- If you are eligible for a visa, your passport, visa, and immigrant visa packet will be delivered to your designated delivery address a TNT office. Delivery should be within two weeks from your visa issuance.
Important: Please **do not open the visa** packet envelope. Please do not purchase airplane tickets or make other life changes until you have received your visa.

Some visa applications require further administrative processing, which takes additional time after the visa applicant's interview by a Consular Officer. Applicants are advised of this requirement at the time of interview. Most administrative processing is resolved within 60 days of the visa interview. When administrative processing is required, the timing will vary based on individual circumstances of each case. Before making inquiries about status of administrative processing, applicants or their representatives will need to wait at least 60 days from the date of interview or submission of supplemental documents, whichever is later.

- If we have questions about your application, we will send an email and ask you to submit additional documents, or to return to the Embassy for another interview. No Embassy representative is authorized to tell you that a visa has been approved until a consular officer authorizes printing of the visa. Ensure you register for passport return and complete your application indicating a reliable email address.
- For the safety and security of all applicants and employees, visa applicants are not permitted to bring cell phones or other electronic devices into the U.S. Embassy. Applicants who bring such devices will be denied entry. Please make arrangements to leave your electronic equipment in a safe location off Embassy grounds during your interview appointment.
- We will try to return documents that you submitted and asked us to return, but do not give us anything that cannot be replaced. Make copies of important documents and submit copies along with the originals.
- Your passport must be valid for at least six (6) months. We will ask you to submit a new passport if your current one has a validity of less than six (6) months.
- **Do not finalize arrangements for travel to the United States, dispose of properties, or resign from your job until a visa has been issued and delivered to you.** Generally, an immigrant visa is valid for six months from the date of issuance, unless its validity is limited by medical or other restrictions.
- **After you have Received the Passport and the Visa Packet**

Do not open the sealed envelope, which contains your immigration packet. It should not be changed, and it should be surrendered along with the X-rays to the U.S. immigration officer at a port of entry into the United States. Do not pack it; it must be hand-carried. You will fill out the Form "Alien Registration Card" (Form I-551), known as Green Card at the port of entry. This card will be mailed to the address in the United States, as written in your application forms. This is a very important document, which will serve as proof that you have permission for permanent residency and gives you the opportunity to stay and enter the USA without a visa.

The visa in the passport is usually valid for six months (in some cases for less than six months, thus check your visa's expiration date). Check your data on the visa for any possible misspelling. If you notice any misspelling on the visa, you should contact the call center immediately. You should enter the U.S. before your visa expires; otherwise you will lose your status. Do not travel outside USA before you have received your Permanent Resident Card.

Your visa can not be extended beyond the six month period, and the fees paid for the visa are not refundable. If, for any reason you could not use your visa, please turn it back to the Consular Section, U.S. Embassy Tbilisi. Another visa will be issued only if you prove that it was impossible for you to travel for reasons beyond of your control.

For a guide concerning new immigrants to the United States, please visit the USCIS web page "[Welcome to the United States: A Guide for New Immigrants](#)" and [Welcome To USA website](#). After being issued the Permanent Resident Card, you should stay abroad **for less than one year**, otherwise you will be considered to have lost your status of Legal Permanent Resident. For more information on the rights and responsibilities as Legal Permanent Residents, please visit the USCIS pamphlets "[I am a Permanent Resident. How Do I Know What My Responsibilities Are?](#)" (PDF 1.19 KB), and "[How Do I Get a Reentry Permit](#)" (PDF 1.18 KB). If you have questions regarding the Permanent Resident Card, or if you did not receive your card within a certain time, please contact the [USCIS office](#) in the state where you are living.

▪ **Important**

No assurance can be given in advance that a visa will be issued. A consular officer can make a decision only after the formal application and all documents are reviewed, and that officer has personally interviewed the applicants. Beneficiaries should not make any travel arrangements for departure, dispose of personal property or make other life changes until the visa has been received. An immigrant visa is valid for a maximum of six months from the date of issuance. Applicants must travel and apply for admission to the United States before their immigrant visas expire. This office will make every effort to expedite the process. However should complications arise, applicants may be required to return to this office or furnish additional information.

Failure to follow these instructions will result in delay of your visa application. Please do not reply to this email. Any replies sent will not be received. If you have any questions, please use the following web site to contact us: www.ustraveldocs.com. When communicating with our office about your case, please provide your full name and the case number exactly as shown in this letter. We strongly advise you not to buy tickets or make any permanent travel arrangements before you receive a visa. Same day visa printing is not possible. Incomplete, missing or incorrectly assembled documents may result in the rescheduling of your appointment to a future date. Please remember that a consular official may request further information or documents, in order to determine your eligibility, at any time during or after the interview.

W A R N I N G

VISA FRAUD IS A SERIOUS OFFENSE. ATTEMPTS TO MISREPRESENT A MATERIAL FACT OR MISLEAD A CONSULAR OFFICER MAY RESULT IN DENIAL OF CURRENT AND FUTURE VISA APPLICATIONS OR PERMANENT INELIGIBILITIES
