SECTION 2: REPAYMENT PLAN OR RECERTIFICATION REQUEST

Before completing this form, carefully read the entire form. Return the completed form and any required documentation to the address shown in Section 7. You may be able to complete your request online by visiting StudentLoans.gov.

Other repayment plans may be available and may offer a lower monthly payment amount. You may pay more interest over time under an income-driven plan and may have to pay federal income tax on any loan amount forgiven under an income-driven plan. A calculator is available at StudentAid.gov/repayment-estimator to estimate your payment amounts under all available repayment plans.

1. Please select the reason that you are completing this request by checking box a, b, or c, below.

- a. I am requesting a repayment plan based on my income – Check the plan(s) you are requesting below and then continue to item 2.

Pay As You Earn	<input type="checkbox"/>	Not Available

I request that my loan holder determine which of the above plans I am eligible for, and place me on the plan with the lowest monthly payment amount.	<input type="checkbox"/> Only IBR is available for FFEL Program loans	

Your request will apply to all of your loans that are eligible for the plan you choose. You will need to choose a different repayment plan for loans that are not eligible for an income-driven repayment plan (see section 9) or those loans will be placed on the standard repayment plan.

SECTION 6: BORROWER REQUEST UNDERSTANDINGS, AUTHORIZATION, AND CERTIFICATION

- **I request** to use the plan I selected in Section 2 to repay my eligible Direct Loan or FFEL Program loans held by the holder to which I submit this form. If I selected the option to allow my loan holder to choose my plan or I do not qualify for the plan(s) I requested, I request my loan holder place me in the plan with the lowest monthly payment amount. If I selected more than one plan, I request my loan holder place me in the plans with the lowest monthly payment amount from the plans that I requested. If more than one plan provides the same initial payment amount, I understand that my loan holder will choose the plan that is likely to keep my monthly payment amount lower in subsequent years or provides terms and conditions that better limit the total cost of my loans.
- **I understand that:**
 - (1) If I am entering repayment on my loan for the first time and do not provide my loan holder with this completed form and any other documentation required by my loan holder, or if I do not qualify for the repayment plan that I requested, I will be placed on the standard repayment plan (see Section 9).
 - (2) If I am currently repaying my loan under a different repayment plan and want to change to the repayment plan I selected in Section 2, my loan holder may grant me a forbearance for up to 60 days to collect and process documentation supporting my request for the selected plan. I am not required to make loan payments during this period of forbearance, but interest will continue to accrue. Unpaid interest that accrues during this forbearance period will not be capitalized (see Section 9).
 - (3) If I am in a deferment or forbearance at the time I request one of the repayment plans listed in Section 2, my loan holder may end the deferment or forbearance early to process my new repayment plan request.
 - (4) If I am delinquent in making payments under my current repayment plan at the time I request one of the repayment plans listed in Section 2, my loan holder may grant me a forbearance to cover any payments that are overdue, or that would be due, at the time my request is processed. Unpaid interest that accrues during this forbearance period may be capitalized.
 - (5) If I am requesting the ICR plan, my initial payment amount will be the amount of interest that accrues each month on my loan until my loan holder receives the income documentation needed to calculate my ICR payment amount. If I cannot afford the initial interest payments, I may request forbearance by contacting my loan holder.
- **I authorize** the loan holder to which I submit this request (and its agents or contractors) to contact me regarding my request or my loan(s), including repayment of my loan(s), at the number that I provide on this form or any future number that I provide for my cellular telephone or other wireless device using automated telephone dialing equipment or artificial or prerecorded voice or text messages.
- **I certify** that all of the information I have provided on this form and in any accompanying documentation is true, complete, and correct to the best of my knowledge and belief.

SECTION 9: DEFINITIONS

- The **William D. Ford Federal Direct Loan (Direct Loan) Program** includes Direct Subsidized Loans, Direct Unsubsidized Loans, Direct PLUS Loans, and Direct Consolidation Loans.
- The **Federal Family Education Loan (FFEL) Program** includes Federal Stafford Loans (both subsidized and unsubsidized), Federal PLUS Loans, Federal Consolidation Loans, and Federal Supplemental Loans for Students (SLS).
- The **Income-Based Repayment (IBR) plan** is a repayment plan with monthly payments that are limited to 15% (10% if you are a new borrower) of your discretionary income, divided by 12.
 - **Discretionary income** for this plan is the amount by which your adjusted gross income exceeds 150% of the poverty guideline amount for your state of residence and family size. To initially qualify for IBR and to continue making income-based payments under this plan, you must have a partial financial hardship (see definition).
 - **Eligible loans for the IBR plan** are Direct Loan and FFEL Program loans other than: **(1)** a loan that is in default, **(2)** a Direct or Federal PLUS Loan made to a parent borrower, or **(3)** a Direct or Federal Consolidation Loan that repaid a Direct or Federal PLUS Loan made to a parent borrower. Federal Perkins Loans, HEAL loans or other health education loans, and private education loans are not eligible to be repaid under the IBR plan.
 - You are a **new borrower for the IBR plan** if **(1)** you have no outstanding balance on a Direct Loan or FFEL Program loan as of July 1, 2014 or have no outstanding balance on a Direct Loan or FFEL Program loan when you obtain a new loan on or after July 1, 2014.
- The **Pay As You Earn plan** is a repayment plan with monthly payments that are limited to 10% of your discretionary income, divided by 12.
 - **Discretionary income** for this plan is the amount by which your adjusted gross income exceeds 150% of the poverty guideline amount for your state of residence and family size. To initially qualify for the Pay As You Earn plan and to continue to make income-based payments under this plan, you must have a partial financial hardship (see definition) and be a new borrower (see definition).
 - **Eligible loans for the Pay As You Earn plan** are Direct Loan Program loans received by a new borrower other than: **(1)** a loan that is in default, **(2)** a Direct PLUS Loan made to a parent borrower, or **(3)** a Direct Consolidation Loan that repaid a Direct or Federal PLUS Loan made to a parent borrower. FFEL Program Loans, Federal Perkins Loans, HEAL loans or other health education loans, and private education loans are not eligible to be repaid under the Pay As You Earn plan.
 - You are a **new borrower for the Pay As You Earn plan** if: **(1)** you have no outstanding balance on a Direct Loan or FFEL Program loan as of October 1, 2007 or have no outstanding balance on a Direct Loan or FFEL Program loan when you obtain a new loan on or after October 1, 2007, and **(2)** you receive a disbursement of a Direct Subsidized Loan, Direct Unsubsidized Loan, or a Direct PLUS Loan made to a student borrower on or after October 1, 2011, or you receive a Direct Consolidation Loan based on an application received on or after October 1, 2011. However, you are **not** considered a new borrower if the Direct Consolidation Loan you receive repays loans that would make you ineligible under part **(1)** of this definition.
- The **Income-Contingent Repayment (ICR) plan** is a repayment plan with monthly payments that are the lesser of **(1)** what you would pay on a 12-year standard repayment plan multiplied by an income percentage factor or **(2)** 20% of your discretionary income divided by 12.

- **Discretionary income** for this plan is the amount by which your adjusted gross income exceeds the poverty guideline amount for your state of residence and family size.
- **Eligible loans for the ICR plan** are Direct Loan Program loans other than: **(1)** a loan that is in default, **(2)** a Direct PLUS Loan made to a parent borrower, or **(3)** a Direct PLUS Consolidation Loan (these are Direct Consolidation Loans made based on an application received prior to July 1, 2006 that repaid Direct or Federal PLUS Loans made to a parent borrower). FFEL Program Loans, Federal Perkins Loans, HEAL loans or other health education loans, and private education loans are not eligible to be repaid under the ICR plan. A Direct Consolidation Loan made based on an application received on or after July 1, 2006 that repaid a Direct or Federal PLUS Loan made to a parent borrower, is eligible for the ICR plan.
- A **partial financial hardship** is an eligibility requirement for the IBR and Pay As You Earn plans.
 - You have a partial financial hardship when the annual amount due on all of your eligible loans or, if you are married and file a joint federal income tax return, the annual amount due on all of your eligible loans and your spouse's eligible loans, exceeds 10% (for the Pay As You Earn plan and for new borrowers under the IBR plan) or 15% of the amount by which your adjusted gross income (AGI) exceeds 150% of the annual poverty guideline amount for your family size and state of residence.
 - For both the IBR and Pay As You Earn plans, the annual amount of payments due is calculated based on the greater of **(1)** the total amount owed on eligible loans at the time those loans initially entered repayment, or **(2)** the total amount owed on eligible loans at the time you initially request the IBR or Pay As You Earn plan. The annual amount of payments due is calculated using a standard repayment plan with a 10-year repayment period, regardless of loan type.
- If you are married and file a joint federal income tax return, your AGI includes your spouse's income. The **poverty guideline amount** is the figure for your state and family size from the poverty guidelines published annually by the U.S. Department of Health and Human Services (HHS). The HHS poverty guidelines are used for purposes such as determining eligibility for certain federal benefit programs. If you are not a resident of a state identified in the poverty guidelines, your poverty guideline amount is the amount used for the 48 contiguous states.
- **Family size** includes you, your spouse, and your children (including unborn children who will be born during the year for which you certify your family size), if the children will receive more than half their support from you. It includes other people only if they live with you now, they receive more than half their support from you now, and they will continue to receive this support from you for the year that you certify your family size. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs. For the purposes of these repayment plans, your family size may be different from the number of exemptions you claim on your federal income tax return.
- **Capitalization** is the addition of unpaid interest to the principal balance of your loan. This will increase the principal balance and the total cost of your loan.
- The **holder** of your Direct Loans is the U.S. Department of Education (the Department). The holder(s) of your FFEL Program loan(s) may be a lender, secondary market, guaranty agency, or the Department. Your loan holder(s) may use a servicer to handle billing, payment, repayment options, and other communications on your loans. References to "your loan holder" on this form mean either your loan holder(s) or your servicer.
- The **standard repayment plan** has a fixed monthly payment amount over a repayment period of up to 10 years for loans other than Direct or Federal Consolidation Loans, or up to 30 years for Direct and Federal Consolidation Loans.

SECTION 10: ELIGIBILITY REQUIREMENTS

INFORMATION ABOUT THE IBR AND PAY AS YOU EARN PLANS:

- To initially qualify to repay your loan under the IBR or Pay As You Earn plan and to continue to qualify to make payments based on your income, you must have a partial financial hardship (as defined in Section 9). If you are married and file a joint federal income tax return, your loan holder will also take your spouse's income and eligible loans into account when determining whether you have a partial financial hardship.
- For the Pay As You Earn plan, you must be a **new borrower** as defined in Section 9.
- Although the Pay As You Earn plan is available only for Direct Loan Program loans, the Department will take any FFEL Program loans that you have into account when determining whether you have a partial financial hardship except for: **(1)** a FFEL Program loan that is in default, **(2)** a Federal PLUS Loan made to a parent borrower, or **(3)** a Federal Consolidation Loan that repaid a Federal or Direct PLUS Loan made to a parent borrower.
- After entry into the IBR or Pay As You Earn plan, you must annually certify your family size and provide income documentation for determination of whether you continue to have a partial financial hardship. Your loan holder will notify you of the deadline by which you must provide this documentation. Your monthly payment amount may be adjusted annually. The new payment amount may be higher or lower, depending on the income documentation and family size information you provide each year.
- If you do not provide updated income documentation annually, within 10 days of the deadline provided by your loan holder, after requested to do so by your loan holder, your payment amount will be the 10-year standard payment amount calculated at the time that you initially entered the IBR or Pay As You Earn plan and any outstanding interest will be capitalized (added to your principal balance).
- You will never pay more per month under the IBR or Pay As You Earn plan than you would on the 10-year standard repayment plan, based upon the amount owed on your eligible loans at the time you initially entered the IBR or Pay As You Earn plan.
- Under the IBR or Pay As You Earn plan, your monthly payment may be less than the monthly accruing interest. On subsidized loans, you are not required to pay any monthly accrued interest that exceeds your monthly payment amount for a maximum of three consecutive years from the date that you start repaying your loans under the IBR or Pay As You Earn plan. The three-year consecutive period limit does not include any period during which you receive an economic hardship deferment. On unsubsidized loans, all accruing interest is your responsibility.
- If you are determined to no longer have a partial financial hardship or you leave the IBR or Pay As You Earn plan, any unpaid interest will be capitalized (added to your principal balance). However, if you are in the Pay As You Earn plan and are determined to no longer have a partial financial hardship, the amount that is capitalized is limited to 10% of the outstanding principal balance on your loans at the time that you entered the Pay As You Earn plan.
- If you leave the IBR plan, you will be placed on the standard repayment plan and your monthly payment amount will be calculated based on the outstanding balance of your eligible loans at the time you leave the IBR plan and the repayment period remaining for your loans. If you wish to repay your loans under a different repayment plan, you must first make one payment under the standard repayment plan or make a reduced payment under a forbearance agreement with your loan holder while you are on the standard repayment plan.
- If you leave the Pay As You Earn Plan, you may change to any other repayment plan for which you qualify.
- Under the IBR and Pay As You Earn plans, if your loan is not repaid in full after you have made the equivalent of 20 years (for the Pay As You Earn plan and for new borrowers under the IBR plan) or 25 years (for all other borrowers under the IBR plan) of qualifying monthly payments and that many years have elapsed, any remaining debt will be forgiven. If you receive an economic hardship deferment, any months of economic hardship deferment are considered the equivalent of qualifying payments. Months for which you receive any other type of deferment or months of forbearance are not counted as qualifying payments, and do not count toward the 20- or 25-year forgiveness period. Any amount forgiven under the IBR plan or Pay As You Earn plan may be considered income by the Internal Revenue Service and subject to federal income tax.

SECTION 10: ELIGIBILITY REQUIREMENTS (CONTINUED)

INFORMATION ABOUT THE ICR PLAN:

- All Direct Loan borrowers are eligible to repay their eligible loans on the ICR plan. You are not required to have a partial financial hardship to use the ICR plan. To repay eligible loans under the ICR plan, you must submit documentation of your income. If you are married and file a joint federal tax return, the Department will also take your spouse's income into account when calculating your monthly payment amount.
- If you are married, you and your spouse may choose to repay your loans jointly under the ICR plan. If you choose to repay jointly, the Department will use your combined income and Direct Loan debt to calculate a joint ICR payment amount, and will then prorate the joint payment amount to determine separate ICR monthly payment amounts for you and your spouse that are proportionate to each individual's share of the combined Direct Loan debt. You and your spouse may select this option under the ICR plan regardless of your federal tax return filing status.
- After entry into the ICR plan, you must annually certify your family size and provide income documentation so that the Department can adjust your payment amount to reflect more recent income information. Your new payment amount may be higher or lower, depending on the income documentation and family size information you provide each year. The Department will notify you when you must provide this documentation.
- If you do not provide updated income documentation annually by the deadline provided by the Department, your payment amount will be calculated based on a 10-year standard repayment plan using the loan balance at the time you entered repayment under the ICR repayment plan.
- Under the ICR plan, your monthly payment may be less than the monthly accruing interest. The accruing interest that is not satisfied by your monthly payment will be capitalized annually. You will receive a notice telling you when the interest will be capitalized, and you will have the opportunity to pay that interest before it is capitalized. While you remain in ICR, the amount of interest that is capitalized will be limited to 10% of the outstanding principal balance on your loans at the time that you entered repayment.
- Under the ICR plan, if your loan is not repaid in full after you have made the equivalent of 25 years of qualifying

monthly payments and at least 25 years have elapsed, any remaining debt will be forgiven. If you receive an economic hardship deferment, any months of economic hardship deferment are considered the equivalent of qualifying payments. Months for which you receive any other type of deferment or months of forbearance are not counted as qualifying payments, and do not count toward the 25-year forgiveness period. Any amount forgiven under the ICR plan may be considered income by the Internal Revenue Service and subject to federal income tax.

IMPORTANT INFORMATION ABOUT ALTERNATIVE DOCUMENTATION OF INCOME:

- **YOU ARE REQUIRED** to provide alternative documentation of your income if:
 - You did not file a federal tax return for either of the two most recently completed tax years; or
 - You have been notified by your loan holder(s) that alternative documentation of your income is required.
- **YOU MAY** provide alternative documentation of your income if your Adjusted Gross Income (AGI), as reported on your most recently filed federal tax return, *does not reasonably reflect your current income*, for example, because of a loss of or change in employment by you or your spouse.
- **YOU ARE NOT REQUIRED** to provide alternative documentation of your income if you can provide a copy of your most recently filed federal tax return or an IRS tax return transcript from either of the two most recently completed tax years; and that documentation *reasonably reflects* your current income.

IMPORTANT INFORMATION ABOUT PUBLIC SERVICE LOAN FORGIVENESS (PSLF):

- The Public Service Loan Forgiveness Program allows eligible borrowers to cancel the remaining balance of their Direct Loans after they have served full time at a qualifying employer for at least 10 years, while making 120 qualifying loan payments, including payments under the IBR, Pay As You Earn, and ICR plan.
- Qualifying employers include governmental organizations and many not-for-profit organizations.
- For more information about PSLF, see [StudentAid.gov/PublicService](https://studentaid.gov/publicservice).

SECTION 11: SAMPLE PAYMENT AMOUNTS (CONTINUED)

Below are three tables that provide examples of monthly and total payment amounts under the IBR, Pay As You Earn, and ICR Plans. These figures are estimates, and use an interest rate of 8.25%. The figures also assume that you are single, do not have anyone else in your household, and that you live in one of the 48 contiguous states. Various factors, including your actual interest rate, the amount of your loan debt, your income, and whether and how quickly your income rises (these figures assume income increases 5% per year), may cause your payment amount to differ from the payment amounts shown in these tables. These figures use the 2013 Poverty Guidelines (published by the U.S. Department of Health and Human Services) and Income Percentage Factors.
