

Section Cash Receipt template

Sections may need to provide a cash receipt for certain activities or events. Below is a sample template. It is important to keep in mind that your Section's name must be used in conjunction with the AWS logo. To create a cash receipt, contact the Director, Member Services, to obtain an electronic AWS logo.

This logo is the property of AWS. Its use is limited exclusively to promoting AWS Section meetings and activities. It may not be used for any other purpose whatsoever.
