1. Equity Trust Company (Custodian) does not offer any investment advice, nor does it endorse any investment, investment product or investment strategy; and Custodian does not endorse any financial advisor, representative, broker, or other party involved with an investment selected by me. It is my own responsibility to perform proper due diligence with regard to any such representative, financial advisor, broker or other party. Any review performed by Custodian with respect to an investment shall be solely for Custodian's own purposes of determining the administrative feasibility of the investment and in no way should be construed as an endorsement of any investment, investment company or investment strategy. In addition the acceptance of any investment should not be construed as an endorsement of any investment, investment company or investment strategy;

2. This investment is not FDIC insured and may lose value. In addition the investment selected by the undersigned may lack liquidity; may be speculative and involve a high degree of risk; and may result in a complete loss of the investment. Any loss sustained in my Retirement Account will not affect my retirement income standard; and if a mandatory distribution arises, I will have the ability through my IRA and/or other retirement accounts to meet any mandatory distribution requirements.

3. Neither Custodian nor any employee or agent of Custodian has selected or recommended any investment for me; and neither Custodian nor any employee or agent of Custodian has acted as a broker-dealer or salesperson in completing any purchase or sale of an investment of a security for me, except where Custodian may purchase or sell a publicly-held security on my behalf, at my own direction through its affiliate that receives a commission for such transaction.

4. Custodian is neither an agent nor a representative of any investment program or other entity in which or with which I may invest; and any salesperson, promoter, financial advisor, broker or other party involved in the purchase or sale of my investment shall be considered my own agent and representative and not the agent or representative of Custodian. Custodian has no duty or responsibility to investigate or make recommendations as to my choice of agent. Custodian shall not be responsible for or bound by any representations, warranties, statements or commitments made by such party.

5. Custodian is acting solely as a passive Custodian to hold Retirement Account assets and in no other capacity, an affiliate may receive a commission in connection with the unsolicited purchase or sale of a publicly-traded security. Custodian has no responsibility to question any investment directions given by me or any appointed financial representative. I further understand that Custodian does not compensate nor receive compensation from the undersigned chosen representative.

6. Custodian shall be under no obligation or duty to investigate, analyze, monitor, verify title to or otherwise evaluate any investment contemplated herein, or to obtain or maintain insurance coverage (whether liability, property or otherwise) with respect to any assets or investment purchased by me. Custodian shall not be responsible to take any action should there be any default with regard to this investment.

7. It is not the responsibility of Custodian to review the prudence, merits, viability or suitability of any investment made by me or to determine whether the investment is acceptable under ERISA, the Internal Revenue Code or any other applicable law. I understand that certain transactions are prohibited in individual retirement accounts and qualified retirement plans under Section 4975 of the Internal Revenue Code. I further understand that the determination of a prohibited transaction depends on the facts and circumstances that surround the particular transaction. Custodian will make no determination as to whether my investment is prohibited.

I further understand that should my Retirement Account engage in a prohibited transaction, my account will incur a taxable distribution as well as possible penalties. I represent to Custodian that I have consulted with my own legal and accounting advisors to ensure that my investment does not constitute a prohibited transaction and that my investment complies with all applicable federal and state laws, regulations and requirements including without limitation that the offering entity or individual is not a disqualified person under IRC 4975 (e) (2), nor a "party in interest" as defined in ERISA section 3 (14). In the event any investment for my retirement account produces taxable income (unrelated or debt financed) pursuant to IRC 511-514, I agree to prepare or have prepared for me, the required 990T tax form along with a direction of investment authorizing the Custodian to pay taxes from my account. Forms need to be submitted to the Custodian for filing 5 days prior to the date on which they are due.

8. 9. Custodian shall be fully protected in acting upon any instrument, certificate or paper believed to be genuine and to be signed or presented by the proper person or persons whether or not by facsimile or other copy, and Custodian shall be under no duty to make any investigation or inquiry as to any statement contained in any such writing, but may accept the same as conclusive evidence of the truth and accuracy of the statements therein contained.

10. The undersigned acknowledges that the foregoing representation is being relied upon by Custodian in accepting the undersigned's direction of investment and agrees to indemnify Custodian with respect to all costs, expenses (including attorneys' fees), fines, penalties, liabilities, damages, actions, judgments and claims arising out of such investment and/or a breach of the foregoing representation.

Custodian has no duty or responsibility to disburse any payment for my investment without my express direction. 13. Custodian shall use reasonable efforts to acquire or sell investments in accordance with the directions of the undersigned within a reasonable period of time after Custodian has received an investment direction and Custodian shall make reasonable efforts to notify the undersigned if Custodian is unable or unwilling to comply with an investment direction. Custodian shall, subject to the foregoing, remit funds as directed, but has no responsibility to verify or assure that such funds have been invested to purchase or acquire the asset selected by me. The undersigned further directs Custodian to place all uninvested cash funds into a FDIC-insured institution until Custodian receives further direction. 16. The undersigned agrees to reimburse or advance to Custodian, on demand, all legal fees, expenses, costs, fines and penalties incurred or to be incurred in connection with the defense, contest or prosecution of any claim made, threatened or asserted pertaining to the undersigned's investment through Custodian, including, without limitation, claims asserted by the undersigned, any state or federal regulatory authority or self regulatory organization.

The undersigned releases and indemnifies, holds harmless and defends Custodian from any and all claims, damages, liability, actions, costs, expenses (including, without limitation, attorneys' fees) and responsibility for any loss resulting to the Retirement Account, the undersigned or to any beneficiary or incurred by Custodian, in connection with or by reason of any sale or investment made or other action taken (or omitted to be taken) pursuant to and/or in connection with the above Direction or resulting from serving as Custodian hereunder.

My Retirement Account is self-directed and I, alone, am responsible for the selection, due diligence, management, review and retention of all investments in my account. I agree that the Custodian is not a "fiduciary" for my account, as said term is defined in the Internal Revenue Code, ERISA or any other applicable federal, state or local laws. I hereby direct the custodian, in a passive capacity, to enact this transaction for my account, in accordance with my adoption agreement.
