Plan Features

HOSPITAL CONFINEMENT BENEFIT

The Hospital Confinement Benefit will be paid each day you are confined as a patient in a Hospital due to an Injury or Sickness, for up to 30 days. The amount payable is 1 times the Disability Benefit which will be pro-rated on a daily basis. This benefit will not be reduced by Deductible Sources of Income. The Hospital confinement must be at least 18 continuous hours in duration. **Plans I-III:** This benefit will begin on your first day of Hospital confinement. **Plans IV-VI:** This benefit will begin after your satisfaction of the elimination period.

PREGNANCY BENEFIT

Pregnancy or related complications of pregnancy will be treated as any other Sickness under the terms of your plan.

RETURN TO WORK INCENTIVE BENEFIT: DISABLED WHILE WORKING

We will provide a Disability Payment if you are Disabled and your monthly Disability Earnings, if any, are less than 20% of your Monthly Compensation due to the same Disability.

If you are Disabled and your Disability Earnings are greater than 20% of your Monthly Compensation due to the same Disability, we will figure your payment as follows:

During the first 12 months of payments while Disabled and Working:

- Your Disability Payment will not be reduced as long as the Disability Earnings plus the gross Disability Benefit does not exceed 80% of your Monthly Compensation.
- If the Disability Earnings plus the gross Disability Benefit exceeds 80% of your Monthly Compensation, the Disability Payment will be reduced by the amount exceeding 80% of your Monthly Compensation.

After 12 months of payments, while Disabled and Working, you will receive payments based on the percentage of Monthly Compensation you are losing due to Lost Earnings based on your Disability.

We will stop payments and your claim will end, if at any time you are no longer Disabled or if your Disability Earnings exceed 80% of your Monthly Compensation. The Elimination Period cannot be satisfied with days you are Disabled and Working.

FAMILY CARE BENEFIT

If you are Disabled and Working, qualify to receive a Disability Payment from us, and have one or more eligible family members, you may be eligible to receive a Family Care Benefit. This may include payment for the care of an eligible family member by a licensed childcare provider or licensed caregiver who is not related to you by blood or marriage. We will provide a Family Care Benefit for expenses incurred of up to 25% of your monthly Disability Benefit provided the total of your Disability Earnings, the gross Disability Benefit, and the Family Care Benefit do not exceed 100% of your Monthly Compensation. Payment of the Family Care Benefit will end on the earlier of the following: the date you no longer incur Family Member expenses; or the date you no longer qualify as Disabled and Working; or the date Disabled and Working benefits have been paid for a total of 12 months.

ACCIDENTAL DEATH BENEFIT

A lump sum of \$20,000.00 will be paid if you die as the direct result of an Injury and death occurs within 90 days after the Injury.

The benefit will be increased 1% for each full month that your Certificate was continuously in force just prior to death. The total increase shall not be more than 60% of the benefit amount.

PHYSICIAN EXPENSE BENEFIT

- Injury - \$150.00 per Injury

If you need personal treatment by a Physician due to an Injury, we will pay the amount shown above provided no other claim has been paid under the Policy. You are not required to miss one full day of work in order to receive the Injury benefit. This benefit will be limited to 8 payments per calendar year.

An eligible survivor will be paid a lump sum benefit equal to 3 times the Disability Payment if, on the date of your death:

- the Disability had continued for 90 or more consecutive days and
- you were receiving or were entitled to receive payments under the Policy.

If there are no eligible survivors, no payment will be made.

ACCELERATED SURVIVOR BENEFIT

A lump sum benefit equal to 3 times the Disability Payment may be paid if you have a terminal illness and you qualify for an accelerated Survivor Benefit. Election of this benefit will result in the Survivor Benefit not being paid upon death.

DONOR BENEFIT

If you are Disabled as a result of being an organ or tissue donor, we will pay your benefit as any other Sickness under the terms of the plan.

WORKSITE ACCOMMODATION

If worksite modifications may assist your return to work, we will evaluate your claim for appropriate action.

DIRECT DEPOSIT DISABILITY BENEFITS

In the event you choose the direct deposit option on an approved claim, we will deposit your benefits directly into your bank account at no additional cost. This can accelerate access to your benefits by several days. We also have a toll-free fax that allows you instant transmission of your claim forms to our Benefits Department.

SOCIAL SECURITY FILING ASSISTANCE

If we determine you are a likely candidate for Social Security Disability benefits, we can assist you with the application and appeal process.

WAIVER OF PREMIUM

No premium payments are required while you are receiving payments under the plan after Disability Payments have been received under the plan for 90 consecutive days. We will require proof on an annual basis that you remain Disabled during this time.

SUCCESSIVE DISABILITIES

Disabilities which result from the same or related causes will be considered one period of Disability unless the Disabilities are separated by your return to Active Employment or any other gainful occupation for at least 3 consecutive months.

SPECIAL CONDITIONS

If you are Disabled due to Special Conditions and under the regular and appropriate care of a physician, Disability Payments will be provided for up to 1 year not to exceed the Maximum Disability period. - your coverage ends as a result of your termination of Active Employment;
- such termination is caused by an Injury or Sickness for which Disability Benefits would be payable; and

then:

Disability Benefits will be paid as if such termination had not occurred.

Termination of the Policy will have no effect on Disability Payments which began before termination. We may end your coverage if you submit a fraudulent claim.
