

# Drug and Alcohol Testing Contract 2015-2016

Note: Due to various factors, including the volume of participation from districts, contract negotiations for products and services being purchased and delivered within this contract, possible funding changes for districts or ESC Region 11, and other factors, this contract is offered in good faith but does not become binding until September 1, 2015, on either the district or ESC Region 11. Until September 1, 2015, a district or ESC Region 11 can notify the other party of its wishes to void this contract, but early acceptance of this contract is necessary so that ESC Region 11 can plan and prepare to deliver these services.
