

Dear Exhibitor:

Included in this document are pre-printed shipping labels for the 2014 SHOT Show. These labels may be photocopied. Please ensure that you have placed at least one label on each piece that you will be sending. Five different labels have been included for your convenience. Please ensure that you use the appropriate label.

1. SHOWSITE DIRECT – Use this label only for Shipments arriving at the Sands Expo Center between January 8 through January 13 based on the schedule in the Freight Target Floor plan. Check with your trucking company to see what their policy is about waiting times and weekend deliveries.

2. WAREHOUSE - Use this label if you prefer the convenience of not having to worry about your shipment arriving at a specific time. Your shipment can arrive at the warehouse as early as December 9, 2013, and be delivered to your booth in accordance with the Freight Target Schedule. There is an extra charge of \$3.75 per cwt (100 pound increments) for crated and \$4.85 per cwt (100 pound increments) for special handling on this service.

3. HANGING SIGNS - The label for “HANGING SIGNS” should only be used for the actual sign and not for any other booth material. Hanging Signs should be delivered no later than January 2, 2014 so that your sign can be pre-installed prior to your carpet and booth arrival.

4 & 5. SECURITY – The labels for Advance Security and Direct Security should only be used on items that need to go into security storage and packed separately from rest of shipment.

Please pay particular attention to the deadline dates. Sending your shipments to meet these deadlines will save you money.

Note: If you would like to inquire about getting a different Freight Target Time, you should send an e-mail to Brian Nilson at [brian.nilson@freemanco.com](mailto:brian.nilson@freemanco.com), phone him at (702) 579-1784 or fax him at (702) 579-6187.

If at any time you have questions, please don't hesitate to contact the Exhibitor Services Department at (702) 579-1700.

Thank you!
