Consent form to grant an Australian visa to a child under the age of 18 years

Form

1229

Transaction Reference Number

Please read the following information carefully **BEFORE** you complete this consent and keep this page for your future reference.

Who should use this form?

Where children under 18 years of age intend to travel to Australia, their parents or legal guardians (guardian meaning anyone else who can lawfully determine where the child/children is/are to live) are required to sign a consent form to give permission for the child/children to be granted an Australian visa for the purpose of travel to Australia. If one parent has lawfully been made solely responsible for making decisions as to where the child/children is/are to live, then only that parent needs to sign the consent form. A certified copy of the relevant evidence (to confirm the family relationship or guardianship and the sole responsibility for the child/children) must be provided.

Note: If this consent form is requested and not lodged, the application will normally be refused.

How to complete this form

This form must be completed in English. The completed and signed form (pages 3 and 4 only) and any additional documentation must be sent to the office nominated in your application.

The nominated person should be physically present in Australia for the period of the child/children's intended stay. Depending on the child/children's personal circumstances, the nominated person may be asked to provide an undertaking in writing.
