LEARN ABOUT YOUR
ALMOST FAMOUS DJ

Straight from Los Angeles, California, Phillip Sison, a.k.a. DJ P-JAY, began his career of becoming a DJ with two old school tape deck players with his two older brothers in 1996. A year later, P-JAY and his brothers invested in two turntables, a mixer and the whole nine yards. Honing his skills with much practice in his garage, so called "studio," he has set himself apart to be unique in his own way of mixing.

With much practice and hard work, it has led him to DJ for A-List Celebrities such as Kevin Bacon and Kira Sedgwick for the Official after party of TNT's show "The Closer" at the well known Day After night club formerly known as Montmartre Lounge in Hollywood in 2006. P-JAY has also performed to the likes of Teddy Riley of Blackstreet, Stevie B., Rza of the Wu-Tang Clan, Mario, Mos Def, Manny "PacMan" Pacquiao, Apl De Ap of The Black Eyed Peas as well as DJing special private celebrity events for the Los Angeles Lakers roster. Other than DJing for celebrity actors and actresses, he has had the opportunity to open up many times for DJ Splyce, a celebrity DJ who was named "Hollywood's Disc Jockey to the Stars." He has built his relationship with Splyce and Hollywood's Top Night Life Personnel as well as creating a perfect fan base for the world to encounter.

In March of 2007, P-JAY was declared a part of Los Angeles and Orange County's all new MOVIN 93.9 Street Team with the famous Rick Dees In The Morning Show! Three years later, he then joined LA's #1 Hit Radio Station Flava Unit (Street Team), Power 106 with Big Boy's Neighborhood Morning Show, opening more doors and creating more opportunities for himself. As being one of the prominent up and coming Power mixers, P-JAY takes on the airwaves on Power 106 Los Angeles (105.9 or www.Power106.com) and shows the world what he really is made of. Other than DJing from city to city for Power 106 listeners, you could also catch DJ P-JAY, who has been one of Young Hollywood's up and rising DJs capitalizing the LA club scene headlining at Hollywood's Hot Spots such as The Highlands, Les Deux Cafe, Social, Falcon, Playhouse, My House, Villa, Element, and Vanguard to name a few. Holding down residencies at Hot Spots such as Barbarella Lounge in Los Angeles (Wednesdays), V-Lounge in Santa Monica (Thursdays), Les Deux in Hollywood and Haute in West Hollywood (Fridays), Cantina Lounge in Orange County (Saturdays) and My House in Hollywood (Sundays) has him working almost every day of the night making no time for rest but time just to live for his passion of music. If not at a night club, you can hope to chase your wonderful DJ at the Guess ? By Marciano Store inside the Hollywood and Highland Complex where he is the current Resident DJ there as well as for PUMA and Metropark stores across the Los Angeles County where being sponsored does a wonderful deed for himself. P-JAY has worked with corporate clients such as Guess ? By Marciano, Puma, Nike, Metropark, Active Ride Shop, Bally Total Fitness Gym and Hershey's. This Party Rocker gets the crowd with his amazing and ear opening acapella and beat combo's and sick mash ups consisting of an eclectic mix of different genres. Just wait until his Video Mix comes out. You can definitely grasp a sample of DJ P-JAY at a city near you.
