

LOOKING TO FURTHER YOU STUDIES?

DON'T LOOK FURTHER ..

Waterberg FET College is your **ANSWER!!**

Services:

Teaching and Learning:

At Waterberg FET College, the students are provided with quality learning and marketable skills, which is done through Human Resource development and sound policies. Registered students at the College are provided with extra lessons in Maths and English through the use of Remedial programmes.

Student Support Services:

Student Support Services at the College offers students assistance with career guidance, life skills, counseling, financial aid as well as work-placement support.

Educational Offering:

The College offers National Certification Vocational programmes and Occupational programmes **to address the skills shortage in South Africa.**

Formal programmes offered at the College are: National Certification Vocational (NCV): Finance, Economics and Accounting, Office Administration, Marketing, Tourism, Hospitality, Primary Agriculture, Information Technology, Civil Engineering, Engineering and Related Design, Electrical Infrastructure Construction and Primary Health.

Occupational Programmes: SACA (South African Chef Association)/NYCTP (National Youth Chef Training Programme) - Certificate and Diploma in Food Preparation and Culinary Arts, AgriSETA - Farm Machines and Equipment Maintenance, AgriSETA - Basic Hands on Skills and Fundamental Course (Level 2), International Computer Drivers Licence (ICDL), Pastel Accounting and Pastel Payroll (*to mention a few*).

College Pass Rate:

The College is **placed first in the Limpopo Province** based on its pass rate for NCV programmes.

Community and Business engagements:

The College received an accolade of being the neatest business development in Mokopane in 2012 from the Mokopane Chamber of Business.
