PART E

I. This assignment is made as collateral security for the purpose of securing an indebtedness of the Insured to the Assignee now existing and any additional indebtedness of the Insured to the Assignee which may exist at the time of settlement under the Policy. This assignment is expressly limited to such of the proceeds under the Policy as may be necessary to liquidate said indebtedness, the remainder of the proceeds being unaffected hereby.

II. The Assignee shall have the right to surrender the Policy and receive the surrender value thereof at any time provided by the terms of the Policy and at such other times as the Insurer may allow; provided; however, the Assignee shall not exercise the right to surrender the Policy until there has been a default in indebtedness secured hereby or a failure of the Insured to pay any premium when due, nor until twenty days after the Assignee shall have mailed, by first-class mail, to the Insured, notice of intention to surrender the Policy.

III. It is expressly agreed that the following rights, so long as the Policy is not surrendered, are reserved and excluded from this assignment and do not pass by virtue hereof:

Checks for all or any part of the sums payable under the Policy and assigned hereby, shall be drawn to the exclusive order of the Assignee if, when, and in such amounts as may be requested by the Assignee.

2. That, upon payment of the indebtedness secured hereby, written notice of the release of this assignment will be given to the Insurer.

VI. In the event of any conflict between the provisions of this assignment and the provisions of the note or other evidence of indebtedness, with respect to the Policy rights of collateral security therein, the provisions of this assignment shall prevail.
