

[Doctor=s letterhead]

Date: _____ Fax No. _____

Dear Dr. _____, this fax will confirm our conversation of today wherein we discussed your patient _____ and his/her condition(s) of

_____ and our proposed treatment of

_____ with local anesthesia with epinephrine with without IV Sedation

scheduled for _____. In response, you recommended the following:

_____.

Thank you for your advice in this matter. Please immediately advise us before the next business day if this letter is not accurate or if the patient=s condition should significantly change before our scheduled treatment/operation as noted above. Otherwise we will proceed as noted and will assume the foregoing is a correct statement of your advice.
