BIDDING HINTS 1. AVOID CONFLICTING BIDS i.e. asking for max days off in a row and then requesting to work no more than 5 days in a row 2. KNOW YOUR SENIORITY - i.e. if you are in the bottom half of your status you may have to fly a week of standups 3. REFER TO YOUR CURRENT ROSTER LINE - do not request days off at the beginning of the month if you have carry-thru flying or reserve from the previous month 4. BID FOR YOUR OVERNIGHTS USING STATION DESIGNATOR - i.e. YQQ instead of Comox 5. KNOW THE COMPANY RULES - i.e. Maximum 7 days of flying in a row; 20 days of flying per month unless there is a stat holiday in the month
