PLEASE READ CAREFULLY BEFORE SIGNING: In understand that this checklist reflects the general condition of my vehicle when released to **Dealer Name** Here, Inc. for service but does not include mention of any hidden defects.

Should such defects appear/be found during the service of my vehicle, I instruct *Dealer Name* Here, Inc. to contact me, or my representative, for authorization to repair any defect that would affect the proper and safe completion/operation of said service, provided it is in their capacity to repair. My authorization gives *Dealer Name* Here, Inc. permission to make the necessary repairs at my expense. I also understand that these additional repairs may cause some delay in completion of my service. I further understand that some, or possibly all, of the gasoline in my vehicle will be used to move my vehicle in and about your premises for road testing and reasonable additional mileage will be accrued.
