Agreement of Cadet

Under the terms of the Branch for ADSO Program, I request _____ (first preference), or _____ (second preference), as my Basic Branch of choice. In exchange for receiving either Basic Branch of choice as stated above, I hereby agree to incur an additional three (3) years to my commissioning ADSO depending on my ROTC scholarship level. For scholarships or non-scholarships incurring a three (3) year commissioning ADSO, my new Active Federal Commissioned Service ADSO will be six (6) years. For scholarships incurring a four (4) year commissioning ADSO, my new Active Federal Commissioned Service ADSO will be seven (7) years.

Agreement of the Department of the Army

In consideration of the agreement by the Cadet above, the Department of the Army agrees to assign me to either Basic Branch as stated above upon commissioning.

Acknowledgement/Statement of Understanding

1. I understand that the ADSO incurred pursuant to the Army's Branch for Active Duty Service Obligation Program as stated above will be in addition to my initial 3 or 4 year ROTC ADSO I incurred pursuant to AR 350-100 and the terms of my ROTC contract (CC Pam 145-4, DA Form 597-3). I further understand that the ADSO incurred pursuant to the Army's Branch for ADSO program as stated above is in addition to, and must be served consecutively with, any other ADSO I may have incurred pursuant to the Army's Graduate School for Active Duty Service Obligation (ADSO) or Post for ADSO programs.
2. I understand that the ADSO incurred pursuant to the Army Branch for Active Duty Service Obligation Program will be served consecutively and not concurrently with my initial 3 or 4 year ROTC ADSO and will begin on the day after my initial 3 or 4 year ROTC ADSO is completed. If I am branched Aviation, this ADSO will begin upon completion of my flight school ADSO. Thereafter, the ADSO incurred pursuant to the Army Branch for ADSO Program will be served concurrently with any other non-statutory ADSOs. If I am a scholarship Cadet, I understand that upon completion of my initial 4 year ROTC ADSO, I will have satisfied the terms of my Cadet service agreement and that I will not be subject to reimbursement for a pro-rata share of the cost of my ROTC scholarship if I fail for any reason to serve any part of the ADSO incurred pursuant to the Army's Branch for ADSO Program.
3. I understand that this agreement does not supersede or replace my Cadet Service agreement and understand that this agreement is contingent upon my satisfying all of the necessary requirements for graduation and commissioning.
4. I understand that this agreement may be canceled by the Secretary of the Army, or his designee, at any time based on the needs of the Army.
5. I understand that the availability of my branch is subject to change based on the requirements of the Army.
6. In the event that the branch is not available based on circumstances not under my control or due to lack of availability to the Army, this contract will become void.
7. In the event that I, subsequent to signing the contract, request assignment to a different branch and the Army consents, the ADSO I incurred from the Branch for Active Duty Service Obligation (ADSO) Program remains in effect.

8. I have read and understand the statements above and understand these statements are intended to constitute all the promises and guarantees concerning my participation in the Army's Branch for ADSO Program. No other (verbal or otherwise) promise or representation not contained in this agreement is valid or will be honored. I hereby state that I have not been promised anything other than what is written on this agreement and hereby waive any claim based upon any promise or representation not contained in this agreement.
