By submitting this application, I affirm that the facts set forth in it are true and complete. I understand that if I am awarded a grant, any false statements, omissions, or other misrepresentations made by me on this application or supporting material may result in the immediate termination of the grant and reimbursement of all granted funds.

Signature: _____ **Date:** _____

Our Policy

It is the policy of this organization to provide equal opportunities without regard to race, color, religion, national origin, gender, sexual preference, age, or disability.

Thank you for completing this application form and for your interest in ETHS.

Letter of Recommendation:

Applications must be accompanied by an email or letter of recommendation from the applicant's major professor, advisor, department head, or person responsible for overseeing applicant's research and should include a statement regarding the significance of the applicant's research and intended use of grant funds.

General Notes:

- Any supporting documentation, publications, letters of recommendations, CV's/resumes, etc. are welcome and encouraged to accompany the application to assist in the grant decision-making process.
- Grant recipients will be asked to provide a status of their research the grant helped fund throughout the funding year.
- Grant recipients should provide copies of any publications, papers, presentations, etc. as they are written and/or once the research is complete.
- Grant recipients may be asked to present results of research at an ETHS general meeting and/or yearly conference.
- Grant recipients agree to acknowledge the East Texas Herpetological Society in any publications concerning the supported project and agrees to comply with all local, state, and federal fauna regulations.

The entire grant application package including any supporting material should be emailed or mailed to the ETHS Grants Committee Chairman (see below). For questions or comments, also contact:

Jonathan Perez
