**HOT CHECKS  
IN  
ARANSAS COUNTY**

**Goal:**

Our goal is to bring about a conviction for the offense of theft by check and issuance of a bad check and gain restitution for the victim. Restitution cannot be obtained in every case, but the odds of collection can be greatly improved with your vigilance and help.

## **IF YOU RECEIVE A HOT CHECK, DO THIS:**

### **1. Checks returned for account closed, lack of funds, or insufficient funds:**

Send the attached Demand Letter by certified mail, return receipt requested to the address shown on:

- (1) the check;
- (2) bank records; or
- (3) your records.

Keep a copy of the letter, and if it is not paid in full within 15 days after the demand letter was mailed, go to Step 2 below. "Closed Account" may mean that the check writer has moved.

### **2. Call the County Attorney for an appointment (361-790-0114).**

**A. Deadline.** Call the County Attorney's office after 15 days from when the demand letter was mailed. **DO NOT DELAY!** If more than 30 days have elapsed, the check writer becomes more difficult to locate and there is less chance of restitution for you.

#### **B. Bring to appointment:**

- a. original check;
- b. copy of the demand letter sent to the check writer; **(if the letter is returned, bring the unopened letter also);**
- c. name of person who actually received the check and their contact information; and
- d. copies of the invoice, work order, cash register receipt (if any exist), and any notes about the transaction and the check writer. (This information is not required, but is always helpful.)

**C. After meeting with the County Attorney:** DO NOT ACCEPT FULL OR PARTIAL PAYMENT from the check writer. Payments must be made to the County Attorney after it is received by the County Attorney.

### **3. Action by County Attorney:**

Once the required documents and information are received from you, a letter will be sent to the check writer demanding payment. If there is no response from the check writer within 14 days, we will file a criminal case of theft by check or issuance of a bad

check. After the case is filed, the Aransas County Sheriff's Office will attempt to locate and arrest the check writer.

If you become aware of a new address for the check writer, you should call the County Attorney's office to advise us immediately.

**4. Restitution:**

Upon receipt of payment from the check writer, funds will be distributed to you.
