activity arising out of the act of procuring alcohol is a tort itself, a conspiracy to commit a tort, or aiding and abetting a tort, this section provides immunity. *Greene v. Farnsworth*, 188 Wis. 2d 365, 525 N.W.2d 107 (Ct. App. 1994).

The distinction that this statute draws between providers of alcohol to underage and other drinkers does not violate the constitutional guarantees of equal protection. *Doering v. WEA Ins. Group*, 193 Wis. 2d 118, 532 N.W.2d 432 (1995).

A person who provides alcohol to an underage person, when the alcohol is a substantial factor in causing injury to a third party, is not immune from liability in a suit by that third party solely because that third party, also underage, illegally consumed alcohol. *Miller v. Thomack*, 204 Wis. 2d 242, 555 N.W.2d 130 (Ct. App. 1996), 95–1684.

An individual who provides alcohol to an underage person that is a substantial factor in causing an accident that ultimately injures the individual cannot be a third party under sub. (4) (b) and cannot take advantage of the exception to immunity for providers of alcohol in order to pursue an action against other providers. *Meier v. Champ’s Sport Bar & Grill, Inc.* 2001 WI 20, 241 Wis. 2d 605, 623 N.W.2d 94, 00–0589.

A person who agreed to be a designated driver, freeing a bartender to serve a possibly intoxicated person more alcohol, brought about the acquisition of the alcohol, “procuring” it for purposes of sub. (2), but was immune from liability when he later did not provide a ride and the intoxicated person drove and caused a fatal collision. *Stephenson v. Universal Metrics, Inc.* 2002 WI 30, 251 Wis. 2d 171, 641 N.W.2d 158, 00–1397.

If an injured claimant is a 3rd party to the transaction by which the defendant provided alcohol to an underage person, and the alcohol was a substantial factor in causing the 3rd-party claimant’s injury, the exception to immunity under sub. (4) (b) applies and the defendant may be liable. A 3rd person’s contributory liability for providing alcohol to himself or herself does not affect the immunity determination, although the injured person’s contributory fault may bear upon a defendant’s ultimate liability. *Anderson v. American Family Mutual Insurance Company*, 2003 WI 148, 267 Wis. 2d 121, 671 N.W.2d 651, 02–0980. See also *Mueller v. McMillian Warner Insurance Company*, 2005 WI App 210, 287 Wis. 2d 154, 704 N.W.2d 613, 05–0121. Affirmed on other grounds. 2006 WI 54, 290 Wis. 2d 571, 714 N.W.2d 183, 05–0121.

125.037 Civil liability exemption for municipalities. No municipality, as defined in s. 67.01 (5), or municipal governing body, committee, official or employee is civilly liable for damage to any person or property caused by the consumption of alcohol beverages by that person or any other person, by reason of any of the following:

(1) Issuing a license to sell alcohol beverages.

(2) Allowing the holder of a license or permit to sell, dispense or give away alcohol beverages on property owned or leased by the municipality.

(3) Failing to monitor or supervise the activities of the licensee or permittee.

History: 1985 a. 47; 1989 a. 253.

125.039 Civil liability exemption for retaining proofs of age. No person who holds a license or permit and no employee of such a person is civilly liable for retaining a document presented as proof of age for a reasonable length of time in a good faith effort to determine whether the person who presented the document is an underage person or to notify a law enforcement authority of a suspected violation of s. 125.085 (3) (a) or (b).

History: 1997 a. 27.

A license never should have been issued when a notice of application had not been published as required under s. 125.04 (3) (g), and a license issued without publication is void under s. 125.04 (2). Selling liquor under a void license constitutes a violation of s. 125.66 (1). Under s. 125.12, a renewal licensee, if refused, is guaranteed a right to be heard by the municipality, and the municipality must show cause for refusal, but a new licensee, if refused, has no such guarantee. When an original license is void, the applicant is a new licensee. *Williams v. City of Lake Geneva*, 2002 WI App 95, 253 Wis. 2d 618, 643 N.W.2d 864, 01–1733.

4. If the defendant completes the alcohol abuse treatment program or court-approved alcohol abuse education program, the approved treatment facility or court-approved alcohol abuse education program shall, with the written informed consent of the defendant, notify the agency primarily responsible for providing services to the defendant that the defendant has complied with the order and the court shall notify the defendant of whether or not the penalty will be reinstated. If judgment is entered in favor of the licensee, the court shall award to the licensee damages in the amount of \$1,000 and, notwithstanding s. 814.04 (1), the costs of the action. A licensee may bring an action under this paragraph regardless of whether the underage person has been convicted of, or received a citation for, the violation of par. (1) or (3) related to the same incident, occurrence, or conduct giving rise to the underage person's violation of par. (a), unless the licensee is entitled to a defense under sub. (6). A licensee that asserts a defense under sub. (6) has the burden of proving the defense by a preponderance of the evidence.

5. A licensee may not bring a civil action under this paragraph unless the licensee or the licensee's employee reports to law

enforcement the conduct suspected to be in violation of par. (a) at or near the time that the conduct occurs or is first discovered.

(6) **DEFENSES.** In determining whether or not a licensee or permittee has violated subs. (1) (a) and (3) (a), all relevant circumstances surrounding the presence of the underage person or the procuring, selling, dispensing or giving away of alcohol beverages may be considered, including any circumstance under pars. (a) to (d). In addition, proof of all of the following facts by a seller of alcohol beverages to an underage person is a defense to any prosecution for a violation of this section:

(a) That the purchaser falsely represented that he or she had attained the legal drinking age.

(b) That the appearance of the purchaser was such that an ordinary and prudent person would believe that the purchaser had attained the legal drinking age.

(c) That the sale was made in good faith and in reliance on the representation and appearance of the purchaser in the belief that the purchaser had attained the legal drinking age.

(d) That the underage person supported the representation under par. (a) with documentation that he or she had attained the legal drinking age.

(7) **BOOK KEPT BY LICENSEES AND PERMITTEES.** (a) Every retail alcohol beverage licensee or permittee may keep a book for the purposes of sub. (6). The licensee or permittee or his or her employee may require any of the following persons to sign the book:

1. A person who has shown documentary proof that he or she has attained the legal drinking age, if the person's age is in question.

2. A person who alleges that he or she is the underage person's parent, guardian or spouse and that he or she has attained the legal drinking age, if the licensee or permittee or his or her employee suspects that he or she is not the underage person's parent, guardian or spouse or that he or she has not attained the legal drinking age.

(b) The book may show the date of the purchase of the alcohol beverages, the identification used in making the purchase or the identification used to establish that a person is an underage person's parent, guardian or spouse and has attained the legal drinking age, the address of the purchaser and the purchaser's signature.

A vendor who negligently sells to an underage person may be liable for acts of the intoxicated underage person. *Sorensen v. Jarvis*, 119 Wis. 2d 627, 350 N.W.2d 108 (1984).

A host who negligently furnished alcohol to an underage guest was negligent per se and liable for injuries to a 3rd party arising out of the guest's intoxication. *Koback v. Crook*, 123 Wis. 2d 259, 366 N.W.2d 857 (1985).

Sub. (1) (a) prohibits underage persons, as well as adults, from providing alcoholic beverages to underage persons. *Smith v. Kappel*, 147 Wis. 2d 380, 433 N.W.2d 588 (Ct. App. 1988).

The purpose of sub. (3) is not to avoid the likelihood that a minor who enters a licensed premises will subsequently commit an off-premises assault; a licensee who violates sub. (3) is not negligent per se if such an assault occurs. *Symes v. Milwaukee Mut. Ins. Co.* 178 Wis. 2d 564, 505 N.W.2d 143 (Ct. App. 1993).

Sub. (6) provides two lines of defense: the defendant can produce any factors believed relevant including those listed in pars. (a) to (d) or can produce evidence meeting all four elements of pars. (a) to (d), which if proven constitutes an absolute defense. *City of Oshkosh v. Abitz*, 187 Wis. 2d 202, 522 N.W.2d 258 (Ct. App. 1994).

In order to "knowingly permit" consumption by an underage person under sub. (1) (a) 3., there must be evidence, or a reasonable inference from evidence, that the person knew or should have known that drinking would occur. *Miller v. Thomack*, 204 Wis. 2d 242, 555 N.W.2d 130 (Ct. App. 1996), 95–1684.

An individual who contributes money for the intent of purchasing alcohol knowing that it will be consumed by an underage person "procures" alcohol for the underage person. *Miller v. Thomack*, 210 Wis. 2d 650, 563 N.W.2d 891 (1997), 95–1684.

Underage drinkers are not accompanied by a parent for the purposes of sub. (1) (a) merely because the parent and child are on the same premises. Parents who held a party and told their son not to drink where he could be observed by the other guests and who did not know how much their son drank were neither supervising nor otherwise controlling their son when he was drinking and were thus not accompanying him. *Mueller v. 125.075 Injury or death by providing alcohol beverages to a minor. (1) Any person who procures alcohol beverages for or sells, dispenses or gives away alcohol beverages to a person under 18 years of age in violation of s. 125.07 (1) (a) 1. or 2. may be penalized as provided in sub. (2) if:

(a) The person knew or should have known that the underage person was under the legal drinking age; and

(b) The underage person dies or suffers great bodily harm, as defined in s. 939.22 (14), as a result of consuming the alcohol beverages provided in violation of s. 125.07 (1) (a) 1. or 2.

(1m) In determining under sub. (1) (a) whether a person knew or should have known that the underage person was under the legal drinking age, all relevant circumstances surrounding the procuring, selling, dispensing or giving away of the alcohol beverages may be considered, including any circumstance under pars. (a) to (d). In addition, a person has a defense to criminal liability under sub. (1) if all of the following occur:

(a) The underage person falsely represents that he or she has attained the legal drinking age.

(b) The underage person supports the representation under par. (a) with documentation that he or she has attained the legal drinking age.

(c) The alcohol beverages are provided in good faith reliance on the underage person's representation that he or she has attained the legal drinking age.

(d) The appearance of the underage person is such that an ordinary and prudent person would believe that he or she had attained the legal drinking age.

(2) (a) Whoever violates sub. (1) is guilty of a Class H felony if the underage person suffers great bodily harm, as defined in s. 939.22 (14).

(b) Whoever violates sub. (1) is guilty of a Class G felony if the underage person dies.

History: 1987 a. 335; 1989 a. 253; 1997 a. 283; 2001 a. 109.

The reference in sub. (1) to a single minor or underage person does not preclude its application to a defendant who procures alcohol beverages for a group of persons that the defendant knew or should have known were underage persons. It would be unreasonable to interpret sub. (1) as requiring a personal interaction between the defendant and the victim, or as requiring that the defendant have knowledge that a particular underage person would consume the alcohol procured by the defendant. *State v. Wille*, 2007 WI App 27, 299 Wis. 2d 531, 728 N.W.2d 343, 05–2839.

The court shall set standards for the supervised work program within the budgetary limits established by the county board of supervisors. The supervised work program may provide the person with reasonable compensation reflecting the market value of the work performed or it may consist of uncompensated community service work. Community service work ordered under par. (bd), other than community service work performed under a supervised work program, shall be administered by a public agency or nonprofit charitable organization approved by the court. The court may use any available resources, including any community service work program, in ordering the person to perform community service work under par. (bd).

2. The supervised work program or other community service work shall be of a constructive nature designed to promote the person's rehabilitation, shall be appropriate to the person's age level and physical ability and shall be combined with counseling from a member of the staff of the county department, community agency, public agency or nonprofit charitable organization or other qualified person. History: 1981 c. 79, 158; 1983 a. 74; 1985 a. 218; 1995 a. 77; 2009 a. 302, 395; 2013 a. 106, 215.

This section does not prohibit the consumption of alcohol beverages by bed and breakfast proprietors, their friends, or their personal guests in areas that are off-limits to the public or to renters. 80 Atty. Gen. 218.

125.10 Municipal regulation. (1) **AUTHORIZATION.** Any municipality may enact regulations incorporating any part of this chapter and may prescribe additional regulations for the sale of alcohol beverages, not in conflict with this chapter. The municipality may prescribe forfeitures or license suspension or revocation for violations of any such regulations. Regulations providing forfeitures or license suspension or revocation must be adopted by ordinance. Any municipality may, by ordinance, regulate contests, competitions, or other events for the exhibition, demonstration, judging, tasting, or sampling of homemade wine or fermented malt beverages.

(2) **REGULATION OF UNDERAGE PERSONS.** A municipality or a county may enact an ordinance regulating conduct regulated by s. 125.07 (1) or (4) (a), (b) or (bm), 125.085 (3) (b) or 125.09 (2) only if it strictly conforms to the statutory subsection. A county ordinance enacted under this subsection does not apply within any municipality that has enacted or enacts an ordinance under this subsection.

(3) **ZONING.** Except as provided in ss. 125.05 and 125.68, this chapter does not affect the power of municipalities to enact or enforce zoning regulations.

History: 1981 c. 79, 202; 1983 a. 74 ss. 19, 32; 1985 a. 28 ss. 5, 9; 1987 a. 168; 1989 a. 31, 253; 1991 a. 39; 1993 a. 208; 2007 a. 20; 2011 a. 32, 200; 2013 a. 106.

Chapter 125 contemplates and expressly directs that regulation is to supersede competition in the retail sale of alcohol beverages. The regulatory scheme indicates a legislative intent to make state antitrust law not applicable by authorizing contrary or inconsistent conduct by granting municipalities broad statutory authority to prescribe or orchestrate anticompetitive regulation in the sale and consumption of alcohol if that regulation serves an important public interest. Private parties are eligible for antitrust immunity when they act in concert, in an anticompetitive manner, in direct response to pressure bordering on compulsion from a municipality. *Eichenseer v. Madison-Dane County Tavern League, Inc.* 2008 WI 38, 308 Wis. 2d 684, 748 N.W.2d 154, 05–1063.

A town must renew a license, if the proper application is made and the fees are paid, unless it revokes, suspends, or non-renews the license, following the procedures outlined in s. 125.12. This section does not give towns the authority to unilaterally modify the described premises in an individual license upon renewal of that license. A town must either pass a regulation or an ordinance under this section or it must find grounds for revocation or nonrenewal under s. 125.12. *Wisconsin Dolls, LLC v. Town of Dell Prairie*, 2012 WI 76, 342 Wis. 2d 350, 815 N.W.2d 690, 10–2900.

(2) (a) Whoever violates sub. (1) with the intent to mislead another may be fined not more than \$10,000 or imprisoned for not more than 9 months or both.

(b) Whoever violates sub. (1) to commit, or abet the commission of, a crime is guilty of a Class H felony.

Any license or permit issued to the person under this chapter may be revoked by the court.

(2) **FELONY.** If a person is convicted of a felony under this chapter, in addition to the penalties provided for the felony, the court shall revoke any license or permit issued to the person under this chapter.

History: 1981 c. 79; 1985 a. 120, 302; 1989 a. 253.

(b) 1. In this paragraph, "violation" means a violation of s. 125.07 (1) (a), or a local ordinance that strictly conforms to s. 125.07 (1) (a).

2. No violation may be considered under this section or s. 125.04 (5) (a) 1. unless the licensee or permittee has committed another violation within one year preceding the violation. If a licensee or permittee has committed 2 or more violations within one year, all violations committed within one year of a previous violation may be considered under this section or s. 125.04 (5) (a) 1.

(c) Neither a municipality nor the department may consider an arrest or conviction for a violation punishable under s. 101.123 (8) (d), 945.03 (2m), 945.04 (2m), or 945.05 (1m) in any action to revoke, suspend, or refuse to renew a Class "B" or "Class B" license or permit.

(2) **REVOCATION OR SUSPENSION OF LICENSES BY LOCAL AUTHORITIES.** (ag) *Complaint.* Any resident of a municipality issuing licenses under this chapter may file a sworn written complaint with the clerk of the municipality alleging one or more of the following about a person holding a license issued under this chapter by the municipality:

5m. The person has been convicted of possessing any of the materials listed in s. 961.65 with intent to manufacture methamphetamine under that subsection or under a federal law or a law of another state that is substantially similar to s. 961.65.

6. The person knowingly allows another person, who is on the premises for which the license under this chapter is issued, to possess, with the intent to manufacture, distribute or deliver, or to manufacture, distribute or deliver a controlled substance or controlled substance analog.

6m. The person knowingly allows another person, who is on the premises for which the license under this chapter is issued, to

possess any of the materials listed in s. 961.65 with the intent to manufacture methamphetamine.

Service shall be in the manner provided under ch. 801 for service in civil actions in circuit court.

(b) *Procedure on hearing.* 1. 2. If the licensee appears as required by the summons and denies the complaint, both the complainant and the licensee may produce witnesses, cross-examine witnesses and be represented by counsel. The licensee shall be provided a written transcript of the hearing at his or her expense. If the hearing is held before the municipal governing body and the complaint is found to be true, the license shall either be suspended for not less than 10 days nor more than 90 days or revoked, except that, if a complaint under par. (ag) 4. is found to be true with respect to a license issued under s. 125.51 (4) (v), the license shall be revoked.

3. If the hearing is held before a committee of a city council, the committee shall submit a report to the city council, including findings of fact, conclusions of law and a recommendation as to what action, if any, the city council should take with respect to the license. The committee shall provide the complainant and the licensee with a copy of the report. Either the complainant or the licensee may file an objection to the report and shall have the opportunity to present arguments supporting the objection to the city council. The city council shall determine whether the arguments shall be presented orally or in writing or both. If the city council, after considering the committee's report and any arguments presented by the complainant or the licensee, finds the complaint to be true, or if there is no objection to a report recommending suspension or revocation, the license shall be suspended or revoked as provided under subd. 2.

4. The municipal clerk shall give notice of each suspension or revocation to the person whose license is suspended or revoked.

5. If the municipal governing body finds the complaint untrue, the proceeding shall be dismissed without cost to the accused. If the municipal governing body finds the complaint to be malicious and without probable cause, the costs shall be paid by the complainant. The municipal governing body or the committee may require the complainant to provide security for such costs before issuing the summons under par. (ar).

(c) *Effect of revocation.* When a license is revoked under this subsection, the revocation shall be recorded by the clerk and no other license issued under this chapter may be granted within 12 months of the date of revocation to the person whose license was revoked. No part of the fee paid for any license so revoked may be refunded.

(d) *Judicial review.* The action of any municipal governing body in granting or failing to grant, suspending or revoking any license, or the failure of any municipal governing body to revoke or suspend any license for good cause, may be reviewed by the circuit court for the county in which the application for the license was issued, upon application by any applicant, licensee or resident

of the municipality. The procedure on review shall be the same as in civil actions instituted in the circuit court. The person desiring review shall file pleadings, which shall be served on the municipal governing body in the manner provided in ch. 801 for service in civil actions and a copy of the pleadings shall be served on the applicant or licensee. The municipal governing body, applicant or licensee shall have 20 days to file an answer to the complaint. Following filing of the answer, the matter shall be deemed at issue and hearing may be had within 5 days, upon due notice served upon the opposing party. The hearing shall be before the court without a jury. Subpoenas for witnesses may be issued and their attendance compelled. The decision of the court shall be filed within 10 days after the hearing and a copy of the decision shall be transmitted to each of the parties. The decision shall be binding unless it is appealed to the court of appeals.

(3) **REFUSALS BY LOCAL AUTHORITIES TO RENEW LICENSES.** A municipality issuing licenses under this chapter may refuse to renew a license for the causes provided in sub. (2) (ag). The notice shall state the reasons for the intended action. The hearing shall be conducted as provided in sub. (2) (b) and judicial review shall be as provided in sub. (2) (d). If the hearing is held before a committee of a city council, the committee shall make a report and recommendation as provided under sub. (2) (b) 3. and the city council shall follow the procedure specified under that subdivision in making its determination.

(3m) **REFUSALS BY LOCAL AUTHORITIES TO ISSUE LICENSES.** If a municipal governing body or duly authorized committee of a city council decides not to issue a new license under this chapter, it shall notify the applicant for the new license of the decision not to issue the license. The notice shall be in writing and state the reasons for the decision.

(4) **SUSPENSION OR REVOCATION OF LICENSES ON COMPLAINT OF THE DEPARTMENT.** (ag) *Complaint.* A duly authorized employee of the department may file a complaint with the clerk of circuit court for the jurisdiction in which the premises of a person holding a license issued under this chapter is situated, alleging one or more of the following about a licensee:

to manufacture, distribute or deliver a controlled substance or controlled substance analog.

The summons and a copy of the complaint shall be served at least 20 days before the date on which the person is commanded to appear. Service shall be in the manner provided in ch. 801 for civil actions in circuit court.

(b) *Procedure on hearing.* If the licensee does not appear as required by the summons, the allegations of the complaint shall be taken as true and if the court finds the allegations sufficient, it shall order the license either suspended for not more than 90 days or revoked, except that, for allegations under par. (ag) 6. with respect to a license issued under s. 125.51 (4) (v), it shall order the license revoked. The clerk of the court shall give notice of the suspension or revocation to the person whose license is suspended or revoked. If the licensee appears and answers the complaint, the court shall fix a date for the hearing not more than 30 days after the return date of the summons. (ag) 6. to be true with respect to a license issued under s. 125.51 (4) (v), the court shall order that license revoked. If the court finds the allegations of the complaint to be untrue, the complaint shall be dismissed.

(c) *Effect of revocation or suspension.* When a license is revoked or suspended under this subsection, the clerk of court shall notify the authority which issued the license. If the license is revoked, no other license may be issued under this chapter to the person whose license was revoked or to any person related to him or her as owner, lessor, bailor or lender, within the 12 months after the date of revocation and no other license may be granted for the premises covered by the revoked license within 60 days of the date of revocation. The findings and order of the court shall be filed within 10 days after the hearing and the order shall be final unless appeal is taken to the court of appeals. If an appeal is taken from a revocation, any period during which the order is stayed shall be added to the 12 months and 60 days, respectively. No part of the fee paid for any license which is revoked may be refunded. Whenever any court has revoked or suspended any license under this subsection, no further proceedings shall be commenced under this subsection except upon grounds arising after the original revocation or suspension.

(5) **REVOCATIONS OR SUSPENSIONS OF, OR REFUSALS TO RENEW, PERMITS BY THE DEPARTMENT.** The department may, after notice and an opportunity for hearing, revoke, suspend or refuse to renew any retail permit issued by it for the causes provided in sub. (b), the department may elect to file a complaint in circuit court under sub. (4) that includes all allegations of the complaint under par. (a) for which the department determines there is cause to find that a violation of s. 125.54 (7) (a) has occurred. If the department files a complaint in circuit court as provided under this paragraph, the department shall not conduct a hearing under par. (cm) or make a written decision under par. (c), but shall proceed with the matter as provided under sub. (4).

(e) If the department finds the allegations under par. (a) true and sufficient, the department shall either suspend for not less than 10 days nor more than 90 days or revoke the wholesaler's permit, and give notice of the suspension or revocation to the wholesaler.

(f) A revocation or suspension proceeding under this subsection is a contested case under ch. 227, except that ss. 227.44 to 227.50 apply to a proceeding under this subsection only if a request for an evidentiary hearing is made under par. (b).

Due process and equal protection rights of licensees are discussed. *Tavern League of Wisconsin v. City of Madison*, 131 Wis. 2d 477, 389 N.W.2d 54 (Ct. App. 1986).

A license never should have been issued when a notice of application had not been published as required under s. 125.04 (3) (g), and a license issued without publication is void under s. 125.04 (2). Selling liquor under a void license constitutes a violation of s. 125.66 (1). Under s. 125.12, a renewal licensee, if refused, is guaranteed a right to be heard by the municipality, and the municipality must show cause for refusal, but a new licensee, if refused, has no such guarantee. When an original license is void, the applicant is a new licensee. *Williams v. City of Lake Geneva*, 2002 WI App 95, 253 Wis. 2d 618, 643 N.W.2d 864, 01–1733.

Notices sent by the city did not violate the requirement in sub. (3) that the “council shall notify the licensee in writing of the municipality’s intention not to renew the license” because they stated that “there is a possibility that your application may be denied.” As the matter cannot be affirmatively decided before the hearing, it is of course only a possibility that the applicant’s license will not be renewed at the time the notice is sent. *Questions, Inc. v. City of Milwaukee*, 2011 WI App 126, 336 Wis. 2d 654, 807 N.W.2d 131, 10–0707.

A town must renew a license, if the proper application is made and the fees are paid, unless it revokes, suspends, or non-renews the license, following the procedures outlined in this section. Section 125.10 (1) does not give towns the authority to unilaterally modify the described premises in an individual license upon renewal of that license. A town must either pass a regulation or an ordinance under s. 125.10 or it must find grounds for revocation or nonrenewal under this section. *Wisconsin Dolls, LLC v. Town of Dell Prairie*, 2012 WI 76, 342 Wis. 2d 350, 815 N.W.2d 690, 10–2900.

Acting upon a citizen complaint to revoke a liquor license that was not sworn, as required under sub. (2) (ag), constituted a fundamental error that deprived the licensing committee of jurisdiction over the matter. *Park 6 LLC v. City of Racine*, 2012 WI App 123, 344 Wis. 2d 661, 824 N.W.2d 903, 11–2282.

Certiorari is the correct standard of review for a court to apply when, pursuant to sub. (2) (d), it reviews a municipal decision not to renew an alcohol license. *Nowell v. City of Wausau*, 2013 WI 88, 351 Wis. 2d 1, 838 N.W.2d 852, 11–1045.

Sub. (2) (a) 2.’s prohibition of operating a disorderly house was not unconstitutionally vague as applied in this case. The statute’s legislative purpose concerns the health and safety of the public and its enforcement is aimed at public health. There was no doubt that the conduct cited in this case was disorderly, riotous, indecent, or improper. Such behavior falls squarely within the ambit of the statute, particularly given the public health and safety concerns involved. *Scott Hegwood v. City of Eau Claire*, 679 F.3d 600 (2012).

125.13 Report of suspension, revocation or imposition of penalty. Whenever a municipal governing body or court revokes or suspends a license or permit or imposes a penalty on a licensee or permittee for the violation of this chapter, the clerk of the municipality or court revoking or suspending the license or imposing the penalty shall, within 10 days after the revocation, suspension or imposition of penalty, mail a report to the department at Madison, Wisconsin, giving the name of the licensee, the address of the licensed premises and a full description of the penalty imposed.

(a) *Contraband.* All alcohol beverages owned, possessed, kept, stored, manufactured, sold, distributed or transported in violation of this chapter or ch. 139 and all personal property used in connection therewith is unlawful property and may be seized by any peace officer. Any peace officer confiscating personal property under this section may proceed under this section.

(c) *Identification.* Any person seizing alcohol beverages or personal property and electing to dispose of it under this subsection shall exercise reasonable diligence to ascertain the name and address of the owner of the alcohol beverages or property and of all persons holding a security interest in the property seized. The person shall report his or her findings in writing to the department.

(d) *Order.* Upon conviction of any person for owning, possessing, keeping, storing, manufacturing, selling, distributing or transporting alcohol beverages in violation of this chapter or ch. 139, the court shall order part or all of the alcohol beverages or personal property seized to be destroyed if it is unfit for sale. Alcohol beverages and other personal property fit for sale shall be turned over to the department for disposition. Upon receipt of the confiscated property, the department shall exercise reasonable diligence to ascertain the names and addresses of all owners of the property and of all persons holding a security interest in the property. If a motor vehicle is confiscated, the department shall obtain the written advice of the department of transportation as to the

ownership of the motor vehicle and shall make a reasonable search for perfected security interests in the vehicle.

(e) *Disposal.* The department shall dispose of the alcohol beverages turned over to it by the court by either giving it to law enforcement agencies free of charge for use in criminal investigations, selling it to the highest bidder if the bidder is a person holding a license or permit issued under this chapter, or destroying it, at the discretion of the department. If the department elects to sell the alcohol beverages, it shall publish a class 2 notice under ch. 985 asking for sealed bids from qualified bidders. Any items or groups of items in the inventory subject to a security interest, the existence of which was established in the proceedings for conviction as being bona fide and as having been created without the secured party having notice that the items were being used or were to be used in connection with the violation, shall be sold separately. The net proceeds from the sale, less all costs of seizure, storage, and sale, shall be turned over to the secretary of administration and credited to the common school fund.

(f) *Sale.* Any personal property, other than alcohol beverages, seized under par. (a) and fit for sale, shall be turned over by the department to the department of administration for disposal at public auction to the highest bidder, at a time and place stated in a notice of sale which describes the property to be sold. The sale shall be held in a conveniently accessible place in the county where the property was confiscated. A copy of the notice shall be published as a class 2 notice under ch. 985. The last insertion shall be at least 10 days before the sale. The department of revenue shall serve a copy of the notice of sale at least 2 weeks before the date thereof on all persons who are or may be owners or holders of security interests in the property. Any confiscated property worth more than \$100 shall be sold separately, and the balance of the confiscated property shall be sold in bulk or separately at the discretion of the department of administration. The net proceeds from the sale, less all costs of seizure, storage, and sale, shall be turned over to the secretary of administration. No motor vehicle or motorboat confiscated under this section may be sold within 30 days after the date of seizure.

(3) RECOVERY OF CONFISCATED PROPERTY. (a) *Application.* Prior to sale under sub. (2) (f), the owner of confiscated property may apply to a court of record in the county where the property was seized for an order restoring the property to the owner. After the sale, the owner may apply to the court for a refund of the amount realized on the sale. After the sale, any holder of a security interest in the property may apply to the court for a refund of the sum realized on the sale of property subject to the security interest, but not more than the amount due under the security agreement.

(b) *Deadline.* The application shall be made within one year after the sale of the property. A copy of the application and the order setting a hearing on it shall be served on the department at least 20 days before the date set for hearing.

(c) *Grounds.* Relief shall be granted only after a showing by the applicant that he or she is the true owner or holder of a bona fide security interest in the property seized; that the violation which led to the confiscation was not with his or her knowledge, consent or connivance; and, that he or she had no reasonable grounds to believe or suspect that the property would be used in a violation.

(d) *Costs.* The court may determine whether the applicant shall pay the costs of seizure and sale as a condition of obtaining relief. Allowance of costs and disbursements shall be within the discretion of the court.

(5) NUISANCES. Any building or place where alcohol beverages or alcohol is sold, possessed, stored, brewed, bottled, manufactured or rectified without a valid permit or license issued under this chapter or ch. 139, or where persons are permitted to drink alcohol beverages in violation of this chapter is a public nuisance and may be closed until the activity in violation of this chapter is abated. When the activity is abated, the building or place may be used for any lawful purpose.

(6) **PROCEDURE.** (a) *Form of complaint.* In a prosecution for a violation of a statute relating to the sale of alcohol beverages it is not necessary to allege in the complaint, information or indictment the kind or quantity of alcohol beverages sold or the person to whom it was sold. It is sufficient to allege generally that the defendant sold alcohol beverages at a time and place mentioned, together with a brief statement of the facts showing that the sale was a violation of this chapter.

(b) *Discovery.* In a prosecution for a violation of this chapter that may result in the imposition of a forfeiture, neither party is entitled to pretrial discovery, except that, if the defendant moves within 30 days after the initial appearance in person or by an attorney and shows cause therefor, the court may order that the defendant be allowed to inspect documents, including lists of names and addresses of witnesses, if available, and to test under s. 804.09, under such conditions as the court prescribes, any devices used by the plaintiff to determine whether a violation has been committed.

This subsection does not authorize the Heritage Hill state park to sell fermented malt beverages at retail or to procure or stock fermented malt beverages for purposes of retail sale. This subsection does not apply if, at any time, the Heritage Hill state park holds a Class "B" license.

The fee for a license for less than 12 months shall be prorated according to the number of months or fraction thereof for which the license is issued.

(5) Class "B" licenses may be issued at any time for a period of 6 months in any calendar year, for which 50% of the license fee shall be paid. Such licenses are not renewable during the calendar year in which issued.

The amount of the fee for the license shall be determined by the municipal governing body issuing the license but may not exceed \$10. An official or body authorized by a municipal governing body to issue temporary Class "B" licenses may, upon issuance of any temporary Class "B" license, authorize the licensee to permit underage persons to be on the premises for which the license is issued. A municipality has authority to limit the area of the premises when it grants a license. Here, the town chose to license the entire 8 acres of a resort as the premises for the sale, and also the consumption, of fermented malt beverages and intoxicating liquor. The town made that choice. The license was not void due to an insufficient description of the premises. *Wisconsin Dolls, LLC v. Town of Dell Prairie*, 2012 WI 76, 342 Wis. 2d 350, 815 N.W.2d 690, 10–2900.

(7m) CONDITIONAL PURCHASES. No Class “A” or Class “B” licensee may condition the purchase of fermented malt beverages from a brewer, brewpub, or wholesaler upon the furnishing by the brewer, brewpub, or wholesaler of any thing of value, other than the products purchased, to the licensee or to any person for the use, benefit, or relief of the licensee.

(8) **EXCLUSIVE SALES BY WHOLESALER.** A wholesaler may not sell or offer to sell a brand of fermented malt beverages exclusively to one Class “A” licensee or to a group of Class “A” licensees affiliated through common ownership, management or control, unless the brand of fermented malt beverages is produced by a brewer that produces less than 300,000 barrels of fermented malt beverages in a calendar year or by a brewpub.

Any person who violates this subsection may be fined not more than \$10,000 or imprisoned for not more than 9 months or both.

(10) **COMPENSATION FOR TERMINATION OF WHOLESALER DISTRIBUTION RIGHTS.** (a) In this subsection:

1. “Brand” means any word, name, group of letters, symbols, or combination thereof, including the name of the brewer or brewpub if the brewer’s or brewpub’s name is also a significant part of the product name, adopted and used by a brewer or brewpub to identify a specific fermented malt beverage product and to distinguish that product from other fermented malt beverages produced by that brewer or brewpub or other brewers or brewpubs.

2. “Discontinued brand” means, with respect to a terminated wholesaler, any brand of fermented malt beverages for which a brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit has terminated, cancelled, or failed to renew an agreement, whether oral or written, with the wholesaler to supply that brand.

3. “Successor wholesaler” means any wholesaler who enters into an agreement, whether oral or written, to obtain a supply of a brand of fermented malt beverages that is a discontinued brand, or otherwise acquires the right to act as a wholesaler for a discontinued brand, from a brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit for purposes of selling the discontinued brand in a specifically defined territory, if the discontinued brand was sold by a terminated wholesaler in any portion of this same territory at a time immediately before the brand of fermented malt beverages became a discontinued brand.

4. “Terminated wholesaler” means a wholesaler with whom a brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit has terminated, cancelled, or failed to renew an agreement, whether oral or written, to supply a brand of fermented malt beverages to that wholesaler.

(b) Except as provided in par. (c) and subject to pars. (d) and (e), a successor wholesaler shall compensate a terminated wholesaler for the fair market value of the terminated wholesaler’s distribution rights to any discontinued brand of fermented malt beverages assumed by the successor wholesaler for the same territory, less any amount paid to the terminated wholesaler by the brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit for the discontinued brand. If the terminated wholesaler’s distribution rights to any discontinued brand of fermented malt beverages are divided among 2 or more successor wholesalers, each successor wholesaler shall compensate the terminated wholesaler for the fair market value of the distribution rights to any discontinued brand of fermented malt beverages assumed by that successor wholesaler for the applicable part of the same territory, less any amount paid to the terminated wholesaler by the brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit for the discontinued brand. A terminated wholesaler may not receive under this paragraph total compensation from the successor wholesaler and brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit that exceeds the fair market value of the terminated wholesaler’s distribution rights specified under this paragraph.

(c) A successor wholesaler is not required to compensate a terminated wholesaler under par. (b) if the terminated wholesaler’s agreement was terminated, cancelled, or not renewed for any of the following reasons:

1. The wholesaler or a principal of the wholesaler engaged in material fraudulent conduct or made substantial misrepresentations in its dealings with the brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit or with others regarding any brand of the brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit.

2. The wholesaler or a principal of the wholesaler was convicted of, or pleaded no contest to, a felony crime.

3. The wholesaler or a principal of the wholesaler knowingly distributed any brand of the brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit outside the territory authorized by the brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit for distribution of the brand.

4. The wholesaler or a principal of the wholesaler became insolvent or instituted bankruptcy proceedings, dissolved or liquidated the wholesaler’s business, or assigned or attempted to assign the assets of the wholesaler’s business for the benefit of creditors.

(d) If a terminated wholesaler and a successor wholesaler agree to the fair market value of the terminated wholesaler’s distribution rights to any discontinued brand of fermented malt beverages assumed by the successor wholesaler for the same territory, the successor wholesaler shall pay the agreed upon sum to the terminated wholesaler within 30 days of the date on which the parties reach the agreement. If the parties cannot agree on the compensation due to the terminated wholesaler, upon written demand of either party, the parties shall submit their dispute for binding arbitration, subject to ch. 788, under the commercial arbitration rules of the American Arbitration Association if possible or, if not possible, by a nationally recognized arbitration association. The arbitration shall be conducted on an expedited basis to the extent an expedited proceeding is available. The arbitration shall commence within 90 days after the successor wholesaler obtains rights to receive a supply of a brand of fermented malt beverages, that is a discontinued brand of fermented malt beverages, of the terminated wholesaler, unless this time period is extended by mutual agreement of the parties or by the arbitrator. If the arbitrator awards compensation to the terminated wholesaler under this paragraph, the successor wholesaler shall pay the awarded compensation to the terminated wholesaler within 30 days of the date of the arbitrator’s decision. The terminated wholesaler and the successor wholesaler shall each pay an equal share of the costs of arbitration.

(e) This subsection does not apply if the terminated wholesaler is a dealer, as defined in s. 135.02 (2), whose business relationship as to any discontinued brand constitutes a dealership, as defined in s. 135.02 (3) (a), as determined by a court of competent jurisdiction. Any arbitration proceeding under par. (d) shall be stayed pending this determination.

(11) **SOURCE OF FERMENTED MALT BEVERAGES.** (a) Subject to s. 125.34 (3), no wholesaler authorized to make retail sales under s. 125.28 (1) (e) may sell a brand of fermented malt beverages to a retail licensee unless the wholesaler has an agreement for general wholesale distribution of that brand of fermented malt beverages with the brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit supplying that brand.

(b) If a wholesaler violates par. (a), any other wholesaler aggrieved by such violation or the brewer or brewpub may bring an action against such wholesaler in any court of competent jurisdiction for damages sustained by the aggrieved wholesaler or the brewer or brewpub as a consequence of the violation, together with the actual costs of the action. Notwithstanding s. 814.04 (1), a wholesaler or the brewer or brewpub who prevails in an action

under this paragraph may recover reasonable actual attorney fees incurred in the action.

(12) PROVIDING TASTE SAMPLES ON CLASS “A” PREMISES. Notwithstanding s. 125.34 (6), with the consent of the Class “A” licensee, a brewer may provide, free of charge, on Class “A” premises, taste samples of fermented malt beverages to any person who has attained the legal drinking age for consumption on the premises during hours in which the Class “A” licensee is authorized under s. 125.25 (1) to provide taste samples or, if more restrictive, only during hours established by ordinance by a municipality under s. 125.32 (3) (d). The provision of taste samples under this subsection shall be subject to the same limitations that apply to taste samples provided by a Class “A” licensee under s. 125.25 (1). No brewer may provide as taste samples under this subsection any fermented malt beverages that the brewer did not purchase from the Class “A” licensee on whose premises the taste samples are provided. A brewer may provide taste samples under this subsection through an individual representing the brewer who is hired by the brewer and who is not employed by or an agent of a wholesaler. All provisions of this subsection that apply to a brewer apply equally to any individual representing a brewer.

(13) WHOLESALERS’ SOURCE OF SUPPLY. No wholesaler may purchase fermented malt beverages for resale unless the wholesaler purchases them either from the primary source of supply for the brand of fermented malt beverages sought to be sold or from a wholesaler within this state that holds a permit issued under s. 125.28. No wholesaler may sell fermented malt beverages purchased by the wholesaler to any other licensee or permittee under this chapter if the fermented malt beverages have not been purchased by the wholesaler from the primary source of supply or from a wholesaler within the state holding a permit issued under s. 125.28.

125.34 Distribution restrictions on wholesalers, brewers, brewpubs, and out-of-state shippers. (1) In this section:

(a) “Brand” means any word, name, group of letters, symbol, or combination thereof, including the name of the brewer, brewpub, or out-of-state shipper if the brewer’s, brewpub’s, or out-of-state shipper’s name is also a significant part of the product name, adopted and used by a brewer, brewpub, or out-of-state shipper to identify a specific fermented malt beverage product and to distinguish that product from other fermented malt beverages produced by that brewer, brewpub, or out-of-state shipper or other brewers, brewpubs, or out-of-state shippers.

(b) “Brewer” means a permittee under s. 125.29.

(c) “Designated sales territory” means the geographical area identified in a written agreement between a wholesaler and a brewer, brewpub, or out-of-state shipper under which the wholesaler is authorized to distribute one or more brands of fermented malt beverages supplied by the brewer, brewpub, or out-of-state shipper.

(d) “Out-of-state shipper” means a permittee under s. 125.30.

(e) “Retailer” means any person holding a Class “A” license or a Class “B” license or permit.

(f) “Retail premises” means the premises described in a Class “A” license or a Class “B” license or permit.

(g) “Wholesaler” means a permittee under s. 125.28.

(2) Except as provided in ss. 125.29 (3m) (b) and (c), 125.295 (1) (e) and (g), and 125.30 (4), no fermented malt beverages may be sold, transported, or delivered to a retailer unless, prior to such

sale, transport, or delivery, the fermented malt beverages are first unloaded at, physically at rest at, and only then distributed from a wholesaler’s warehouse premises covered by both a wholesaler’s permit issued under s. 125.28 and an alcohol beverage warehouse permit issued under s. 125.19, which premises shall be in this state. This subsection does not apply to a wholesaler issued a wholesaler’s permit under s. 125.28 (1) (b) with respect to fermented malt beverages transported and delivered from a warehouse in an adjoining state unless the wholesaler’s warehouse in the adjoining state is located on premises in the adjoining state used for the manufacture of fermented malt beverages.

(3) (a) 1. A wholesaler may not sell, transport, or deliver any brand of fermented malt beverages unless the wholesaler has entered into a written agreement with the brewer, brewpub, or out-of-state shipper supplying the brand that grants to the wholesaler distribution rights for the brand and identifies the designated sales territory for which such distribution rights are granted, including the precise geographical area comprising the designated sales territory.

2. A brewer, brewpub, or out-of-state shipper may not, in any agreement under this paragraph, grant to more than one wholesaler distribution rights for the same brand in the same designated sales territory or in any part of the same designated sales territory.

(b) Within a wholesaler’s designated sales territory for any brand of fermented malt beverages, the wholesaler may not refuse to sell the brand of fermented malt beverages, or refuse to offer reasonable service related to the sale of the brand of fermented malt beverages, to any retailer.

(4) No wholesaler may sell, transport, or deliver, or cause to be sold, transported, or delivered, any brand of fermented malt beverages to any of the following:

(a) Any retailer located outside the wholesaler’s designated sales territory for the brand. This paragraph does not apply if another wholesaler that has been granted distribution rights for the brand in the designated sales territory where the sale, transportation, or delivery occurs is unable to service this designated sales territory and the brewer, brewpub, or out-of-state shipper granting distribution rights has, notwithstanding sub. (3) (a), given consent for the sale, transportation, or delivery, which consent shall be limited to the time period that another wholesaler is unable to service this designated sales territory.

(b) Any person, other than another wholesaler, that the wholesaler knows or should know will transport the product for resale in a designated sales territory for which another wholesaler has been granted distribution rights for the brand.

(5) Except as provided in ss. 125.29 (3m) (b) and (c), 125.295 (1) (e) and (g), and 125.30 (4), deliveries of fermented malt beverages to retailers may be made only by wholesalers and shall be made to retailers only at their retail premises. No retailer may transport fermented malt beverages from one retail premises to another retail premises for purposes of selling the fermented malt beverages at the other retail premises unless both retail premises are operated by a brewpub holding the retail licenses.

(6) Except as provided in ss. 125.29 (3), (3m) (b) and (c) and 125.30 (4), a brewer or out-of-state shipper may sell, transport, and deliver fermented malt beverages only to a wholesaler.

SUBCHAPTER III

INTOXICATING LIQUOR

125.51 Retail licenses and permits. (1) MUNICIPAL AUTHORITY TO ISSUE. (a) Every municipal governing body may grant and issue “Class A” and “Class B” licenses for retail sales of intoxicating liquor, and “Class C” licenses for retail sales of wine, from premises within the municipality to persons entitled to a license under this chapter as the issuing municipal governing body deems proper and may authorize an official or body of the

municipality to issue temporary “Class B” licenses under sub. (10). No “Class B” license may be issued to a winery under sub. (3) (am) unless the winery has been issued a permit under s. 125.53 and the winery is capable of producing at least 5,000 gallons of wine per year in no more than 2 locations.

(b) No member of the municipal governing body may hold a permit under s. 125.54 or, with respect to the issuance or denial of licenses under this section, do any act in violation of s. 19.59 (1).

(c) 1. Except as provided in subd. 2., the municipal governing body, or the duly authorized committee of a city council, shall meet not later than May 15 annually, and be in session from day to day thereafter so long as may be necessary, for the purpose of acting upon license applications filed with it on or before April 15. The governing body or committee shall grant, issue or deny each application not later than June 15 for the ensuing license year. Licenses may be granted for issuance at a later date when the applicant has complied with all requirements for the issuance of the license. The governing body or committee may accept and act upon any application filed at any other time. The governing body or committee may not deny an application for renewal of an existing license unless a statement of the reason for the denial is included in its clerk’s minutes.

2. The governing body of a 1st class city shall establish and publish notice of the dates on which it, or its duly authorized committee, will meet and act on license applications.

(2) RETAIL “CLASS A” LICENSE. (a) A “Class A” license authorizes the retail sale of intoxicating liquor for consumption off the premises where sold and in original packages and containers.

(b) Except as provided under s. 125.69, “Class A” licenses may be issued to any person qualified under s. 125.04 (5), except a person acting as an agent for or in the employ of another.

(c) “Class A” licenses shall particularly describe the premises for which issued and are not transferable, except as provided in s. 125.04 (12).

(d) The annual fee for a “Class A” license shall be determined by the municipal governing body and shall be the same for all “Class A” licenses, except that the minimum fee is \$50 and the maximum fee is \$500.

(3) RETAIL “CLASS B” LICENSE. (a) A “Class B” license authorizes the retail sale of intoxicating liquor for consumption on the premises where sold by the glass and not in the original package or container. In addition, wine may be sold in the original package or container in any quantity to be consumed off the premises where sold. This paragraph does not apply in municipalities in which the governing body elects to come under par. (b) or to a winery that has been issued a “Class B” license. Paragraph (am) applies to all wineries that have been issued a “Class B” license.

(am) A “Class B” license issued to a winery authorizes the sale of wine to be consumed by the glass or in opened containers only on the premises where sold and also authorizes the sale of wine in the original package or container to be consumed off the premises where sold, but does not authorize the sale of fermented malt beverages or any intoxicating liquor other than wine.

(b) In all municipalities electing by ordinance to come under this paragraph, a retail “Class B” license authorizes the sale of intoxicating liquor to be consumed by the glass only on the premises where sold and also authorizes the sale of intoxicating liquor in the original package or container, in multiples not to exceed 4 liters at any one time, and to be consumed off the premises where sold. Wine, however, may be sold for consumption off the premises in the original package or otherwise in any quantity. This paragraph does not apply to a winery that has been issued a “Class B” license. Paragraph (am) applies to all wineries that have been issued a “Class B” license.

(bm) Notwithstanding pars. (a) and (b) and s. 125.04 (3) (a) 3. and (9), a “Class B” license authorizes a person operating a hotel to furnish a registered guest who has attained the legal drinking age with a selection of intoxicating liquor in the guest’s room which is not part of the “Class B” premises. Intoxicating liquor

furnished under this paragraph shall be furnished in original packages or containers and stored in a cabinet, refrigerator or other secure storage place. The cabinet, refrigerator or other secure storage place must be capable of being locked. The cabinet, refrigerator or other secure storage place shall be locked, or the intoxicating liquor shall be removed from the room, when the room is not occupied and when intoxicating liquor is not being furnished under this paragraph. A key for the lock shall be supplied to a guest who has attained the legal drinking age upon request at registration. The hotel shall prominently display a price list of the intoxicating liquor in the hotel room. Intoxicating liquor may be furnished at the time the guest occupies the room, but for purposes of this chapter, the sale of intoxicating liquor furnished under this paragraph is considered to occur at the time and place that the guest pays for the intoxicating liquor. Notwithstanding s. 125.68 (4) (c), the guest may pay for the intoxicating liquor at any time if he or she pays in conjunction with checking out of the hotel. An individual who stocks or accepts payment for alcohol beverages under this paragraph shall be the licensee, the agent named in the license if the licensee is a corporation or limited liability company or the holder of a manager’s or operator’s license or be supervised by one of those individuals.

(bs) 1. In this paragraph:

a. “Coliseum” means a multipurpose facility designed principally for sports events, with a capacity of 18,000 or more persons.

b. “Concessionaire” means a person designated by the owner or operator of a coliseum to operate premises in the coliseum and to provide intoxicating liquor to holders of coliseum suites.

2. Notwithstanding pars. (a) and (b) and s. 125.04 (3) (a) 3. and (9), a “Class B” license authorizes a person operating a coliseum to furnish the holder of a coliseum suite who has attained the legal drinking age with a selection of intoxicating liquor in the coliseum suite that is not part of the “Class B” premises. Intoxicating liquor furnished under this subdivision shall be furnished in original packages or containers and stored in a cabinet, refrigerator or other secure storage place. The cabinet, refrigerator or other secure storage place or the coliseum suite must be capable of being locked. The cabinet, refrigerator or other secure storage place or the coliseum suite shall be locked, or the intoxicating liquor shall be removed from the coliseum suite, when the coliseum suite is not occupied and when intoxicating liquor is not being furnished under this subdivision. Intoxicating liquor may be furnished at the time the holder of the coliseum suite occupies the coliseum suite, but for purposes of this chapter, the sale of intoxicating liquor furnished under this subdivision is considered to occur at the time and place that the holder pays for the intoxicating liquor. Notwithstanding s. 125.68 (4) (c), the holder of a coliseum suite may pay for the intoxicating liquor at any time if he or she pays in accordance with an agreement with the person operating the coliseum or with the concessionaire. An individual who stocks or accepts payment for alcohol beverages under this subdivision shall be the licensee, the agent named in the license if the licensee is a corporation or limited liability company or the holder of a manager’s or operator’s license or be supervised by one of those individuals.

(bu) Notwithstanding ss. 125.04 (3) (a) 3. and (9) and 125.09 (1), in addition to the authorization specified in sub. (1) (a) and in sub. (3) (a) or (b), a “Class B” license issued under sub. (1) to a caterer also authorizes the caterer to provide intoxicating liquor, including its retail sale, at the National Railroad Museum in Green Bay during special events held at this museum. Notwithstanding subs. (1) (a) and (3) (a) and (b), a caterer may provide intoxicating liquor under this paragraph at any location at the National Railroad Museum even though the National Railroad Museum is not part of the caterer’s licensed premises, as described under par. (d) in the caterer’s “Class B” license, and even if the National Railroad Museum is not located within the municipality that issued the caterer’s “Class B” license. A caterer that provides intoxicating liquor under this paragraph is subject to s. 125.68 (2) as if the intoxicating liquor were provided on the caterer’s “Class B” licensed premises. This paragraph does not authorize the National

Railroad Museum to sell intoxicating liquor at retail or to procure or stock intoxicating liquor for purposes of retail sale. This paragraph does not apply if, at any time, the National Railroad Museum holds a “Class B” license.

(bw) Notwithstanding ss. 125.04 (3) (a) 3. and (9) and 125.09 (1), in addition to the authorization specified in par. (a) or (b) and in sub. (1) (a), a “Class B” license issued under sub. (1) to a caterer also authorizes the caterer to provide intoxicating liquor, including its retail sale, at the Heritage Hill state park during special events held at this park. Notwithstanding pars. (a) and (b) and sub. (1) (a), a caterer may provide intoxicating liquor under this paragraph at any location at the Heritage Hill state park even though the Heritage Hill state park is not part of the caterer’s licensed premises, as described under par. (d) in the caterer’s “Class B” license, and even if the Heritage Hill state park is not located within the municipality that issued the caterer’s “Class B” license. A caterer that provides intoxicating liquor under this paragraph is subject to s. 125.68 (2) as if the intoxicating liquor were provided on the caterer’s “Class B” licensed premises. This paragraph does not authorize the Heritage Hill state park to sell intoxicating liquor at retail or to procure or stock intoxicating liquor for purposes of retail sale. This paragraph does not apply if, at any time, the Heritage Hill state park holds a “Class B” license.

(c) Except as provided under s. 125.69, a “Class B” license may be issued to any person qualified under s. 125.04 (5), except a person acting as an agent for or in the employ of another.

(d) “Class B” licenses shall particularly describe the premises for which issued and are not transferable, except as provided in s. 125.04 (12).

(dm) A municipality may issue a “Class B” license authorizing retail sales of intoxicating liquor on a railroad car while the railroad car is standing in a specified location in the municipality.

(e) 1. Except as provided in subs. 2. and 3., the annual fee for a “Class B” license shall be established by the municipal governing body and shall be the same for all “Class B” licenses, except that the minimum fee shall be \$50 and the maximum fee shall be \$500. The minimum fee does not apply to licenses issued to bona fide clubs and lodges situated and incorporated in the state for at least 6 years.

2. Each municipal governing body shall establish the fee, in an amount not less than \$10,000, for an initial issuance of a reserve “Class B” license, as defined in sub. (4) (a) 4., and, if the municipality contains a capital improvement area enumerated under sub. (4) (x) 2. a., for an initial issuance of a “Class B” license under sub. (4) (x) 3. and 4., except that the fee for an initial issuance of a reserve “Class B” license to a bona fide club or lodge situated and incorporated in the state for at least 6 years is the fee established under subd. 1. for such a club or lodge. The fee under this subdivision is in addition to any other fee required under this chapter. The annual fee for renewal of a reserve “Class B” license, as defined in sub. (4) (a) 1., and a “Class B” license issued under sub. (4) (x) 3. or 4. is the fee established under subd. 1.

3. Each municipal governing body shall establish the annual fee for a “Class B” license issued under sub. (4) (v), except that neither the fee for an initial issuance of, nor the annual fee for, a “Class B” license issued under sub. (4) (v) 4. may exceed any fee established under subd. 1. The initial fee may be different from the annual fee to renew the license.

(f) A “Class B” license may be issued only to a holder of a retail Class “B” license to sell fermented malt beverages unless the “Class B” license is the kind of “Class B” license specified under par. (am).

(3m) RETAIL “CLASS C” LICENSE. (a) In this subsection “barroom” means a room that is primarily used for the sale or consumption of alcohol beverages.

(b) A “Class C” license authorizes the retail sale of wine by the glass or in an opened original container for consumption on the premises where sold.

(c) A “Class C” license may be issued to a person qualified under s. 125.04 (5) for a restaurant in which the sale of alcohol beverages accounts for less than 50% of gross receipts and which does not have a barroom or for a restaurant in which the sale of alcohol beverages accounts for less than 50% of gross receipts and which has a barroom in which wine is the only intoxicating liquor sold. A “Class C” license may not be issued to a foreign corporation, a foreign limited liability company or a person acting as agent for or in the employ of another.

(d) A “Class C” license shall particularly describe the premises for which it is issued.

(e) The annual fee for a “Class C” license shall be determined by the municipal governing body issuing the license. The fee shall not exceed \$100 and shall be the same for all “Class C” licenses.

(3r) SALES OF WINE BY THE BOTTLE IN RESTAURANTS. (a) Notwithstanding subs. (3) (a) and (b) and (3m) (b), a “Class B” license or “Class C” license authorizes the retail sale of wine in an opened original bottle, in a quantity not to exceed one bottle, for consumption both on and off the premises where sold if all of the following apply:

1. The licensed premises is a restaurant also operated under a “Class B” or “Class C” license and the purchaser of the wine orders food to be consumed on the licensed premises.

2. The licensee provides a dated receipt that identifies the purchase of the food and the bottle of wine.

3. Prior to the opened, partially consumed bottle of wine being taken off the licensed premises, the licensee securely reinserts the cork into the bottle to the point where the top of the cork is even with the top of the bottle and the cork is reinserted at a time other than during the time period specified in s. 125.68 (4) (c) 3.

(b) This subsection does not apply to a “Class B” license issued to a winery under s. 125.51 (3) (am). Nothing in this subsection restricts a licensee’s authorization for retail sales of wine under subs. (3) (a) and (b) and (3m) (b).

(4) QUOTAS ON “CLASS B” LICENSES. (a) In this subsection:

1. “License” means a retail “Class B” license issued under sub. (3) but does not include a “Class B” license issued to wineries under sub. (3) (am).

2. “Population” means the number of inhabitants in the previous year determined by the department of administration under s. 16.96 (2) for purposes of revenue sharing distribution.

3. “Quota” means the number of licenses which a municipality may grant or issue.

4. “Reserve “Class B” license” means a license that is not granted or issued by a municipality on December 1, 1997, and that is counted under par. (br).

(am) No municipality may issue a license that would cause the municipality to exceed its quota.

(b) Except as provided in pars. (c) and (d), the quota of each municipality is the sum of the following:

1g. The number of licenses granted or issued in good faith by the municipality and in force on December 1, 1997.

1m. The number of the municipality’s reserve “Class B” licenses determined under par. (bm) 3.

(bm) The clerk of each municipality shall record the municipality’s population, as defined in par. (a) 2., and the number of licenses:

1. Authorized to be issued by the municipality on December 1, 1997, under s. 125.51 (4), 1995 stats.;

2. Described in par. (b) 1g.; and

3. That are reserve “Class B” licenses.

(br) 1. Except as provided in subd. 2., the number of reserve “Class B” licenses authorized to be issued by a municipality shall be determined as follows:

a. Subtract 3 from the number recorded under par. (bm) 1.

b. Subtract the number recorded under par. (bm) 2. from the result under subd. 1. a.

c. Divide the result under subd. 1. b. by 2, except that if the result is not a whole number round the quotient down to the nearest whole number.

d. Add 3 to the result under subd. 1. c.

e. Add one license per each increase of 500 population to the population recorded under par. (bm).

f. Add one license if the municipality had issued a license under s. 125.51 (4) (br) 1. e., 1999 stats., based on a fraction of 500 population, but a municipality's quota is only increased under this subd. 1. f. as long as the total number of licenses issued by the municipality equals the maximum number of licenses authorized, including under this subd. 1. f.

2. Notwithstanding subd. 1., if the difference between the number of licenses determined under par. (b) 1g. and under par. (bm) 1. is 3 or fewer, the number of reserve "Class B" licenses authorized to be issued by that municipality is the difference between the number of licenses determined under par. (b) 1g. and under par. (bm) 1., plus one per each increase of 500 population to the population recorded under par. (bm), plus one if the municipality had issued a license under s. 125.51 (4) (br) 2., 1999 stats., based on a fraction of 500 population but only as long as the total number of licenses issued by the municipality equals the maximum number of licenses authorized.

(c) If territory containing premises covered by a license or reserve "Class B" license is annexed to a municipality and if the municipality's quota would not otherwise allow a license or reserve "Class B" license for the premises, the quota is increased to include the license or reserve "Class B" license of each premises in the annexed territory.

(d) Detachment of territory decreases the quota of the remainder of the municipality by the number of licenses or reserve "Class B" licenses issued for premises in the detached territory, except that detachment does not decrease the quota of the remainder to less than one license per 500 persons or less than one license.

(v) Notwithstanding par. (am), if a municipality has granted or issued a number of licenses equal to or exceeding its quota, the municipal governing body may issue a license for any of the following:

1. A full-service restaurant that has a seating capacity of 300 or more persons.

2. A hotel that has 50 or more rooms of sleeping accommodations and that has either an attached restaurant with a seating capacity of 150 or more persons or a banquet room in which banquets attended by 400 or more persons may be held.

3. An opera house or theater for the performing arts operated by a nonprofit organization, as defined in s. 134.695 (1) (am). Notwithstanding sub. (3) (a) and (b), a "Class B" license issued under this subdivision authorizes the retail sale of intoxicating liquor only for consumption on the premises where sold and only in connection with ticketed performances.

4. A full-service restaurant that has a seating capacity of 75 to 100 persons on November 26, 2009; is located in a commercial building; prepares, serves, and sells food to the public; has a separate dining area with permanent fixtures where table service is provided a minimum of 4 nights per week for a minimum of 6 months per year; generates more than 50 percent of total annual sales revenue from food sales; and is located on a golf course in a municipality, in Bayfield County, having a population of at least 400 but not more than 500. For purposes of this subdivision, "golf course" does not include a miniature golf course. No "Class B" license may be issued under this subdivision after March 1, 2010. If a "Class B" license issued under this subdivision is surrendered to the issuing municipality, not renewed, or revoked, the municipality may not reissue the license.

(w) 1. Notwithstanding pars. (am) to (d) and s. 125.185 (5), the village board of any village in the northern geographical half

of Ozaukee County having a population of more than 4,000 may issue, to any applicant designated by the village board, one "Class B" license in addition to the number of licenses determined for the village's quota under pars. (b) to (d). No "Class B" license may be issued under this subdivision after August 1, 2008. If a "Class B" license issued under this subdivision is surrendered to the issuing village, not renewed, or revoked, the village may not reissue the license, but a "Class B" license issued under this subdivision may be transferred in the same manner as other licenses as provided under s. 125.04 (12) (b) 4.

2. Notwithstanding pars. (am) to (d) and s. 125.185 (5), a city that is immediately adjacent to the southern border of the city of Milwaukee and that has an eastern boundary of Lake Michigan may issue 3 "Class B" licenses in addition to the number of licenses determined for the city's quota under pars. (b) to (d).

3. Notwithstanding pars. (am) to (d) and s. 125.185 (5), a 4th class city located in Dane County having a population as shown in the 2000 federal decennial census of at least 8,000 but not more than 9,000 may issue one "Class B" license in addition to the number of licenses determined for the city's quota under pars. (b) to (d).

4. Notwithstanding pars. a. "Area base value" means the aggregate assessed value of all taxable property located within the geographic bounds of a capital improvement area on January 1 of the year that is 5 years prior to the year in which such capital improvement area is enumerated under subd. 2.

b. "Capital improvement area" means a geographic area that is enumerated under subd. 2. as having an improvement increment exceeding \$50,000,000 in the year in which the area is enumerated and as being located within a municipality with insufficient reserve "Class B" licenses to issue a "Class B" license for each business or proposed business that would reasonably require one.

c. "Good faith," with respect to an applicant's attempt to purchase a "Class B" licensed business, includes an applicant making an offer to purchase the business for an amount exceeding \$25,000 in total value, without additional significant conditions placed on the purchase by either party, after having given notice to all current "Class B" license holders within the municipality where the business is located, by U.S. mail addressed to either the licensee's last-known address or to the licensed premises, of the applicant's interest in purchasing a licensed business, except that an offer in an amount of \$25,000 or less may also be considered to be in a good faith for purposes of this subd. 1. c. depending on the fair market value of the business, the availability of other licensed businesses for purchase, and any conditions attached to the sale.

d. "Improvement increment" means the aggregate assessed value of all taxable property in a capital improvement area as of January 1 of any year minus the area base value.

e. "Qualified applicant" means an applicant that complies with all requirements under s. 125.04 (5) and (6) and any applicable ordinance, that certifies by affidavit that the applicant has made a good faith attempt to purchase the business of a person holding a "Class B" license within the municipality and have that license transferred to the applicant under s. 125.04 (12) (b) 4., and for whom the issuing municipality has determined that these requirements have been met.

2. The legislature hereby enumerates the following areas, with the geographic boundaries described in this subdivision, as capital improvement areas:

a. The geographic area composed of all land within the Tax Incremental District Number 3 within the city of Oconomowoc in

(b) to (d) and in addition to any license under par. (v).

4. Notwithstanding pars. If the improvement increment is at least \$10,000,000 above \$50,000,000, the governing body of the municipality shall issue to the initial qualified applicant a “Class B” license. For each \$10,000,000 of improvement increment above \$50,000,000, the governing body of the municipality is authorized to issue under this subdivision one “Class B” license and, upon each application by a qualified applicant subsequent to that of the initial qualified applicant, the governing body of the municipality shall issue a “Class B” license to the qualified applicant until all licenses authorized under this subdivision have been issued. If the governing body of any municipality receives an application by a qualified applicant in a calendar year subsequent to the calendar year in which it received the application of the initial qualified applicant, the governing body of the municipality shall redetermine the improvement increment for that year for the purpose of determining the number of “Class B” licenses authorized under this subdivision. The “Class B” licenses that a municipality is authorized to issue under this subdivision are in addition to the number of licenses determined for the municipality’s quota under pars. (b) to (d), any license under par. (v), and the license under subd. 3.

5. Notwithstanding subds. 3. and 4., not more than 8 “Class B” licenses may be issued under this paragraph for premises within the same capital improvement area.

6. Notwithstanding subd. 7., any “Class B” license issued under this paragraph may be transferred as provided under s. 125.04 (12) (b) 4. Notwithstanding subds. 5. and 7., if a “Class B” license issued under this paragraph is surrendered to the issuing municipality, revoked, or not renewed, the municipality may reissue the license to a qualified applicant for a premises located within the same capital improvement area for which the license was originally issued.

The permits may be issued by the department without regard to any local option exercised under s. 125.05 and without regard to any quota under sub. (4). The holder of a “Class B” permit may sell intoxicating liquor for consumption by the glass and not in the original package or container on the premises covered by the permit.

The permit authorizes the sale of intoxicating liquor for consumption by the glass and not in the original package or container on the premises.

3. Except as provided in this paragraph, all sections of this chapter relating to “Class B” licenses apply to “Class B” permits issued under this paragraph.

4. The department may not issue a permit under this paragraph to any county or municipality or officer or employee thereof.

(c) *Vessels.* 1. The department may issue a “Class B” permit to any person who holds a valid certificate issued under s. 73.03 (50) and who is qualified under s. 125.04 (5) authorizing the sale of intoxicating liquor for consumption on any vessel having a regular place of mooring located in any waters of this state as defined under s. 29.001 (45) and (63) if the vessel either serves food and has an approved passenger capacity of not less than 40 individuals and the sale of intoxicating liquor and fermented malt beverages on the vessel accounts for less than 50% of the gross receipts of all of the food and beverages served on the vessel or if the vessel has an approved passenger capacity of at least 100 individuals and the sale of intoxicating liquor and fermented malt beverages on the vessel accounts for less than 50% of the gross receipts of the vessel. The department may issue the permit only if the vessel leaves its place of mooring while the sale of intoxicating liquor is taking place and if the vessel fulfills the requirement under par. (c) 1m. A permit issued under this subdivision also authorizes the permittee to store intoxicating liquor purchased for sale on the vessel on premises owned or leased by the permittee and located near the vessel’s regular place of mooring. The permittee shall describe on the permit application under s. 125.04 (3) (a) 3. the

premises where the intoxicating liquor will be stored. The premises shall be open to inspection by the department upon request.

1m. An applicant for a permit under par. (a) shall provide proof that the vessel is certified by the U.S. coast guard, classed by the American bureau of shipping or covered by liability insurance.

2. Upon application, the department shall issue a “Class B” permit to a tribe that holds a valid certificate issued under s. 73.03 (50) and that is qualified under s. 125.04 (5) and (6). The permit authorizes the retail sale of intoxicating liquor for consumption on the premises where sold by the glass and not in the original package or container. The permit also authorizes the sale of intoxicating liquor in the original package or container, in multiples not to exceed 4 liters at any one time, to be consumed off the premises where sold, except that wine is not subject to the 4-liter limitation.

3. Except as provided in this paragraph, all sections of this chapter applying to “Class B” licenses apply to “Class B” permits issued under this paragraph.

(6) **FACE-TO-FACE RETAIL SALES.** Except as provided in sub. (3) (bm) and (bs) and except with respect to caterers, a retail license or permit issued under this section authorizes only face-to-face sales to consumers at the premises described in the retail license or permit.

(7) **SALES IN NAME OF LICENSEE OR PERMITTEE.** Every holder of a retail license or permit for the sale of intoxicating liquor shall purchase, advertise and sell intoxicating liquor in the holder’s name and under the holder’s license or permit only, except that holders of retail licenses or permits that are franchisees, as defined in s. 553.03 (5), may advertise, separately or together, in the name of the franchisor, as defined in s. 553.03 (6).

(8) **CONNECTING PREMISES.** Except in the case of hotels, no person may hold both a “Class A” license and either a “Class B” license or permit, a Class “B” license or permit or a “Class C” license for the same premises or for connecting premises. Except for hotels, if either type of license or permit is issued for the same or connecting premises already covered by the other type of license or permit, the license or permit last issued is void. If both licenses or permits are issued simultaneously, both are void.

(9) **LICENSES FOR LESS THAN ONE YEAR.** (a) A license may be issued after July 1 in any license year. The license shall expire on the following June 30. The fee for the license shall be prorated according to the number of months or fractions thereof remaining until the following June 30.

(b) Licenses valid for 6 months may be issued at any time. The fee for the license shall be 50% of the annual license fee. The license may not be renewed during the calendar year in which issued.

(10) **TEMPORARY LICENSES.** Notwithstanding s. 125.68 (3), temporary “Class B” licenses may be issued to bona fide clubs, to county or local fair associations or agricultural societies, to churches, lodges or societies that have been in existence for at least 6 months before the date of application and to posts of veterans’ organizations authorizing the sale of wine in an original package, container or bottle or by the glass if the wine is dispensed directly from an original package, container or bottle at a particular picnic or similar gathering, at a meeting of the post, or during a fair conducted by the fair association or agricultural society. The amount of the fee for the license shall be \$10, except that no fee may be charged to a person who at the same time applies for a tem-

porary Class “B” license under s. 125.26 (6) for the same event. A license issued to a county or district fair licenses the entire fairgrounds where the fair is being conducted and all persons engaging in retail sales of wine from leased stands on the fairgrounds. The county or district fair to which the license is issued may lease stands on the fairgrounds to persons who may engage in retail sales of wine from the stands while the fair is being held. If a county or district fair leases any stand to a winery holding a permit under s. 125.53, in addition to making retail sales of wine from the leased stand, the winery may provide taste samples anywhere on the fairgrounds of wine manufactured by the winery. If a license is issued under this subsection to a fair association solely for the purpose of conducting on the licensed premises wine judging or tasting events involving servings of wine no greater than one fluid ounce each, s. 125.68 (2) does not apply to these licensed premises. Not more than 2 licenses may be issued under this subsection to any club, county or local fair association, agricultural association, church, lodge, society or veterans post in any 12-month period.

A city ordinance allowing a recipient of a new Class B license who pays the \$10,000 fee under sub. (3) (e) 2. to apply for a \$10,000 economic development grant from the city was not barred by the statute or constitution. *Alexander v. City of Madison*, 2001 WI App 208, 247 Wis. 2d 576, 634 N.W.2d 577, 00–2692.

The licensed premises, with respect to a “Class B” intoxicating liquor license under this section, may be co-extensive with the premises where consumption may occur. Thus, the premises to be listed on a “Class B” license are not necessarily confined to the dimensions of a bar room or storage room. Here, the town chose to license the entire eight acres of a resort as the premises for the sale, and also the consumption, of fermented malt beverages and intoxicating liquor. The town made that choice. The license was not void due to an insufficient description of the premises. *Wisconsin Dolls, LLC v. Town of Dell Prairie*, 2012 WI 76, 342 Wis. 2d 350, 815 N.W.2d 690, 10–2900.

125.52 Manufacturers’ and rectifiers’ permits.

(1) **AUTHORIZED ACTIVITIES.** (a) The department shall issue manufacturers’ and rectifiers’ permits which authorize the manufacture or rectification, respectively, of intoxicating liquor on the premises covered by the permit. A person holding a manufacturer’s or rectifier’s permit may manufacture and bottle wine, pursuant to the terms of the permit, without procuring a winery permit.

(b) 1. A manufacturer’s or rectifier’s permit entitles the permittee to sell intoxicating liquor to wholesalers holding a permit under s. 125.54, to wineries holding a permit under s. 125.53, and to other manufacturers and rectifiers holding a permit under this section, from the premises described in the permit. Except as provided in subd. 2., no sales may be made for consumption on the premises of the permittee.

2. Notwithstanding s. 125.09 (1), a manufacturer’s or rectifier’s permit authorizes the retail sale of intoxicating liquor that is manufactured or rectified on the premises, for consumption on or off the premises. A manufacturer’s or rectifier’s permit also authorizes the provision of taste samples, free of charge and in an amount not exceeding a total of 1.5 fluid ounces to any one person, of intoxicating liquor that is manufactured or rectified on the premises, for consumption on the premises. The department may prescribe additional regulations for the sale of intoxicating liquor under this subdivision, if the additional regulations do not conflict with the requirements applicable to holders of “Class B” licenses. Notwithstanding any other provision of this chapter, the authorization under this subdivision applies with respect to a person who holds any permit under this section, a winery permit under s. 125.53, and either a “Class A” license or a “Class B” license issued under s. 125.51 (3) (am), all issued for the same premises or portions of the same premises.

(c) Possession of a permit under this section does not authorize the permittee to sell tax-free intoxicating liquor and wines brought into this state under s. 139.03 (5).

(2) **LIMITED MANUFACTURER'S PERMIT.** The department shall issue a limited manufacturer's permit which authorizes the use or sale of the intoxicating liquor produced only if it is rendered unfit for use as a beverage and is used or sold for use as fuel. The department shall notify the department of natural resources of the name and address of any person to whom a limited manufacturer's permit is issued.

(3) **PERSONS ELIGIBLE.** Except as provided under s. 125.69, a manufacturer's or rectifier's permit may be issued to any person who holds a valid certificate issued under s. 73.03 (50) and who is qualified under s. 125.04 (5), except a foreign corporation, a foreign limited liability company or a person acting as an agent for or in the employ of another. Notwithstanding s. 125.04 (5) (a) 5., a person is not required to complete a responsible beverage server training course to be eligible for a permit under this section.

(7) **MULTIPLE PERMITS.** Not more than 2 manufacturers' or 2 rectifiers' permits may be issued to any one person. In each application for a manufacturer's or rectifier's permit, the applicant shall state that application has not been made for more than one other manufacturer's or rectifier's permit.

(1) The department shall issue only to a manufacturing winery in this state that holds a valid certificate issued under s. 73.03 (50) a winery permit authorizing the manufacture and bottling of wine on the premises covered by the permit for sale to wholesalers holding a permit under s. 125.54. A winery permit also authorizes the permittee to, on the winery premises and without obtaining a rectifier's permit, possess intoxicating liquor and mix or blend intoxicating liquor to produce wine sold to wholesalers holding a permit under s. 125.54. A winery holding a permit under this section may offer on the premises taste samples of wine manufactured on the premises to persons who have attained the legal drinking age. A permittee under this section may also have either one "Class A" license or one "Class B" license, but not both. The "Class A" license or "Class B" license may either be issued for the winery premises or for real estate owned or leased by the winery. If a "Class A" or "Class B" liquor license has also been issued to the winery, the winery may provide wine manufactured, mixed, or blended on the winery premises directly to the "Class A" or "Class B" premises and may offer the taste samples on the "Class A" or "Class B" premises. A winery holding a permit under this section may also make retail sales and provide taste samples on county or district fair grounds as provided in s. 125.51 (10), but this wine sold at retail or provided as taste samples shall be purchased from a wholesaler holding a permit under s. 125.54.

(2) Winery permits may be issued to any person except a foreign corporation, a foreign limited liability company or a person acting as an agent for or in the employ of another.

(2) **ANNUAL PERMIT FEE.** The department may, by rule, establish an annual fee, not to exceed \$100, for each permit issued under this section. All fees collected under this subsection shall be credited to the appropriation account under s. 20.566 (1) (ha).

(3) **PERSONS ELIGIBLE.** (a) A direct wine shipper's permit may be issued under this section to any person that manufactures and bottles wine on premises covered by any of the following:

1. The winery holds a valid business tax registration certificate issued under s. 73.03 (50).

2. The winery submits to the department, with any initial application or renewal for a certificate under s. 73.03 (50) or a permit under par. (a) 3. or 4., a copy of any current license, permit, or authorization issued to the winery by the state from which the winery will ship wine into this state or the winery's federal basic permit.

(c) Notwithstanding s. 125.04 (5) (a), natural persons obtaining direct wine shippers' permits are not required to be residents of this state. Notwithstanding s. 125.04 (5) (a) 5., a person is not required to complete a responsible beverage server training course to be eligible for a permit under this section. Corporations and limited liability companies obtaining direct wine shippers' permits are subject to s. 125.04 (6) and any other person, including any natural person or cooperative, obtaining a direct wine shipper's permit shall appoint an agent, and be subject to all provisions of s. 125.04 (6), in the same manner applicable to corporations and limited liability companies.

(4) **LABELS.** Containers of wine shipped to an individual in this state under this section shall be clearly labeled to indicate that the package may not be delivered to an underage person or to an intoxicated person.

(5) **RESTRICTIONS.** No individual may resell, or use for a commercial purpose, wine received by the individual that is shipped under authority of this section.

(6) **ANNUAL LIMIT.** No individual in this state may receive more than 108 liters of wine annually shipped under authority of this section. Each individual shall be responsible for compliance with this annual limit. An individual who violates this annual limit is subject to s. 125.11 (1). History: 2007 a. 85.

125.54 Wholesalers' permits. (1) **AUTHORIZED ACTIVITIES.** The department shall issue wholesalers' permits authorizing the permittee to sell, from the premises described in the permit, intoxicating liquor at wholesale to retailers and wholesalers, as well as to manufacturers, rectifiers, and wineries for production purposes. The permittee may not sell intoxicating liquor for consumption on the premises. Possession of a permit under this section does not authorize the permittee to sell tax-free intoxicating liquor and wine brought into this state under s. 139.03 (5).

(2) **PERSONS ELIGIBLE.** Except as provided under s. 125.69, a wholesaler's permit may be issued to any person who holds a valid certificate issued under s. 73.03 (50) and who is qualified under s. 125.04 (5), except a foreign corporation, a foreign limited liability company or a person acting as an agent for or in the employ of another. Notwithstanding s. 125.04 (5) (a) 5., a person is not required to complete a responsible beverage server training course to be eligible for a permit under this section.

(5) **SALES AREA.** No wholesaler may sell any intoxicating liquor before filing with the department a written statement that the permittee is a distributor of a particular brand in this state, or an area of this state, and that the sales of that brand by the permittee and anyone purchasing from the permittee will be limited to the area specified. The permittee shall notify the department of any change in the area within 7 days of the effective date of the change.

(6) **MULTIPLE PERMITS.** Not more than 2 wholesalers' permits may be issued to any one person. In each application for a whole-

saler's permit, the applicant shall state that application has not been made for more than one other wholesaler's permit.

(7) **BONA FIDE WHOLESALERS.** (a) 1. The premises described in a permit issued under this section shall be capable of warehousing intoxicating liquor. Any intoxicating liquor sold by the permittee shall be physically unloaded at the premises described in the permit, or at any warehouse premises for which the permittee under this section also holds a permit issued under s. 125.19, prior to being delivered to a retail licensee or permittee or to another wholesaler.

2. A permittee under this section shall annually sell and deliver intoxicating liquor to at least 10 retail licensees or permittees that do not have any direct or indirect interest in each other or in the permittee under this section. The department shall not issue a permit under this section unless the applicant represents to the department an intention to satisfy this requirement, and shall not renew a permit issued under this section unless the permittee demonstrates that this requirement has been satisfied.

(b) No intoxicating liquor retail licensee or permittee may receive a benefit from a violation under par. (a) with knowledge of the circumstances giving rise to the violation.

(c) 1. A wholesaler who violates this subsection shall be fined not more than \$10,000. In addition, a court shall order the wholesaler to forfeit an amount equal to any profit gained by the wholesaler or by a retail licensee or permittee that violates par. (b), or by both, resulting from the violation, and the court shall further order that the wholesaler's permit be revoked.

2. A court shall order a retail licensee or permittee who violates this subsection to forfeit an amount equal to any profit gained by the retail licensee or permittee resulting from the violation, and the court shall further order that the retail license or permit be revoked.

3. This paragraph shall not affect the authority of any municipality or the department to revoke, suspend, or refuse to renew or issue a license or permit under s. 125.12.

(d) The department shall promulgate rules to administer and enforce the requirements under this subsection. The rules shall ensure coordination between the department's issuance and renewal of permits under this section and its enforcement of the requirements of this subsection, and shall require that all applications for issuance or renewal of permits under this section be processed by department personnel generally familiar with activities of intoxicating liquor wholesalers. The department shall establish by rule minimum requirements for warehouse facilities on premises described in permits issued under this section and for periodic site inspections by the department of such warehouse facilities.

(e) This subsection does not apply to a cooperative wholesaler under s. 125.545.

(8) **DUTY TO WORK IN GOOD FAITH.** Each wholesaler has an obligation to negotiate in good faith with any manufacturer, rectifier, or winery that seeks to sell its products in this state through the wholesaler. To this end, all wholesalers shall work diligently to ensure that distribution channels are available for the sale of intoxicating liquor products through wholesalers to retailers in this state.

(2) **CREATION AND ORGANIZATION.** (a) 1. A cooperative wholesaler may only be created as provided under s. 185.043 (2) and this section. Each cooperative wholesaler operating under authority of this section shall be organized under ch. 185 but shall be subject to the limitations on such cooperatives imposed by this section. Subject to subd. 3., only small wineries may be members of a cooperative wholesaler. The principal purpose of a cooperative wholesaler shall be to sell and distribute wine manufactured, blended, or mixed, and also bottled, by its members.

2. Notwithstanding s. 185.08 (1), a cooperative wholesaler shall include in its articles of incorporation under ch. 185 a single location for its agent and principal office, which location shall be in this state.

3. A small winery may become a member of a cooperative wholesaler only if all of the following apply:

a. The small winery holds a direct shipper's permit under s. 125.535.

b. The small winery is certified by the department under sub. (6) (a) as a small winery.

(b) In addition to the requirements specified in s. 185.31 for the board of directors of a cooperative wholesaler, a director representing a member that is a Wisconsin winery shall be either an owner or an employee of that Wisconsin winery. If any out-of-state winery is a member of the cooperative wholesaler, at least one director shall be either an owner or an employee of an out-of-state winery that is a member of the cooperative wholesaler.

(c) Notwithstanding any provision of ch. 185, a cooperative wholesaler may not employ any owner or employee of a member. However, an individual that is an owner or an employee of a member may act as a volunteer to assist that cooperative wholesaler in the sale and distribution of wine to retailers and other wholesalers in the manner authorized under this section.

(3) **AUTHORIZATION AND ACTIVITIES.** (a) 1. Within 7 days after filing its articles of incorporation under ch. 185, a cooperative wholesaler shall apply to the department for a wholesaler's permit under s. 125.54. The provisions of s. 125.04 (5) (c) and (6) shall apply to a cooperative wholesaler as if the cooperative wholesaler were a corporation or a limited liability company and, for each of these provisions, the department shall determine whether the cooperative wholesaler is most similar to a corporation or a limited liability company in the context of that provision and apply that provision to the cooperative wholesaler accordingly.

2. Notwithstanding s. 125.54 (6), the department may issue not more than one wholesaler's permit to any cooperative wholesaler. The department may not issue more than a total of 6 wholesalers' permits to cooperative wholesalers in this state. The department may not issue any new wholesaler's permit to a cooperative wholesaler after December 31, 2008, but may renew wholesalers' permits that were initially issued to cooperative wholesalers prior to that date.

3. No cooperative wholesaler may operate in this state without a wholesaler's permit.

Notwithstanding s. 125.54 (1), a cooperative wholesaler may not sell or distribute wine except to a retailer or to a wholesaler holding a permit under s. 125.54.

3. A cooperative wholesaler may purchase ancillary wine industry trade goods such as bottles, corks, and other supplies used by wineries in the bottling and sale of wine if such trade goods do not include any alcohol beverages. Any wine industry trade goods purchased by a cooperative wholesaler under this subdivision may be offered for resale to the cooperative wholesaler's members or to any winery that was formerly a member of the cooperative wholesaler.

4. A cooperative wholesaler shall work with all of its members on evenhanded terms. Any preferential treatment by a cooperative wholesaler for the benefit of a member that is a Wisconsin winery, and any discrimination against a member that is an out-of-state winery, is prohibited.

(c) Neither a cooperative wholesaler nor its members are subject to any restriction on dealings under s. 125.69 (1) between wholesalers and wineries. Except as provided in s. 125.54 (7) (e) and as otherwise provided in this section, all provisions of this chapter and ch. 139 that apply to a wholesaler issued a permit under s. 125.54 also apply to a cooperative wholesaler issued a permit under s. 125.54.

2. Any winery seeking to become a member of, or to maintain its membership in, a cooperative wholesaler may apply to the department for certification as a small winery. If the winery meets the definition of a small winery under this section, satisfies the requirement under sub. (2) (a) 3. a., and submits any other information that the department determines is necessary to certify that the winery is operating as a small winery and is eligible for membership in a cooperative wholesaler, the department shall certify the winery as a small winery. This certification shall remain valid for one year.

3. In certifying any winery under subd. 2., the department shall classify the winery as either a Wisconsin winery or an out-of-state winery.

4. The department shall refuse to certify under this paragraph any winery that cannot demonstrate it holds all necessary permits for its operations or that the department finds is otherwise not in full compliance with the laws of this state.

(b) The department shall promulgate rules to administer and enforce the requirements under this section.

(7) **PENALTIES.** (a) Any winery that sells or distributes its wine directly to a retailer, rather than through a wholesaler or cooperative wholesaler, is subject to a fine of not more than \$10,000 and revocation of all of its permits by the department under s. 125.12 (5).

A permit under this subsection does not authorize the resale of sacramental wine by the permittee.

A license never should have been issued when a notice of application had not been published as required under s. 125.04 (3) (g), and a license issued without publication is void under s. 125.04 (2). A manager’s license issued in respect to a vessel under s. 125.51 (5) (c) is valid outside the municipality that issues it. A person manages premises if that person has responsibility or authority for:

An operator’s license issued in respect to a vessel under s. 125.51 (5) (c) is valid outside the municipality that issues it. For the purpose of this subsection, any person holding a manager’s license issued under s. 125.18 or any member of the licensee’s or permittee’s immediate family who has attained the age of 18 shall be considered the holder of an operator’s license. No person, including a member of the licensee’s or

permittee’s immediate family, other than the licensee, permittee or agent may serve or sell alcohol beverages in any place operated under a “Class A” or “Class C” license or under a “Class B” license or permit unless he or she has an operator’s license or is at least 18 years of age and is under the immediate supervision of the licensee, permittee or agent or a person holding an operator’s license, who is on the premises at the time of the service.
