STATEMENT OF BASIS AND PURPOSE – COLORADO RULES GOVERNING RETAIL MARIJUANA

On November 6, 2012, Colorado voters approved an amendment to the Colorado Constitution, Article XVIII, Section 16, popularly known as “Amendment 64,” which directed the Colorado Department of Revenue to promulgate rules governing businesses that cultivate and sell Retail Marijuana. The amendment was proclaimed into the Colorado Constitution on December 10, 2012.

Because Amendment 64 presented issues of first impression in Colorado and the United States, along with very short timeframes for implementation, Governor John Hickenlooper established the Amendment 64 Implementation Task Force, co-chaired by Executive Director of the Department of Revenue Barbara Brohl and the Governor’s Chief Legal Counsel Jack Finlaw, on December 10, 2012. The Governor directed the Task Force “to identify the legal, policy, and procedural issues that must be resolved, and to offer suggestions and proposals for legislative, regulatory, and executive actions that need to be taken, for the effective and efficient implementation of Amendment 64.” The Task Force, assisted by several Working Groups, provided extensive policy recommendations to the Colorado General Assembly.

The Colorado General Assembly adopted three bills during the 2013 legislative session to implement Amendment 64, and Colorado Governor John Hickenlooper signed those bills into law on May 28, 2013. Amendment 64 and the implementing legislation (particularly, House Bill 13-1317) required that the State Licensing Authority, the Executive Director of the Colorado Department of Revenue, promulgate certain rules on or before July 1, 2012. To comply with those requirements within the short period between adoption of the legislation and required promulgation of rules, the State Licensing Authority adopted emergency rules governing Retail Marijuana in the state of Colorado.

Immediately after adopting the emergency regulations, the Department of Revenue convened five representative groups, known as working groups, which provided input and substantive suggestions regarding proposed rules governing Retail Marijuana Establishments and Medical Marijuana Businesses in Colorado. Each working group discussed a different set of issues, broken down as follows: Licensing, Licensed Premises, Transportation, and Storage; Licensed Entities and Inventory Tracking; Record Keeping, Enforcement and Discipline; Labeling, Packaging, Product Safety & Marketing; and Medical Differentiation. Representatives from law enforcement, the Governor’s Office, the Attorney General’s Office, the Department of Public Health and Environment, local authorities, industry members, trade

industries, child protection advocates, and subject matter experts in the fields of substance abuse, toxicology, pharmacology and marketing participated in the working groups.

On July 15, 2013, the State Licensing Authority filed a Notice of Rulemaking with the Colorado Secretary of State. Since that time, many written comments from the public have been submitted. On August 20 and 21, 2013, a rulemaking hearing was held regarding the proposed rules, and many members of the public provided oral testimony. The public was informed that written comments on the proposed rules would be accepted until 5:00 p.m. on August 27, 2013, and many additional written comments were submitted.

The State Licensing Authority has considered the rulemaking record. That record includes all materials considered by or produced by the Governor's Amendment 64 Implementation Task Force and its working groups; the oral and written record of the meetings of the State Licensing Authority's rulemaking working groups; all written comments submitted regarding the proposed rules; and all oral testimony provided during the August 20 and 21, 2013 rulemaking hearing.

The State Licensing Authority has also considered the direction provided by the United States Department of Justice through an August 29, 2013 letter from United States Attorney General Eric Holder to Governors John Hickenlooper of Colorado and Jay Inslee of Washington, and an accompanying memorandum to all United States Attorneys from Deputy Attorney General James M. Cole. Through this correspondence, the United States Department of Justice has clarified that it will continue to enforce the Controlled Substances Act in Colorado, but that it will not challenge Colorado's ability to regulate the Retail Marijuana industry in accordance with state law, based upon the expectation that the state and local governments will implement strong and effective regulatory and enforcement systems that address public safety, public health and other law enforcement interests. Some of those federal law enforcement priorities of particular relevance to these rules include preventing the distribution of marijuana to minors, preventing the diversion of marijuana from states where it is legal under state law to other states, and preventing the exacerbation of adverse public health consequences associated with marijuana use. As an illustration, Deputy Attorney General Cole noted that the federal interest in preventing the distribution of marijuana to minors "would call for enforcement not just when an individual or entity sells or transfers marijuana to a minor, but also when marijuana trafficking takes place near an area associated with minors; when marijuana or marijuana-infused products are marketed in a manner to appeal to minors; or when marijuana is being diverted, directly or indirectly, and purposefully or otherwise, to minors."

In adopting these rules, the State Licensing Authority is complying with the mandates and objectives set forth by the people of the State of Colorado through Amendment 64 and the Colorado General Assembly through House Bill 1317. These rules are designed not to make the operation of Retail Marijuana Establishments unreasonably impracticable, but also promote public safety and ensure compliance with constitutional and statutory guidelines. These rules must implement the extensive regulatory requirements set forth in Amendment 64 and House Bill 13-1317. Above all though, these rules accomplish the state of Colorado's guiding principle through this process: to create a robust regulatory and enforcement environment that protects public safety and prevents diversion of Retail Marijuana to individuals under the age of 21 or to individuals outside the state of Colorado.

Basis and Purpose – R 104

The statutory authority for this rule exists in subsections 12-43.4-(3)(a)(IX) and 24-4-105(11), and section 12-43.4-201, C.R.S. The purpose of this rule is to establish a system by which a Licensee may petition the Division to get a formal position by the State Licensing Authority on issues that will likely be applicable to other Licensees. By utilizing this system, Licensees can ensure that their due process rights are protected because the Administrative Procedure Act will apply. This system works for other divisions within the Department of Revenue and helps the regulated community get clarity on yet-unknown issues.

R 104 – Declaratory Orders Concerning the Retail Code

- A. Who May Petition for Statement of Position. Any person as defined in section 24-4-102(12), C.R.S., may petition the Division for a statement of position concerning the applicability to the petitioner of any provision of the Retail Code, or any regulation of the State Licensing Authority. The Division shall respond with a written statement of position within 30 days of receiving a proper petition.
- B. Petition for Declaratory Order. Any person who has properly petitioned the Division for a statement of position, and who is dissatisfied with the statement of position or who has not received a response within 30 days, may petition the State Licensing Authority for a declaratory order pursuant to section 24-4-105(11), C.R.S. A petition shall set forth the following:
 1. The name and address of the petitioner.
 2. Whether the petitioner is licensed pursuant to the Retail Code, and if so, the type of license and address of the Licensed Premises.
 3. Whether the petitioner is involved in any pending administrative hearings with the State Licensing Authority or relevant local jurisdiction.
 4. The statute, rule, or order to which the petition relates.
 5. A concise statement of all of the facts necessary to show the nature of the controversy or the uncertainty as to the applicability to the petitioner of the statute, rule, or order to which the petition relates.
 6. A concise statement of the legal authorities, if any, and such other reasons upon which petitioner relies.
 7. A concise statement of the declaratory order sought by the petitioner.

- C. State Licensing Authority Retains Discretion Whether to Entertain Petition. The State Licensing Authority will determine, in its discretion without prior notice to the petitioner, whether to entertain any petition. If the State Licensing Authority decides it will not entertain a petition, it shall promptly notify the petitioner in writing of its decision and the reasons for that decision. Any of the following grounds may be sufficient reason to refuse to entertain a petition:
1. The petitioner failed to properly petition the Division for a statement of position, or if a statement of position was issued, the petition for declaratory order was filed with the State Licensing Authority more than 30 days after statement of position was issued.
 2. A ruling on the petition will not terminate the controversy nor remove uncertainties concerning the applicability to petitioner of the statute, rule or order in question.
 3. The petition involves a subject, question or issue which is currently involved in a pending hearing before the state or any local licensing authority, or which is involved in an on-going investigation conducted by the Division, or which is involved in a written complaint previously filed with the State Licensing Authority.
 4. The petition seeks a ruling on a moot or hypothetical question.
 5. Petitioner has some other adequate legal remedy, other than an action for declaratory relief pursuant to Colo. R. Civ. Pro. 57, which will terminate the controversy or remove any uncertainty concerning applicability of the statute, rule or order.
- D. If State Licensing Authority Entertains Petition. If the State Licensing Authority determines that it will entertain the petition for declaratory order, it shall notify the petitioner within 30 days, and the following procedures shall apply:
1. The State Licensing Authority may expedite the hearing, where the interests of the petitioner will not be substantially prejudiced thereby, by ruling on the basis of the facts and legal authority presented in the petition, or by requesting the petitioner or the Division to submit additional evidence and legal argument in writing.
 2. In the event the State Licensing Authority determines that an evidentiary hearing or legal argument is necessary to a ruling on the petition, a hearing shall be conducted in accordance with Rules R 1304 – Administrative Hearings, R 1305 – Administrative Subpoenas, and R 1306 – Administrative Hearing Appeals. The petitioner will be identified as Respondent.
 3. The parties to any proceeding pursuant to this rule shall be the petitioner/Respondent and the Division. Any other interested person may seek leave of the State Licensing Authority to intervene in the proceeding and such leave may be granted if the State Licensing Authority determines that such intervention will make unnecessary a separate petition for declaratory order by the interested person.
 4. The declaratory order shall constitute a Final Agency Order subject to judicial review pursuant to section 24-4-106, C.R.S.
- E. Mailing Requirements. A copy of any petition for a statement of position to the Division and of any petition for a declaratory order to the State Licensing Authority shall be mailed, on the same day that the petition is

filed with the Division or State Licensing Authority, to the relevant local jurisdiction. Any petition filed with the Division or authority shall contain a certification that the mailing requirements of this paragraph have been met.

- F. Public Inspection. Files of all petitions, requests, statements of position, and declaratory orders will be maintained by the Division. Except with respect to any material required by law to be kept confidential, such files shall be available for public inspection.
- G. Posted on Website. The Division shall post a copy of all statements of positions or declaratory orders constituting Final Agency Orders on the Division's web site.

The Division may recommend denial of an application where the Applicant made intentional or purposeful misstatements, omissions, misrepresentations or untruths in the application or in connection with the Applicant's background investigation. This type of conduct may be considered as the basis for additional administrative action against the Applicant and it may also be the basis for criminal charges against the Applicant.
 - D. Application Forms Accessible. All application forms supplied by the Division and filed by an Applicant for a license, including attachments and any other documents associated with the investigation, shall be accessible by the State Licensing Authority, local jurisdictions, and any state or local law enforcement agency for a purpose authorized by the Retail Code or for any other state or local law enforcement purpose.

If the Licensee files a renewal application within 30 days prior to expiration, the Licensee must provide a written explanation detailing the circumstances surrounding the late filing. If the Division accepts the application, then it may elect to administratively continue the license beyond the expiration date while it completes the renewal licensing process.
3. An application for renewal will only be accepted if it is accompanied by:
 - a. The requisite licensing fees. See Rule R 209 - Schedule of Business License Renewal Fees: Retail Marijuana Establishments; and

1. In the event the license is not renewed prior to expiration, a Retail Marijuana Establishment may not operate.

This rule sets forth the general elements that will help the Division make the proper determination.

R 204 – Factors Considered When Evaluating Ownership of a License: Retail Marijuana Establishments

A partnership interest, limited or general, a joint venture interest, a licensing agreement, ownership of a share or shares in a corporation or a limited liability company which is licensed, or having a secured interest in furniture, fixtures used directly in the manufacture or cultivation of Retail Marijuana or Retail Marijuana Product, equipment or inventory constitutes ownership and a direct financial interest. If the Applicant for any license pursuant the Retail Code is a corporation or limited liability company, it shall submit with the application the names, mailing addresses, and Owner's background forms of all of its principal officers, directors, and Owners; a copy of its articles of incorporation or articles of organization; and evidence of its authorization to do business within this State. - B. When Administrative Service Fees Are Due. All administrative service fees are due at the time each applicable request is made.

Basis and Purpose - R 211

The statutory authority for this rule is found at subsections 12-43.4-202(2)(b), 12-43.3-202(3)(a), and 12-43.4-202(4)(b)(l)(a), section 12-43.4-104, and 12-43.4-501, C.R.S. The purpose of this rule is to clarify that existing Medical Marijuana Businesses may apply to convert a Medical Marijuana Business License to a Retail Marijuana Establishment License or may apply to obtain one additional license to operate a Retail Marijuana Establishment. It is important to note that the State Licensing Authority considers each license issued as separate and distinct. Each license, whether it is in the same location or not, is fully responsible to maintain compliance with all statutes and rules promulgated regardless of whether or not they are located in a shared address.

A Medical Marijuana Business may only obtain one Retail Marijuana Establishment License, whether it converts the Medical Business License or obtains a Retail Marijuana Establishment License, for each Medical Marijuana Business License it holds. In order to ensure all Retail Marijuana and Retail Marijuana Product are tracked in MITS and as a condition of licensure, a Medical Marijuana Business must declare in MITS all Medical Marijuana and Medical Marijuana Infused-Product that are converted for sale as Retail Marijuana or Retail Marijuana Product prior to initiating or allowing any sales. This declaration may be made only once, in part, due to the excise tax issues that may be implicated if a Licensee makes multiple conversions from Medical Marijuana or Medical Marijuana-Infused Product to Retail Marijuana or Retail Marijuana Product.

The State Licensing Authority received several comments from stakeholders who requested lower fees for Medical Marijuana Businesses that were either converting a Medical Marijuana Business license to a Retail Marijuana Establishment license or obtaining an additional Retail Marijuana Establishment license while retaining the existing Medical Marijuana Business license. The adopted permanent regulations reflect changes to address this concern. Under the rules as adopted Medical Marijuana Businesses that apply to convert to a Retail Marijuana Establishment license will be required to pay an application fee, but no license fees will be charged until such time as the renewal fees would have been due under the Medical Marijuana Business license term. The Retail Marijuana Establishment

license, if approved, would assume the balance of the license term from the Medical Marijuana Business license and have the same expiration date.

R 211 – Conversion - Medical Marijuana Business to Retail Marijuana Establishment

- A. Medical Marijuana Business Applying for a Retail Marijuana Establishment License. A Medical Marijuana Business in good standing or who had a pending application as of December 10, 2012 that has not yet been denied, and who has paid all applicable fees may apply for a Retail Marijuana Establishment license in accordance with the Retail Code and these rules on or after October 1, 2013. A Medical Marijuana Business meeting these conditions may apply to convert a Medical Marijuana Business license to a Retail Marijuana Establishment license or may apply for a single Retail Marijuana Establishment of the requisite class of license in the Medical Marijuana Code for each Medical Marijuana Business License not converted.
- B. Retail Marijuana Establishment Expiration Date
1. A Medical Marijuana Business converting its license to a Retail Marijuana Establishment license shall not be required to pay a license fee at the time of application for conversion.
 2. If a Medical Marijuana Business licensee is scheduled to renew its license during the processing of its conversion to a Retail Marijuana Establishment license, the Medical Marijuana Business must complete all renewal applications and pay the requisite renewal licensing fees.
 3. A Retail Marijuana Establishment license that was fully converted from a Medical Marijuana Business license will assume the balance of licensing term previously held by the surrendered Medical Marijuana Business license.
- C. Retail Marijuana Establishment Licenses Conditioned
1. It shall be unlawful for a Retail Marijuana Establishment to operate without being issued a Retail Marijuana Establishment license by the State Licensing Authority and receiving all relevant local jurisdiction approvals. Each Retail Marijuana Establishment license issued shall be conditioned on the Licensee's receipt of all required local jurisdiction approvals and licensing, if required.
 2. Each Retail Marijuana Establishment license issued shall be conditioned on the Medical Marijuana Business' declaration of the amount of Medical Marijuana or Medical Marijuana-Infused Product it intends to transfer from the requisite Medical Marijuana Business for sale as Retail Marijuana or Retail Marijuana Product. A Licensee that converts to a Retail Marijuana Establishment shall not exercise any of the rights or privileges of a Retail Marijuana Establishment until such time as all such Medical Marijuana and Medical Marijuana-Infused Product are fully transferred and declared in the MITS system as Retail Marijuana and Retail Marijuana Product. *See also*, Rule R 309 – Marijuana Inventory Tracking Solution (MITS).
- D. One-Time Transfer. Once a Retail Marijuana Establishment has declared Medical Marijuana and Medical Marijuana-Infused Product as Retail Marijuana or Retail Marijuana Product in MITS and begun exercising the rights and privileges of the license, no additional Medical Marijuana or Medical Marijuana-Infused Product can be transferred from the Medical Marijuana Business to the relevant Retail Marijuana Establishment at any time.

2. A license issued by the Division to Owners and Occupational License Licensees constitutes a revocable privilege. The burden of proving an Applicant's qualifications for licensure rests at all times with the Applicant.

 - a. All applications must be complete in every material detail.

The additional information must be provided to the Division no later than seven days of the request unless otherwise specified by the Division. Each Applicant shall provide any additional information required that the Division may request to process and fully investigate the application.

- C. Application Forms Accessible. All application forms supplied by the Division and filed by an Applicant for a license, including attachments and any other documents associated with the investigation, shall be accessible by the State Licensing Authority, local jurisdictions and any state or local law enforcement agency for a purpose authorized by the Retail Code or for any other state or local law enforcement purpose.

The Division may recommend denial of an application where the Applicant made intentional misstatements, purposeful omissions, misrepresentations, or untruths in the application or in connection with the Applicant's background investigation. This type of conduct may be considered as the basis of additional administrative action against the Applicant and it may also be the basis for criminal charges against the Applicant.

B. Other Licensing Requirements

1. Fingerprints Required

 - ii. If an Applicant's previous license was denied or revoked by the State Licensing Authority; or

- iii. When the Division needs additional information in order to proceed with a background investigation.
 2. Other Documents May Be Required. Any Applicant may be required to establish his or her identity and age by any document required for a determination of lawful presence.

An Applicant or Licensee shall notify the Division in writing of any felony criminal charge and felony conviction against such person within ten days of such person's arrest or felony summons, and within ten days of the disposition of any arrest or summons. Failure to make proper notification to the Division may be grounds for disciplinary action. Licensees shall cooperate in any investigation conducted by the Division. This duty to report includes, but is not limited to, deferred sentences or judgments that are not sealed. If the Division lawfully finds a disqualifying event and an Applicant asserts that the record was sealed, the Division may require the Applicant to provide proof from a court evidencing the sealing of the case.

Basis and Purpose – R 232

The statutory authority for this rule is found at subsections 12-43.4-202(2)(b), 12-43.4-306(1)(k), and 12-43.4-309(5), C.R.S. The purpose of this rule is to interpret residency requirements set forth in the Retail Code.

R 232 – Factors Considered When Determining Residency: Individuals

This rule applies to individual Applicants who are trying to obtain licenses issued pursuant to the Retail Code. This rule does not apply to patrons of Retail Marijuana Stores. When the State Licensing Authority determines whether an Applicant is a resident, the following factors will be considered:

- A. Primary Home Defined. The location of an Applicant’s principal or primary home or place of abode (“primary home”) may establish Colorado residency. An Applicant’s primary home is that home or place in which a person’s habitation is fixed and to which the person, whenever absent, has the present intention of returning after a departure or absence therefrom, regardless of the duration of such absence. A primary home is a permanent building or part of a building and may include, by way of example, a house, condominium, apartment, room in a house, or manufactured housing. No rental property, vacant lot, vacant house or cabin, or other premises used solely for business purposes shall be considered a primary home.
- B. Reliable Indicators That an Applicant’s Primary Home is in Colorado. The State Licensing Authority considers the following types of evidence to be generally reliable indicators that a person’s primary home is in Colorado.
 1. Evidence of business pursuits, place of employment, income sources, residence for income or other tax purposes, age, residence of parents, spouse, and children, if any, leaseholds, situs of personal and real property, existence of any other residences outside of Colorado and the amount of time spent at each such residence, and any motor vehicle or vessel registration;
 2. Duly authenticated copies of the following documents may be taken into account: A current driver’s license with address, recent property tax receipts, copies of recent income tax returns where a Colorado mailing address is listed as the primary address, current voter registration cards, current motor vehicle or vessel registrations, and other public records evidencing place of abode or employment; and
 3. Other types of reliable evidence.
- C. Totality of the Evidence. The State Licensing Authority will review the totality of the evidence, and any single piece of evidence regarding the location of a person’s primary home will not necessarily be determinative.
- D. Other Considerations for Residency. The State Licensing Authority may consider the following circumstances:
 1. Members of the armed services of the United States or any nation allied with the United States who are on active duty in this state under permanent orders and their spouses;
 2. Personnel in the diplomatic service of any nation recognized by the United States who are assigned to duty in Colorado and their spouses; and
 3. Full-time students who are enrolled in any accredited trade school, college, or university in Colorado. The temporary absence of such student from Colorado, while the student is still enrolled at any such trade school, college, or university, shall not be deemed to terminate their residency. A student shall be deemed “full-time” if considered full-time pursuant to the rules or policy of the educational institution he or she is attending.

- E. Entering Armed Forces Does Not Terminate Residency. An individual who is a Colorado resident pursuant to this rule does not terminate Colorado residency upon entering the armed services of the United States. A member of the armed services on active duty who resided in Colorado at the time the person entered military service and the person's spouse are presumed to retain their status as residents of Colorado throughout the member's active duty in the service, regardless of where stationed or for how long.

The rule also sets forth the process for obtaining a license or registration and explains what information may be required before obtaining such license or registration.

R 233 – Medical Code or Retail Code Occupational Licenses Required

- A. Medical Code or Retail Code Occupational Licenses and Identification Badges
 - 1. Any person who possesses, cultivates, manufactures, tests, dispenses, sells, serves, transports or delivers Retail Marijuana or Retail Marijuana Product as permitted by privileges granted under a Retail Marijuana Establishment License must have a valid Occupational License.
 - 2. Any person who has the authority to access or input data into MITS or a Retail Marijuana Establishment point of sale system must have a valid Occupational License.
 - 3. Any person within a Restricted Access Area or Limited Access Area that does not have a valid Occupational License shall be considered a visitor and must be escorted at all times by a person who holds a valid Owner or Occupational License. Failure by a Retail Marijuana Establishment to continuously escort a person who does not have a valid Occupational License within a Limited Access Area may be considered a license violation affecting the public safety. See Rule R 1307 – Penalties.
- B. Occupational Licensees Commencing Employment. Any person required to be licensed pursuant to this rule shall obtain all Division approvals and obtain a Division-issued identification badge before commencing activities permitted by the Retail Code or Medical Code Occupational License. See also Rule R 231 – Qualifications for Licensure: Individuals.
- C. Identification Badges Are Property of State Licensing Authority. All identification badges shall remain the property of the State Licensing Authority, and all identification badges shall be returned to the Division upon demand of the State Licensing Authority or the Division. The Licensee shall not alter, obscure, damage, or deface the badge in any manner.

Basis and Purpose – R 250

The statutory authority for this rule is found at subsections 12-43.4-202(2)(b), 24-4-105(2), and 12-43.4-601(2), C.R.S. The purpose of this rule is to clarify that a Licensee must keep its mailing address current with the Division.

R 250 – Licensee Required to Keep Mailing Address Current with the Division: All Licensees

- A. Timing of Notification. A Licensee shall inform the Division in writing of any change to its mailing address within 30 days of the change. The Division will not change a Licensee's information without explicit written notification provided by the Licensee or its authorized agent.
- B. Division Communications. Division communications are sent to the last mailing address furnished by an Applicant or Licensee to the Division.
- C. Failure to Change Address Does Not Relieve Licensee's or Applicant's Obligation. Failure to notify the Division of a change of mailing address does not relieve a Licensee or Applicant of the obligation to respond to a Division communication.
- D. Disciplinary Communications. The State Licensing Authority will send any disciplinary or sanction communication, as well as any notice of hearing, to the mailing address contained in the license and, if different, to the last mailing address furnished to the Division by the Licensee.

Basis and Purpose – R 251

The statutory authority for this rule is found at subsections 12-43.4-202(2)(b), 12-43.4-202(3)(a)(XV), 12-43.4-202(3)(a)(XVI), and 12-43.4-305, and sections 24-4-104 and 24-4-105, C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsections 16(5)(a)(I). The purpose of this rule is to establish what factors the State Licensing Authority will consider when denying an application for licensure.

R 251 – Application Denial and Voluntary Withdrawal: All Licensees

- A. Applicant Bears Burden of Proving It Meets Licensing Requirements
 - 1. At all times during the application process, an Applicant must be capable of establishing that it is qualified to hold a license.
 - 2. An Applicant that does not cooperate with the Division during the application phase may be denied as a result. For example, if the Division requests additional evidence of suitability and the Applicant does not furnish such evidence by the date requested, the Applicant's application may be denied.
- B. Applicants Must Provide Accurate Information
 - 1. An Applicant must provide accurate information to the Division during the entire Application process.

2. If an Applicant provides inaccurate information to the Division, the Applicant's application may be denied.

C. Grounds for Denial

1. The State Licensing Authority will deny an application from an Applicant that forms a business including but not limited to a sole proprietorship, corporation, or other business enterprise, with the purpose or intent, in whole or in part, of transporting, cultivating, processing, transferring, or distributing Retail Marijuana or Retail Marijuana Product without receiving prior approval from all relevant local jurisdictions.
2. The State Licensing Authority will deny an application for Good Cause, as defined in subsection 12-43.4-305(1), C.R.S., of the Retail Code.
3. The State Licensing Authority will deny an Applicant's application that is statutorily disqualified from holding a license.

D. Voluntary Withdrawal of Application

1. The Division and Applicant may mutually agree to allow the voluntary withdrawal of an application for licensing in lieu of a denial proceeding.
2. Applicants must first submit a notice to the Division requesting the voluntary withdrawal of the application. In such instances, an Applicant waives his or her right to a hearing in the matter once the voluntary withdrawal is approved.
3. The Division will consider the request along with any circumstances at issue with the application in making a decision to accept the voluntary withdrawal. The Division may at its discretion grant the request with or without prejudice or deny the request.
4. The Division will notify the Applicant and relevant local jurisdiction of its acceptance of the voluntary withdrawal and the terms thereof.
5. If the Applicant agrees to a voluntary withdrawal granted with prejudice, then the Applicant is not eligible to apply again for licensing or approval until after expiration of one year from the date of such voluntary withdrawal.

E. An Applicant May Appeal a Denial

1. An Applicant may appeal an application denial pursuant to the Administrative Procedure Act.
2. See also Rules R 1304 – Administrative Hearings, R 1305 – Administrative Subpoenas, and R 1306 – Administrative Hearing Appeals.

 2. Visitors shall be escorted by the Retail Marijuana Establishment's licensed personnel at all times. No more than five visitors may be escorted by a single employee.
 3. The Licensee shall maintain a log of all visitor activity, for any purpose, within the Limited Access Area and shall make such logs available for inspection by the Division or relevant local jurisdiction.

See Rule R 303 - Changing, Altering, or Modifying Licensed Premises
- C. Subletting Not Authorized. Licensees are not authorized to sublet any portion of Licensed Premises for any purpose, unless all necessary applications to modify the existing Licensed Premises to accomplish any subletting have been approved by the Division and the relevant local jurisdiction. 1. Any increase or decrease in the total physical size or capacity of the Licensed Premises;
 2. The sealing off, creation of or relocation of a common entryway, doorway, passage or other such means of public ingress and/or egress, when such common entryway, doorway or passage alters or changes Limited Access Areas, such as the cultivation, harvesting, manufacturing, or sale of Retail Marijuana or Retail Marijuana Product within the Licensed Premises;
 3. Within a Retail Marijuana Store, the permanent addition of a separate sales counter that creates an additional point-of-sale location, and the permanent addition of a display case, all of which would require the installation of additional video surveillance cameras. See Rule R 306 – Video Surveillance.
 4. The installation or replacement of electric fixtures or equipment for purposes of increasing production, the lowering of a ceiling, or electrical modifications made for the purpose of increasing power usage to enhance cultivation activities; or
 5. The addition or deletion of a Retail Marijuana Cultivation Facility license that will be, or has been, combined with other commonly owned cultivation licenses in a common area for the purpose of growing and cultivating Retail Marijuana.

The Division and relevant local jurisdiction may grant approval for the types of changes, alterations, or modifications described herein upon the filing of an application by the Licensee and payment of any applicable fee. The Licensee must submit all information requested by the Division, including but not limited to, documents that verify the following:

The purpose of this rule is to establish guidelines for the manner in which a Medical Marijuana Licensee may share its existing Licensed Premises with a Licensed Retail Marijuana Establishment, and to ensure the proper separation of a medical marijuana operation from Retail Marijuana Establishment operation.

R 304 – Medical Marijuana Business and Retail Marijuana Establishment – Shared Licensed Premises and Operational Separation

A. Licensed Premises – General Requirements

1. A Medical Marijuana Center that prohibits patients under the age of 21 years to be on the Licensed Premises may also hold a Retail Marijuana Store license and operate a dual retail business operation on the same Licensed Premises if the relevant local jurisdiction permits a dual operation at the same location and the two are commonly owned.
2. A Medical Marijuana Center that authorizes medical marijuana patients under the age of 21 years to be on the premises is prohibited from sharing its Licensed Premises with a Retail Marijuana Establishment. Even when the two are commonly owned, the two shall maintain distinctly separate Licensed Premises; including, but not limited to, separate sales and storage areas, separate entrances and exits, separate inventories, separate point-of-sale operations, and separate record-keeping.
3. An Optional Premises Cultivation Operation and a Retail Marijuana Cultivation Facility may share a single Licensed Premises in order to operate a dual cultivation business operation if the relevant local jurisdiction permits a dual operation at the same location and the two are commonly owned.
4. A Medical Marijuana-Infused Products Manufacturing Business Licensee may also apply to also hold a Retail Marijuana Products Manufacturing Facility License and operate a dual manufacturing business on the same Licensed Premises, if the relevant local jurisdiction permits a dual operation at the same location and the two are commonly owned.

B. Separation of Co-located Licensed Operations

1. Cultivation Operations. A Licensee that operates an Optional Premises Cultivation Operation and a Retail Marijuana Cultivation Facility shall maintain either physical or virtual separation of the facilities, marijuana plants, and marijuana inventory. Record-keeping for the business operations and labeling of product must enable the Division and relevant local jurisdictions to clearly distinguish the inventories and business transactions of the Medical Marijuana Business from the Retail Marijuana Establishment.
2. Manufacturing Operations. A Licensee that operates a Medical Marijuana-Infused Products Manufacturing Business and Retail Marijuana Products Manufacturing Facility shall maintain either physical or virtual separation of the facilities, product ingredients, product manufacturing, and final product inventory. Record-keeping for the business operations and labeling of products must enable the Division and Local Jurisdictions/Local Licensing Authorities to clearly distinguish the inventories and business transactions of Medical Marijuana-Infused Product from Retail Marijuana Product.

3. Raw Ingredients May Be Shared. Nothing in this rule prohibits a co-located Retail Marijuana Establishment and Medical Marijuana Business from sharing raw ingredients in bulk, for example flour or sugar, except that Retail Marijuana and Medical Marijuana may not be shared under any circumstances.
4. Retail Store and Medical Center Operations: No Patients Under The Age of 21 Years. Persons operating a Medical Marijuana Center that prohibits the admittance of patients under the age of 21 years and a Retail Marijuana Store may share their Licensed Premises. Such a Medical Marijuana Center Licensee must post signage that clearly conveys that persons under the age of 21 years may not enter. Under these circumstances, and upon approval of the State Licensing Authority, the Medical Marijuana Center and the Retail Marijuana Store may share the same entrances and exits. Also under these circumstances, Medical Marijuana and Retail Marijuana and Medical Marijuana-Infused Product and Retail Marijuana Product must be separately displayed on the same sale floor. Record-keeping for the business operations of both must enable the Division and relevant local jurisdictions to clearly distinguish the inventories and business transactions of Medical Marijuana and Medical Marijuana-Infused Products from Retail Marijuana and Retail Marijuana Product. Violation of the restrictions in this rule by co-located Medical Marijuana Centers and Retail Marijuana Stores may be considered a license violation affecting public safety.
5. Retail Stores and Medical Marijuana Centers: Patients Under The Age of 21 Years. A co-located Medical Marijuana Center and Retail Marijuana Store shall maintain separate Licensed Premises, including entrances and exits, inventory, point of sale operations, and record keeping if the Medical Marijuana Center serves patients under the age of 21 years or permits admission of patients under the age of 21 years on its Licensed Premises.
6. Clear Separation of Inventory. A Licensee that operates both a Medical Marijuana Business and Retail Marijuana Establishment within one location is required to maintain separate and distinct inventory tracking processes for Medical Marijuana and Retail Marijuana inventories. The inventories must be clearly tagged or labeled so that the product can be reconciled to a particular Medical Marijuana Business or a Retail Marijuana Establishment.

Basis and Purpose – R 308

The statutory authority for this rule is found at subsections 12-43.4-202(2)(b) and 12-43.4-301(2) C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(f). The purpose of this rule is to establish hours of operation requirements for Retail Marijuana Establishments. The State Licensing Authority modeled this rule after the Colorado Department of Revenue’s liquor rules. Based upon written comments and testimony during working groups and public hearings, this rule was amended to permit the transport of Retail Marijuana and Retail Marijuana Product between the hours 12:01 am and 7:59 am, provided the delivery began prior to 12:01 am. This change was made to accommodate the impact inclement weather can have on driving conditions and other unpredictable events that could delay a delivery.

R 308 – Selling, Serving, Distributing and Transporting Retail Marijuana and Retail Marijuana Product - Hours of Operation

- A. Hours of Operation. Retail Marijuana Establishments shall not sell, serve, distribute, or initiate the transport of Retail Marijuana or Retail Marijuana Product at any time other than between the hours of 8:00 am and 12:00 am, Mountain Standard Time, Monday through Sunday.

Basis and Purpose – R 309

The statutory authority for this rule is found at subsections 12-43.4-201(1), 12-43.4-202(2)(b), 12-43.4-402(1)(e), 12-43.4-402(4), 12-43.4-403(2)(d), and 12-43.4-404(1)(b), C.R.S. The purpose of this rule is to establish a system that will allow the State Licensing Authority and the industry to jointly track Retail Marijuana and Retail Marijuana Product from either seed or immature plant stage until the Retail Marijuana or Retail Marijuana Product is sold to the customer or destroyed.

MITS is a web-based tool coupled with RFID technology that allows both the MITS user and the State Licensing Authority the ability to identify and account for all Retail Marijuana or Retail Marijuana Product. Through the use of RFID technology, a Retail Marijuana Cultivation Facility will tag either the seed or immature plant with an individualized number, which will follow the Retail Marijuana through all phases of production and final sale to a consumer. This will allow the State Licensing Authority and the MITS user the ability to monitor and track Retail Marijuana and Retail Marijuana Product inventory. MITS will also provide a platform for the State Licensing Authority to exchange information and provide compliance notifications to the industry.

The State Licensing Authority finds it essential to regulate, monitor, and track all Retail Marijuana to eliminate diversion, inside and outside of the state, and to ensure that all marijuana grown, processed, sold and disposed of in the Retail Marijuana market is transparently accounted for.

The State Licensing Authority will engage the industry and provide training opportunities and continue to evaluate MITS to promote an effective means for this industry to account for and monitor its Retail Marijuana inventory.

R 309 – Retail Marijuana Establishments: Marijuana Inventory Tracking Solution (MITS)

- A. MITS Required. A Retail Marijuana Establishment is required to use MITS as the primary inventory tracking system of record. A Retail Marijuana Establishment must have a MITS account activated and functional prior to operating or exercising any privileges of a license. The Division may also require additional ongoing, continuing education for an individual to retain his or her MITS Administrator account.
 3. MITS Access - MITS User Accounts. A Retail Marijuana Establishment may designate licensed Owners and employees who hold valid Occupational Licenses as MITS Users. A Retail Marijuana Establishment shall ensure that all Owners and Occupational License Licensees who are granted

MITS User account access for the purposes of conducting inventory tracking functions in the system are trained by MITS Administrators in the proper and lawful use of MITS.

C. Medical Marijuana Business License Conversions - Declaring Inventory Prior to Exercising Licensed Privileges as a Retail Marijuana Establishment

1. Medical Marijuana Inventory Transfer to Retail Marijuana Establishments. Each Medical Marijuana Business that is either converting to or adding a Retail Marijuana Establishment license must create a Retail Marijuana MITS account for each license it is converting or adding. A Medical Marijuana Business must transfer all relevant Medical Marijuana inventory into the Retail Marijuana Establishment's MITS accounts and affirmatively declare those items as Retail Marijuana and Retail Marijuana Product.
2. No Further Transfer Allowed. Once a Licensee has declared any portion of its Medical Marijuana inventory as Retail Marijuana, no further transfers of inventory from Medical Marijuana to Retail Marijuana shall be allowed.

A Retail Marijuana Establishment must ensure it has an adequate supply of RFID tags to properly tag Retail Marijuana and Retail Marijuana Product as required by MITS.

E. General MITS Use

1. Reconciliation with Inventory. All inventory tracking activities at a Retail Marijuana Establishment must be tracked through use of MITS. A Licensee must reconcile all on-premises and in-transit Retail Marijuana and Retail Marijuana Product inventories each day in MITS at the close of business.

 - a. A Retail Marijuana Establishment must utilize a standard of measurement that is supported by MITS to track all Retail Marijuana and Retail Marijuana Product.
 - b. A scale used to weigh product prior to entry into the MITS system shall be certified in accordance with measurement standards established in Article 14 of Title 35, C.R.S.
3. MITS Administrator and User Accounts – Security and Record
 - a. A Retail Marijuana Establishment shall maintain an accurate and complete list of all MITS Administrators and MITS Users for each Licensed Premises. A Retail Marijuana Establishment shall update this list when a new MITS User is trained. A Retail Marijuana

Establishment must train and authorize any new MITS Users before those Owners or employees may access MITS or input, modify, or delete any information in MITS.

- b. A Retail Marijuana Establishment must cancel any MITS Administrators and MITS Users from their associated MITS accounts once any such individuals are no longer employed by the Licensee or at the Licensed Premises.
- c. A Retail Marijuana Establishment is accountable for all actions employees take while logged into MITS or otherwise conducting Retail Marijuana or Retail Marijuana Product inventory tracking activities.

4. Secondary Software Systems Allowed

- a. Nothing in this rule prohibits a Retail Marijuana Establishment from using separate software applications to collect information to be used by the business including secondary inventory tracking or point of sale systems.
- b. A Licensee must ensure that all relevant MITS data is accurately transferred to and from MITS for the purposes of reconciliations with any secondary systems.

F. Conduct While Using MITS

- 1. Misstatements or Omissions Prohibited. A Retail Marijuana Establishment and its designated MITS Administrator(s) and MITS User(s) shall enter data into MITS that fully and transparently accounts for all inventory tracking activities. A Retail Marijuana Establishment is responsible for the accuracy of all information entered into MITS. Any misstatements or omissions may be considered a license violation affecting public safety.
- 2. Use of Another User's Login Prohibited. Individuals entering data into the MITS system shall only use that individual's MITS account.
- 3. Loss of System Access. If at any point a Retail Marijuana Establishment loses access to MITS for any reason, the Retail Marijuana Establishment must keep and maintain comprehensive records detailing all Retail Marijuana and Retail Marijuana Product tracking inventory activities that were conducted during the loss of access. See Rule R 901 – Business Records Required. Once access is restored, all Retail Marijuana and Retail Marijuana Product inventory tracking activities that occurred during the loss of access must be entered into MITS. A Retail Marijuana Establishment must document when access to the system was lost and when it was restored. A Retail Marijuana Establishment shall not transport any Retail Marijuana or Retail Marijuana Product to another Retail Marijuana Establishment until such time as access is restored and all information is recorded into MITS.

G. System Notifications

1. Compliance Notifications. A Retail Marijuana Establishment must monitor all compliance notifications from MITS. The Licensee must resolve the issues detailed in the compliance notification in a timely fashion. Compliance notifications shall not be dismissed in MITS until the Retail Marijuana Establishment resolves the compliance issues detailed in the notification.
 2. Informational Notifications. A Retail Marijuana Establishment must take appropriate action in response to informational notifications received through MITS, including but not limited to notifications related to RFID billing, enforcement alerts, and other pertinent information.
- H. Lawful Activity Required. Proper use of MITS does not relieve a Licensee of its responsibility to maintain compliance with all laws, rules, and other requirements at all times.
- I. MITS Procedures Must Be Followed. A Retail Marijuana Establishment must utilize MITS in conformance with these rules and MITS procedures.

The Retail Code mandates that a Retail Marijuana Establishment must pay for an audit when the State Licensing Authority deems an audit necessary. This rule explains when an audit may be deemed necessary and sets forth possible consequences of a Retail Marijuana Establishment's refusal to cooperate or pay for the audit.

R 903 – Independent Audit May Be Required

A. State Licensing Authority May Require Independent Audit

1. When the State Licensing Authority deems it necessary, it may require a Retail Marijuana Establishment to undergo an audit by an independent accountant. The scope of the audit may include, but need not be limited, to financial transactions and inventory control measures.
2. In such instances, the Division may attempt to mutually agree upon the selection of the independent accountant with a Retail Marijuana Establishment. However, the Division always retains the right to select the independent accountant regardless of whether mutual agreement can be reached. The independent accountant shall be a certified public accountant licensed by, and in good standing with, the Colorado State Board of Accountancy.
3. The Retail Marijuana Establishment will be responsible for all direct costs associated with the independent audit.

B. When Independent Audit Is Necessary. The State Licensing Authority has discretion to determine when an audit by an independent accountant is necessary. The following is a non-exhaustive list of examples that may justify an independent audit:

1. A Retail Marijuana Establishment does not provide requested records to the Division;
2. The Division has reason to believe that the Retail Marijuana Establishment does not properly maintain its business records;
3. A Retail Marijuana Establishment has a prior violation related to recordkeeping or inventory control;
4. A Retail Marijuana Establishment has a prior violation related to diversion.
5. As determined by the Division, the scope of an audit conducted by the Division would be so extensive as to jeopardize the regular duties and responsibilities of the Division's audit or enforcement staff.

C. Compliance Required. A Retail Marijuana Establishment must pay for and timely cooperate with the State Licensing Authority's requirement that it undergo an audit in accordance with this rule.

D. Violation Affecting Public Safety. Failure to comply with this rule may constitute a license violation affecting public safety.

Basis and Purpose – R 904

The statutory authority for this rule is found at subsections 12-43.4-202(2)(b), 12-43.4-202(3)(b)(IX), and 12-43.4-309(11), C.R.S. Accordingly, this rule reiterates the statutory mandate that Licensees provide any management change to the Division within seven days of any change, and also clarifies that a Licensee must save a copy of any management change report to the Division, and clarifies that failure to follow this rule can result in discipline.

R 904 – Manager Change Must Be Reported

- A. When Required. A Retail Marijuana Establishment shall provide the Division a written report within seven days after any change in manager occurs.
- B. Licensee Must Maintain Record of Reported Change. A Retail Marijuana Establishment must also maintain a copy of this written report with its business records.

R 1000 Series – Labeling, Packaging, and Product Safety

Basis and Purpose – R 1001

The statutory authority for this rule is found at subsections 12-43.4-202(2)(b) and 12-43.3-202(3)(c)(III), C.R.S. The State Licensing Authority finds it essential to regulate and establish labeling and secure packaging requirements for Retail Marijuana, Retail Marijuana concentrates, and Retail Marijuana Product. The purpose of this rule, and the rules in this series, is to ensure that all Retail Marijuana and Retail Marijuana Product are sold and delivered to lawful consumers in packaging that is not easily opened by children. Further, the State Licensing Authority believes based on written and oral comments it has received through the rulemaking process that prohibiting labels that are intended to target individuals under the age of 21 and requiring child-resistant packaging is of a state wide concern and would assist in limiting exposure and diversion to minors.

R 1001 – Labeling and Packaging Requirements: General Applicability

- A. Ship Product Ready for Sale. A Retail Marijuana Cultivation Facility or Retail Marijuana Products Manufacturing Facility may package smaller quantities of Retail Marijuana, Retail Marijuana concentrates, and Retail Marijuana Product in a Container prior to transport, provided the Containers are placed within a Shipping Container. See Rule R 309 – Marijuana Inventory Tracking Solution (MITS) and Rule R 801 – Transport of Retail Marijuana and Retail Marijuana Product.
- B. Inventory Tracking Compliance.

A Retail Marijuana Cultivation Facility or Retail Marijuana Products Manufacturing Facility must place an RFID tag on every Shipping Container holding Retail Marijuana, Retail Marijuana concentrates, or Retail Marijuana Product prior to transport or transfer of possession to another Retail Marijuana Establishment. See Rule R 309 – Marijuana Inventory Tracking Solution (MITS) and Rule R 801 – Transport of Retail Marijuana and Retail Marijuana Product.
- C. Packaging May Not Be Designed to Appeal to Children. A Retail Marijuana Establishment shall not place any content on a Container holding Retail Marijuana, Retail Marijuana concentrates, or a Retail Marijuana Product in a manner that specifically targets individuals under the age of 21, including but not limited to, cartoon characters or similar images.

- E. Font Size. Labeling text on a Container must be no smaller than 1/16 of an inch.
- F. Use of English Language. Labeling text on a Container must be clearly written or printed and in the English language.
- G. Unobstructed and Conspicuous. Labeling text on a Container must be unobstructed and conspicuous. A Licensee may affix multiple labels to a Container, provided that none of the information required by these rules is completely obstructed.

Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(a)(VI). The purpose of this rule is to ensure that every Retail Marijuana Cultivation Facility and Retail Marijuana Products Manufacturing Facility label each Shipping Container and Container of Retail Marijuana with all of the necessary and relevant information for the receiving Retail Marijuana Establishment. In addition, this rule clarifies basic packaging requirements. The State Licensing Authority wants to ensure the regulated community employs proper labeling techniques to all Retail Marijuana as this is a public health and safety concern.

R 1002 – Packaging and Labeling of Retail Marijuana by a Retail Marijuana Cultivation Facility or a Retail Marijuana Products Manufacturing Facility

- A. Packaging of Retail Marijuana by a Retail Marijuana Cultivation Facility or a Retail Marijuana Products Manufacturing Facility. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(a)(VIII). The purpose of this rule is to clearly delineate that a Retail Marijuana Establishment is not permitted to make deceptive, false, or misleading statements in Advertising materials or on any product or document provided to a consumer.

R 1102 – Advertising General Requirement: No Deceptive, False or Misleading Statements

A Retail Marijuana Establishment shall not engage in Advertising that is deceptive, false, or misleading. A Retail Marijuana Establishment shall not make any deceptive, false, or misleading assertions or statements on any product, any sign, or any document provided to a consumer.

Basis and Purpose R 1103

The statutory authority for this rule is found at subsections 12-43.4-202(2)(b), 12-43.4-202(3)(c)(I), and 12-43.4-901(4)(b), C.R.S. Authority also exists throughout Article XVIII, Section 16 of the Colorado Constitution. The purpose of this rule is to clarify the definition of the term “minor” as used in the Retail Code and these rules.

R 1103 – The Term “Minor” as Used in the Retail Code and These Rules

The term “minor” as used in the Retail Code and these rules means an individual under the age of 21.

Basis and Purpose – R 1104

The statutory authority for this rule is found at subsections 12-43.4-202(2)(b) and 12-43.4-202(3)(c)(I), C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsections 16(5)(a)(V) and (5)(a)(VIII). The purpose of this rule is to clarify the restrictions applicable to television Advertising.

The operation of Retail Marijuana Establishments in Colorado is authorized solely within the narrow confines of the Colorado Constitution, Article XVIII, Section 16. Article XVIII, Section 16 of the Colorado Constitution prohibits the purchase, possession and consumption of Retail Marijuana by those under the age of 21. See for example Colo. Const. art XVIII, §16(1)(a), (1)(b)(I), (1)(b)(II), 2)(b), (3), (4), (5)(a)(V), (5)(c), and 6(c). The Colorado Constitution calls for the regulation of marijuana “in a manner similar to alcohol” in certain key respects. Colo. Const. Art. XVIII, §16(1)(b). The constitutionally mandated regulatory scheme governing Retail Marijuana Establishments must include rules establishing restrictions on the advertising and display of marijuana and marijuana product, and must include requirements to prevent the sale or diversion of marijuana and marijuana product to persons under the age of 21. Colo. Const. Art. XVIII, §16(5)(a)(V) and (VIII). Through the Retail Code adopted in 2013, the Colorado General Assembly provided further direction regarding mandated advertising restrictions. See §12-43.4-202(3)(c), C.R.S. The Retail Code requires the State Licensing Authority to promulgate rules on the subject of signage, marketing and advertising restrictions that include but are not limited to a prohibition on mass-market campaigns that have a high likelihood of reaching minors. See §12-43.4-202(3)(c)(I), C.R.S. Through the rulemaking process, the State Licensing Authority received extensive comments reflecting the strong influence advertising has on minors’ decision-

making with regard to substance use and abuse. Nearly all live testimony at the rulemaking hearing requested less restrictive advertising rules, but written commentary included multiple perspectives. The written and oral testimony and commentary included a variety of recommended standards for determining when advertising has a high likelihood of reaching minors. Voluntary standards adopted by the alcohol industry direct the industry to refrain from advertising where more than approximately 30 percent of the audience is reasonably expected to be under the age of 21. After reviewing the rulemaking record, the State Licensing Authority has determined that in order to prevent advertising that has a high likelihood of reaching minors, it is appropriate to model the Retail Marijuana Advertising restrictions on this voluntary standard used by the alcohol industry. This standard is consistent with the directive in the state constitution to regulate marijuana in a manner that is similar to alcohol, while also recognizing that the legal status of the marijuana industry and the legal status of the liquor industry are not the same. These rules apply to Advertising as defined in Rule R 103. Advertising includes marketing but not labeling. Advertising includes only those promotions, positive statements or endorsements that are obtained in exchange for consideration. The State Licensing Authority will continue to evaluate the best way to implement the state constitutional directive to establish appropriate advertising restrictions for this emerging industry, and will in particular continue to monitor and evaluate advertising, marketing and signage to protect the interests of those under the age of 21 and to prevent underage use of marijuana.

R 1104 –Advertising: Television

- A. Television Defined. As used in this rule, the term “television” means a system for transmitting visual images and sound that are reproduced on screens, and includes broadcast, cable, on-demand, satellite, or internet programming. - B. Television Advertising. A Retail Marijuana Establishment shall not utilize television Advertising unless the Retail Marijuana Establishment has reliable evidence that no more than 30 percent of the audience for the program on which the Advertising is to air is reasonably expected to be under the age of 21.

The statutory authority for this rule is found at subsections 12-43.4-202(2)(b) and 12-43.4-202(3)(c)(I), C.R.S. The purpose of this rule is to clarify the restrictions applicable to Advertising in a medium designed to target out-of-state residents.

The operation of Retail Marijuana Establishments in Colorado is permitted solely within the narrow confines of the Colorado Constitution, Article XVIII, Section 16. Colorado is one of the first two states to have authorized the regulated growth and sale of Retail Marijuana, and it has done so in the context of a longstanding federal ban on such activities. The State Licensing Authority finds that it is essential to regulate Retail Marijuana in the state of Colorado in a manner that does not negatively impact the ability of other states or the federal government to enforce their drug laws. The State Licensing Authority finds that the below restrictions on Advertising as defined in these Retail Marijuana rules are critical to prevent the diversion of Retail Marijuana outside of the state. The State Licensing Authority will continue to monitor and evaluate the best way to implement the state constitutional directive to establish appropriate Advertising restrictions for this emerging industry.

Nearly all live testimony at the rulemaking hearing requested less restrictive advertising rules, but written commentary included multiple perspectives. The State Licensing Authority finds that the restrictions contained in this rule are necessary to prevent Advertising and signage that has a high likelihood of reaching minors. The language in this rule was taken from the list of discretionary rules articulated by the General Assembly in House Bill 13-1317. See §12-43.4-202(3)(c)(1)(C), C.R.S. The State Licensing Authority will continue to evaluate the best way to implement the state constitutional directive to establish appropriate advertising restrictions for this emerging industry, and will in particular continue to monitor and evaluate advertising,

marketing and signage to protect the interests of those under the age of 21 and to prevent underage use of marijuana.

R 1114 – Pop-Up Advertising

A Retail Marijuana Establishment shall not utilize unsolicited pop-up Advertising on the internet.

Basis and Purpose – R 1115

The statutory authority for this rule is found at subsections 12-43.4-202(2)(b) and 12-43.4-202(3)(c)(I), C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(a)(VIII). The purpose of this rule is to clarify the Advertising restrictions applicable to event sponsorship.

The operation of Retail Marijuana Establishments in Colorado is authorized solely within the narrow confines of the Colorado Constitution, Article XVIII, Section 16. Article XVIII, Section 16 of the Colorado Constitution prohibits the purchase, possession and consumption of Retail Marijuana by those under the age of 21. See for example Colo. Const. art XVIII, §16(1)(a), (1)(b)(I), (1)(b)(II), 2)(b), (3), (4), (5)(a)(V), (5)(c), and 6(c). The Colorado Constitution calls for the regulation of marijuana “in a manner similar to alcohol” in certain key respects. Colo. Const. Art. XVIII, §16(l)(b). The constitutionally mandated regulatory scheme governing Retail Marijuana Establishments must include rules establishing restrictions on the advertising and display of marijuana and marijuana product, and must include requirements to prevent the sale or diversion of marijuana and marijuana product to persons under the age of 21. Colo. Const. Art. XVIII, §16(5)(a)(V) and (VIII). Through the Retail Code adopted in 2013, the Colorado General Assembly provided further direction regarding mandated advertising restrictions. See §12-43.4-202(3)(c), C.R.S. The Retail Code requires the State Licensing Authority to promulgate rules on the subject of signage, marketing and advertising restrictions that include but are not limited to a prohibition on mass-market campaigns that have a high likelihood of reaching minors. Through the rulemaking process, the State Licensing Authority received extensive comments reflecting the strong influence advertising has on minors’ decision-making with regard to substance use and abuse. Nearly all live testimony at the rulemaking hearing requested less restrictive advertising rules, but written commentary included multiple perspectives. This rule in particular received extensive commentary from the industry. It has been modified and clarified in response to that commentary. The written and oral testimony and commentary included a variety of recommended standards for determining when Advertising has a high likelihood of reaching minors. After reviewing the rulemaking record, the State Licensing Authority has determined that it is appropriate to utilize the current voluntary standard in the alcohol industry that Advertising that is likely to reach an audience comprise of more than 30 percent individuals under the age of 21 should be prohibited, as such advertising has a high likelihood of reaching minors. This standard is consistent with the directive in the state constitution to regulate marijuana in a manner that is similar to alcohol, while also recognizing that the legal status of the marijuana industry and the legal status of the liquor industry are not the same. These rules apply only to Advertising as defined in Rule R 103. Advertising includes marketing but not labeling. Advertising includes only those promotions, positive statements or endorsements that are obtained in exchange for consideration. The State Licensing Authority will continue to evaluate the appropriate way to implement the state constitutional directive to establish appropriate advertising restrictions for this emerging industry, and will in particular continue to monitor and evaluate Advertising and signage to protect the interests of those under the age of 21 and to prevent underage use of marijuana.

R 1115 – Advertising: Event Sponsorship

A Retail Marijuana Establishment may sponsor a charitable, sports, or similar event, but a Retail Marijuana Establishment shall not engage in Advertising at, or in connection with, such an event unless the Retail Marijuana Establishment has reliable evidence that no more than 30 percent of the audience at the event and/or viewing Advertising in connection with the event is reasonably expected to be under the age of 21.

Basis and Purpose – R 1201

The statutory authority for this rule is found at subsections 12-43.4-202(2)(b), 12-43.4-202(3)(b)(I), and 12-43.4-202(3)(b)(III), and sections 12-43.4-601, 12-43.4-701, 16-2.5-101, 16-2.5-121, and 16-2.5-124.5, C.R.S. R 1201 – Duties of Officers and Employees of the State Licensing Authority

A. Duties of Director

Basis and Purpose – R 1202

The statutory authority for this rule is found at subsections 12-43.4-202(2)(b), 12-43.4-202(3)(b)(II), and 12-43.4-202(3)(b)(III), and section 12-43.4-602, C.R.S. This rule explains that Licensees must cooperate with Division employees when they are acting within the normal scope of their duties and that failure to do so may result in sanctions. It also explains the administrative hold process, the preservation of evidence, the handling of inventory under investigation and the surrender of Retail Marijuana and Retail Marijuana Product.

R 1202 – Requirement for Inspections and Investigations, Searches, Administrative Holds, and Such Additional Activities as May Become Necessary from Time to Time

A. Applicants and Licensees Shall Cooperate with Division Employees

1. Applicants and Licensees must cooperate with employees and investigators of the Division who are conducting inspections or investigations relevant to the enforcement of laws and regulations related to the Retail Code.
2. No Applicant or Licensee shall by any means interfere with, obstruct or impede the State Licensing Authority or employee or investigator of the Division from exercising their duties pursuant to the provisions of the Retail Code and all rules promulgated pursuant to it. This would include, but is not limited to:
 - a. Threatening force or violence against an employee or investigator of the Division, or otherwise endeavoring to intimidate, obstruct, or impede employees or investigator of the Division, their supervisors, or any peace officers from exercising their duties. The term “threatening force” includes the threat of bodily harm to such individual or to a member of his or her family;
 - b. Denying employees or investigators of the Division access to a Licensed Premises during business hours or times of apparent activity;
 - c. Providing false or misleading statements;
 - d. Providing false or misleading documents and records;
 - e. Failing to timely produce requested books and records required to be maintained by the Licensee; or

- f. Failing to timely respond to any other request for information made by a Division employee or investigator in connection with an investigation of the qualifications, conduct or compliance of an Applicant or Licensee.

B. Administrative Hold

1. To prevent destruction of evidence, diversion or other threats to public safety, while permitting a Licensee to retain its inventory pending further investigation, a Division investigator may order an administrative hold of Retail Marijuana and Retail Marijuana Product pursuant to the following procedure:
 - a. If during an investigation or inspection of a Licensee, a Division investigator develops reasonable grounds to believe certain Retail Marijuana and Retail Marijuana Product constitute evidence of acts in violation of the Retail Code or rules promulgated pursuant to it, or constitute a threat to the public safety, the Division investigator may issue a notice of administrative hold of any such Retail Marijuana and Retail Marijuana Product. The notice of administrative hold shall provide a documented description of the Retail Marijuana or Retail Marijuana Product to be subject to the administrative hold.
 - b. Following the issuance of a notice of administrative hold, the Division will identify the Retail Marijuana and Retail Marijuana Product subject to the administrative hold in MITS. The Licensee shall continue to comply with all tracking requirements. See Rule R 309 Retail Marijuana Establishments: Marijuana Inventory Tracking Solution (MITS).
 - c. The Licensee shall completely and physically segregate the Retail Marijuana and Retail Marijuana Product subject to the administrative hold in a Limited Access Area of the Licensed Premises under investigation, where it shall be safeguarded by the Licensee. Pending the outcome of the investigation and any related disciplinary proceeding, the Licensee is prohibited from selling, giving away, transferring, transporting, or destroying the Retail Marijuana and Retail Marijuana Product subject to the administrative hold.
 - d. Nothing herein shall prevent a Licensee from the continued cultivation or harvesting of the Retail Marijuana subject to the administrative hold. All Retail Marijuana and Retail Marijuana Product subject to an administrative hold must be put into separate Harvest Batches.
 - e. Following an investigation, the Division may lift the administrative hold, order the continuation of the administrative hold or seek a Final Agency order for the destruction of the marijuana.

C. Voluntary Surrender of Retail Marijuana and Retail Marijuana Product

1. A Licensee, prior to a Final Agency Order and upon mutual agreement with the Division, may elect to waive a right to a hearing and any associated rights, and voluntarily surrender any Retail Marijuana and Retail Marijuana Product to the Division. Such voluntary surrender may require destruction of any Retail Marijuana and Retail Marijuana Product in the presence of a Division investigator.

2. The individual signing affidavit of voluntary surrender on behalf of the Licensee must certify that the individual has authority to represent and bind the Licensee.

Basis and Purpose – R 1203

The statutory authority for this rule is found at subsections 12-43.4-202(1)(b)(I) and 12-43.4-602, C.R.S. The purpose of this rule is to provide guidance following either an agency decision or under any circumstances where the Licensee is ordered to surrender and/or destroy Retail Marijuana or Retail Marijuana Product. This rule also provides guidance as to the need to preserve evidence during agency investigations or subject to agency order.

R 1203 – Disposition of Unauthorized Retail Marijuana

- A. After a Final Agency Order Orders the Destruction of Marijuana. If the State Licensing Authority issues a Final Agency Order pursuant to section 12-43.4-602, C.R.S., that orders the destruction of some or all of the Licensee's unauthorized Retail Marijuana or unauthorized Retail Marijuana Product, the Licensee may:
 1. Voluntarily Surrender. The Licensee may voluntarily surrender to the Division all of its unauthorized Retail Marijuana and unauthorized Retail Marijuana Product that are described in the Final Agency Order. If the Licensee chooses to voluntarily surrender its plants and Product:
 - a. The Licensee must complete and return the Division's voluntary surrender form within 15 calendar days of the date of the Final Agency Order.
 - b. The individual signing the affidavit of voluntary surrender on behalf of the Licensee must affirm that the individual has authority to represent and bind the Licensee.
 2. Seek A Stay. File a petition for a stay of the Final Agency Order with the Denver district court within 15 days of the date of the Final Agency Order.
 3. Take No Action. If the Licensee does not either (1) voluntarily surrender its unauthorized Retail Marijuana as set forth in section A(1)(a) of this rule; or (2) properly seek a stay of the Final Agency Order as set forth in section A(2) of this rule, the Division will enter upon the Licensed Premises and seize and destroy the marijuana plants and/or marijuana products that are the subject of the Final Agency Order. The Division will only take such action if a district attorney for the judicial district in which the unauthorized Retail Marijuana or unauthorized Retail Marijuana Product are located has not notified the Division that the unauthorized Retail Marijuana or unauthorized Retail Marijuana Product constitute evidence in a criminal proceeding and that it should not be destroyed.
- B. General Requirements Applicable To All Licensees Following Final Agency Order To Destroy Unauthorized Retail Marijuana and Unauthorized Retail Marijuana Product. The following requirements apply regardless of whether the Licensee voluntarily surrenders its unauthorized Retail Marijuana or unauthorized Retail Marijuana Product seeks a stay of agency action, or takes no action:
 1. The 15 day period set forth in section 12-43.3-602(5), C.R.S., and this rule shall include holidays and weekends.
 2. During the period of time between the issuance of the Final Agency Order and the destruction of the unauthorized Retail Marijuana or unauthorized Retail Marijuana Product the Licensee shall not

sell, destroy, or otherwise let any unauthorized Retail Marijuana or unauthorized Retail Marijuana Product that are subject to the Final Agency Order leave the Licensed Premises, unless specifically authorized by the State Licensing Authority or Court order.

3. Unless the State Licensing Authority otherwise orders, the Licensee may cultivate, water, or otherwise care for any unauthorized Retail Marijuana or unauthorized Retail Marijuana Product that are subject to the Final Agency Order during the period of time between the issuance of the Final Agency order and the destruction of the unauthorized Retail Marijuana or unauthorized Retail Marijuana Product.
4. If a district attorney notifies the Division that some or all of the unauthorized Retail Marijuana or unauthorized Retail Marijuana Product is involved in an investigation, the Division shall not destroy the unauthorized Retail Marijuana or unauthorized Retail Marijuana Product until approved by the district attorney.

R 1300 Series – Discipline

Basis and Purpose – R 1301

The statutory authority for this rule is found at sections 24-4-105 and 12-43.4-601 and subsections 12-43.4-202(2)(b) and 12-43.4-202(2)(c), C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(a)(I). The purpose of this rule is to clarify how the disciplinary process for non-summary license suspensions and license revocations is initiated.

R 1301 – Disciplinary Process: Non-Summary Suspensions

A. How a Disciplinary Action is Initiated

1. If the State Licensing Authority, on its own initiative or based on a complaint, has reasonable cause to believe that a Licensee has violated the Retail Code, any rule promulgated pursuant to it, or any of its orders, the State Licensing Authority shall issue and serve upon the Licensee an Order to Show Cause (administrative citation) as to why its license should not be suspended or revoked.
2. The Order to Show Cause shall identify the statute, rule, regulation, or order allegedly violated, and the facts alleged to constitute the violation. The order shall also provide an advisement that the license could be suspended or revoked should the charges contained in the notice be sustained upon final hearing.

- B. Disciplinary Hearings. Disciplinary hearings will be conducted in accordance with Rule R 1304 – Administrative Hearings.

Basis and Purpose – R 1302

The statutory authority for this rule is found at sections 24-4-104(4)(a), 24-4-105 and 12-43.4-601 and subsections 12-43.4-202(2)(b) and 12-43.4-202(2)(c), C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(a)(I). The purpose of this rule is to set forth the process for summary suspensions when the State Licensing Authority has cause to immediately revoke a license prior to a hearing. Such an occasion will occur when the State Licensing Authority has reason to believe and finds that a Licensee has been guilty of a deliberate and willful violation of any applicable law or regulation, or has committed an infraction of such magnitude that it is imperative its license be revoked to protect the public safety and welfare. The rule ensures proper due process for Licensees when their licenses are temporarily or summarily suspended by requiring prompt initiation of disciplinary proceedings after such suspensions.

R 1302 – Disciplinary Process: Summary Suspensions

A. How a Summary Suspension Action is Initiated

1. When the State Licensing Authority has reasonable grounds to believe and finds that a Licensee has been guilty of a deliberate and willful violation of any applicable law or regulation or that the

public health, safety, or welfare imperatively requires emergency action it shall serve upon the Licensee a Summary Suspension Order that temporarily or summarily suspends the license.

2. The Summary Suspension Order shall identify the nature of the State Licensing Authority's basis for the summary suspension. The Summary Suspension Order shall also provide an advisement that the License may be subject to further discipline or revocation should the charges contained in the notice be sustained following a hearing.
3. Proceedings for suspension or revocation shall be promptly instituted and determined after the Summary Suspension Order is issued.

- B. Summary Suspension Hearings. Summary suspension hearings will be expedited to the extent practicable and will be conducted in accordance with Rule R 1304 – Administrative Hearings.

Basis and Purpose – R 1303

The statutory authority for this rule is found at sections 24-4-105, 24-4-104(4)(a), 12.43.4-601, and 12-43.4-602 and subsections 12-43.4-202(2)(b), and 12-43.4-202(2)(c), C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(a)(I). The State Licensing Authority recognizes that if Licensees are not able to care for their products during a period of active suspension, then their plants could die, their edible products could deteriorate, and their on-hand inventory may not be properly maintained. Accordingly, this rule was written to clarify that Licensees whose licenses are summarily suspended may care for on-hand inventory, manufactured products, and plants during the suspension (unless the State Licensing Authority does not allow such activity). In addition, the rule clarifies what activity is always prohibited during such suspension.

R 1303 – Suspension Process: Regular and Summary Suspensions

- A. Signs Required During Suspension. Every Licensee whose license has been suspended, whether summarily or after an administrative hearing, shall post two notices in conspicuous places, one on the exterior and one on the interior of its premises, for the duration of the suspension. The notices shall be at least 17 inches in length and 14 inches in width containing lettering not less 1/2" in height.

1. For suspension following issuance of a Final Agency Order, the sign shall be in the following form:

NOTICE OF SUSPENSION

RETAIL MARIJUANA LICENSES ISSUED

FOR THESE PREMISES HAVE BEEN

SUSPENDED BY ORDER OF THE STATE LICENSING AUTHORITY

FOR VIOLATION OF THE COLORADO RETAIL MARIJUANA CODE

2. For a summary suspension pending issuance of a Final Agency Order, the sign shall be in the following form:

NOTICE OF SUSPENSION

RETAIL MARIJUANA LICENSES ISSUED

FOR THESE PREMISES HAVE BEEN

SUSPENDED BY ORDER OF THE STATE LICENSING AUTHORITY

FOR ALLEGED VIOLATION OF THE COLORADO RETAIL MARIJUANA CODE

Any advertisement or posted signs that indicate that the premises have been closed or business suspended for any reason other than by the manner described in this rule shall be deemed a violation.

B. Prohibited Activity During Active Suspension

1. Retail Licensee. Unless otherwise ordered by the State Licensing Authority, during any period of active license suspension the Licensee shall not permit the selling, serving, giving away, distribution, , transfer, or transport of any product, including but not limited to, Retail Marijuana or Retail Marijuana Product on the Licensed Premises, nor allow customers to enter the Licensed Premises. However, Retail Marijuana and Retail Marijuana Product shall not be removed from the Licensed Premises or destroyed unless and until the provisions described in sections 12-43.4-602, C.R.S., related to the proper destruction of unauthorized marijuana are met, and the State Licensing Authority orders forfeiture and destruction. *See also* Rule R 1203 – Disposition of Unauthorized Retail Marijuana.
2. Cultivation Licensee. Unless otherwise ordered by the State Licensing Authority, during any period of active license suspension the Licensee may maintain its on hand inventory and otherwise care for its Retail Marijuana and plant inventories. However, marijuana shall not be sold or otherwise removed from the Licensed Premises or destroyed unless and until the provisions described in section 12-43.4-602, C.R.S., related to the proper destruction of unauthorized marijuana are met, and the State Licensing Authority orders forfeiture and destruction. *See also* Rule R 1203 – Disposition of Unauthorized Retail Marijuana.
3. Manufacturing Licensee. Unless otherwise ordered by the State Licensing Authority, during any period of active license suspension the Licensee shall not manufacture any Retail Marijuana Product or Retail Marijuana concentrates during a period of active license suspension nor permit the selling, distribution, transfer, or transport of Retail Marijuana or Retail Marijuana Product on or from the Licensed Premises. Unless otherwise ordered by the State Licensing Authority, during any period of active license suspension the Licensee may maintain Retail Marijuana and Retail Marijuana Product on the Licensed Premises. However, Retail Marijuana Retail Marijuana Product shall not be removed from the Licensed Premises or destroyed unless and until the provisions described in section 12-43.4-602, C.R.S., related to the proper destruction of unauthorized marijuana are met, and the State Licensing Authority orders forfeiture and destruction. *See also* Rule R 1203 – Disposition of Unauthorized Retail Marijuana.
4. Retail Marijuana Testing Facility Licensee. Unless otherwise ordered by the State Licensing Authority, during any period of active license suspension the Licensee shall not receive Samples for testing, perform any test on Samples, transfer, or transport Retail Marijuana or Retail Marijuana Product on or from the Licensed Premises. Unless otherwise ordered by the State Licensing

Authority, during any period of active license suspension the Licensee must maintain the security and integrity of all previously received Samples on the Licensed Premises. However, Retail Marijuana and Retail Marijuana Product shall not be removed from the Licensed Premises or destroyed unless and until the provisions described in section 12-43.4-602, C.R.S., related to the proper destruction of unauthorized marijuana are met, and the State Licensing Authority orders forfeiture and destruction. *See also* Rule R 1203 – Disposition of Unauthorized Retail Marijuana.

Basis and Purpose – R 1304

The statutory authority for this rule is found at subsections 12-43.4-202(2)(b), 12-43.4-202(3)(a)(I) and section 24-4-105, C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(a)(I). The purpose of this rule is to establish what entity conducts the administrative hearings, the scope of the administrative hearings rules, and other general hearings issues.

R 1304 – Administrative Hearings

A. General Procedures

1. Hearing Location. Hearings will generally be conducted by the Department of Revenue, Hearings Division. Unless the hearing officer orders a change of location based on good cause, as described in this Rule, hearings generally will be conducted at a location in the greater Denver metropolitan area to be determined by the hearing officer. Under unusual circumstances where justice, judicial economy and convenience of the parties would be served, hearings may be held in other locations in the state of Colorado.
2. Scope of Hearing Rules. The Administrative Hearings rules shall be construed to promote the just and efficient determination of all matters presented.
3. Right to Legal Counsel. Any Denied Applicant or Respondent has a right to legal counsel throughout all processes described in rules associated with the denial of an application and disciplinary action. Such counsel shall be provided solely at the Denied Applicant's or Respondent's expense.

B. Requesting a Hearing

1. A Denied Applicant that has been served with a Notice of Denial may request a hearing within 60 days of the service of the Notice of Denial by making a written request for a hearing to the Division. The request must be submitted by United States mail or by hand delivery. Email or fax requests will not be considered. The request must be sent to:

Marijuana Enforcement Division
Attn: Hearing Request
455 Sherman Street, Suite 390
Denver, CO 80203

The written request for a hearing must be received by the Division within the time stated in the Notice of Denial. An untimely request will not be considered.

2. A Respondent that has been served with an Order to Show Cause shall be entitled to a hearing regarding the matters addressed therein.
3. A Denied Applicant or a Respondent may waive his or her right to a hearing by submitting a written statement to the State Licensing Authority to that effect before the hearing.

C. When a Responsive Pleading is Required

1. A Respondent shall file a written answer with the Hearings Division and the Division within 30 days after the date of mailing of any administrative notice or Order to Show Cause. If a Respondent fails to file a required answer, the Hearing Officer, upon motion, may enter a default against that Person pursuant to section 24-4-105(2)(b), C.R.S. For good cause, as described in this rule, shown, the hearing officer may set aside the entry of default within ten days after the date of such entry.
2. In connection with any request for a hearing, a Denied Applicant shall provide a written response to the Notice of Denial.

D. Hearing Notices

2. Notice of Hearing. The Hearings Division shall notify the Division and Denied Applicant or Respondent of the date, place, time and nature of the hearing regarding denial of the license application or whether discipline should be imposed against the Respondent's license at least 30 days prior to the date of such hearing, unless otherwise agreed to by both parties. This notice shall be sent to the Denied Applicant or Respondent in writing by first-class mail to the last mailing address of record. Hearings shall be scheduled and held as soon as is practicable.
 - a. Summary suspension hearings will be scheduled and held promptly.
 - b. Continuances may be granted for good cause, as described in this rule, shown. A motion for a continuance must be timely.
 - c. For purposes of this rule, good cause may include but is not limited to: death or incapacitation of a party or an attorney for a party; a court order staying proceedings or otherwise necessitating a continuance; entry or substitution of an attorney for a party a reasonable time prior to the hearing, if the entry or substitution reasonably requires a postponement of the hearing; a change in the parties or pleadings sufficiently significant to require a postponement; a showing that more time is clearly necessary to complete authorized discovery or other mandatory preparation for the hearing; or agreement of the parties to a settlement of the case which has been or will likely be approved by the final decision maker. Good cause normally will not include the following: unavailability of counsel because of engagement in another judicial or administrative proceeding, unless the other proceeding was involuntarily set subsequent to the setting in the present case;

unavailability of a necessary witness, if the witness' testimony can be taken by telephone or by deposition; or failure of an attorney or a party timely to prepare for the hearing.

E. Prehearing Matters Generally

1. Prehearing Conferences Once a Hearing is Set. Prehearing conferences may be held at the discretion of the hearing officer upon request of any party, or upon the Hearing Officer's own motion. If a prehearing conference is held and a prehearing order is issued by the Hearing Officer, the prehearing order will control the course of the proceedings. Such prehearing conferences may occur by telephone.
2. Depositions. Depositions are generally not allowed; however, a hearing officer has discretion to allow a deposition if a party files a written motion and can show why such deposition is necessary to prove its case. When a hearing officer grants a motion for a deposition, C.R.C.P. 30 controls. Hearings will not be continued because a deposition is allowed unless both parties stipulate to a continuance and the hearing officer grants the continuation.
3. Prehearing Statements Once a Hearing is Set. Prehearing Statements are required and unless otherwise ordered by the hearing officer, each party shall file with the hearing officer and serve on each party a prehearing statement no later than seven calendar days prior to the hearing. Parties shall also exchange exhibits at that time. Parties shall not file exhibits with the Hearing Officer. Parties shall exchange exhibits by the date on which prehearing statements are to be filed. Prehearing statements shall include the following information:
 - a. Witnesses. The name, mailing address, and telephone number of any witness whom the party may call at hearing, together with a detailed statement of the expected testimony.
 - b. Experts. The name, mailing address, and brief summary of the qualifications of any expert witness a party may call at hearing, together with a statement that details the opinions to which each expert is expected to testify. These requirements may be satisfied by the incorporation of an expert's resume or report containing the required information.
 - c. Exhibits. A description of any physical or documentary evidence to be offered into evidence at the hearing. Exhibits should be identified as follows: Division using numbers and Denied Applicant or Respondent using letters.
 - d. Stipulations. A list of all stipulations of fact or law reached, as well as a list of any additional stipulations requested or offered to facilitate disposition of the case.
4. Prehearing Statements Binding. The information provided in a party's prehearing statement shall be binding on that party throughout the course of the hearing unless modified to prevent manifest injustice. New witnesses or exhibits may be added only if: (1) the need to do so was not reasonably foreseeable at the time of filing of the prehearing statement; (2) it would not prejudice other parties; and (3) it would not necessitate a delay of the hearing.
5. Consequence of Not Filing a Prehearing Statement Once a Hearing is Set. If a party does not timely file a prehearing statement, the hearing officer may impose appropriate sanctions including, but not limited to, striking proposed witnesses and exhibits.

F. Conduct of Hearings

1. The hearing officer shall cause all hearings to be electronically recorded.
 2. The hearing officer may allow a hearing, or any portion of the hearing, to be conducted in real time by telephone or other electronic means. If a party is appearing by telephone, the party must provide actual copies of the exhibits to be offered into evidence at the hearing to the hearing officer when the prehearing statement is filed.
 3. The hearing officer may question any witness.
 4. Court Rules
 - a. To the extent practicable, the Colorado Rules of Evidence apply. Unless the context requires otherwise, whenever the word “court,” “judge,” or “jury” appears in the Colorado Rules of Evidence, such word shall be construed to mean a Hearing Officer. A hearing officer has discretion to consider evidence not admissible under such rules, including but not limited to hearsay evidence, pursuant to section 24-4-105(7), C.R.S.
 - b. To the extent practicable, the Colorado Rules of Civil Procedure apply. However, Colorado Rules of Civil Procedure 16 and 26-37 do not apply, although parties are encouraged to voluntarily work together to resolve the case, simplify issues, and exchange information relevant to the case prior to a hearing. Unless the context otherwise requires, whenever the word “court” appears in a rule of civil procedure, that word shall be construed to mean a Hearing Officer.
 5. Exhibits
 - a. All documentary exhibits must be paginated by the party offering the exhibit into evidence.
 - b. The Division shall use numbers to mark its exhibits.
 - c. The Denied Applicant or Respondent shall use letters to mark its exhibits.
 6. The hearing officer may proceed with the hearing or enter default judgment if any party fails to appear at hearing after proper notice.
- G. Post Hearing. After considering all the evidence, the hearing officer shall determine whether the proponent of the order has proven its case by a preponderance of the evidence, and shall make written findings of evidentiary fact, ultimate conclusions of fact, conclusions of law, and a recommendation. These written findings shall constitute an Initial Decision subject to review by the State Licensing Authority pursuant to the Colorado Administrative Procedure Act and as set forth in Rule R 1306 – Administrative Hearing Appeals/Exceptions to Initial Decision.
- H. No Ex Parte Communication. Ex parte communication shall not be allowed at any point following the formal initiation of the hearing process. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(a)(IX). The purpose of this rule is to establish guidelines for enforcement and penalties that will be imposed by the State Licensing Authority for non-compliance with Retail Code, section 18-18-406.3(7), or any other applicable rule. The State Licensing Authority considered the type of violation and the threat of harm to the public versus purely administrative harm when setting the penalty structure. Based upon public testimony and a written commentary, Rule R 1307.A was amended to include additional license violations affecting public safety and Rule R 1307.C.1 was added.

R 1307 – Penalties

- A. Penalty Schedule. The State Licensing Authority will make determinations regarding the type of penalty to impose based on the severity of the violation in the following categories:
 - 1. License Violations Affecting Public Safety. This category of violation is the most severe and may include, but is not limited to, Retail Marijuana sales to persons under the age of 21 years, consuming marijuana on the Licensed Premises, Retail Marijuana sales in excess of the relevant transaction limit, permitting the diversion of Retail Marijuana outside the regulated distribution system, possessing Retail Marijuana or Retail Marijuana Product obtained from outside the regulated distribution system or from an unauthorized source, making misstatements or omissions in MITS, failing to continuously escort a visitor in a Limited Access Area, violations related to co-located Medical Marijuana Centers and Retail Marijuana Businesses, failure to maintain books and records to fully account for all transactions of the business, Advertising violations directly targeting minors, or packaging or labeling violations that directly impact consumer safety. Violations of this nature generally have an immediate impact on the health, safety, and welfare of the public at large. The range of penalties for this category of violation may include license suspension, a fine per individual violation, a fine in lieu of suspension of up to \$100,000, and/or license revocation depending on the mitigating and aggravating circumstances. Sanctions may also include restrictions on the license.

2. License Violations. This category of violation is more severe than a license infraction but generally does not have an immediate impact on the health, safety and welfare of the public at large. License violations may include but are not limited to, Advertising and/or marketing violations, packaging or labeling violations that do not directly impact consumer safety, failure to maintain minimum security requirements, failure to keep and maintain adequate business books and records, or minor or clerical errors in the inventory tracking procedures. The range of penalties for this category of violation may include a written warning, license suspension, a fine per individual violation, a fine in lieu of suspension of up to \$50,000, and/or license revocation depending on the mitigating and aggravating circumstances. Sanctions may also include restrictions on the license.
3. License Infractions. This category of violation is the least severe and may include, but is not limited to, failure to display required badges, unauthorized modifications of the Licensed Premises of a minor nature, or failure to notify the State Licensing Authority of a minor change in ownership. The range of penalties for this category of violation may include a verbal or written warning, license suspension, a fine per individual violation, and/or a fine in lieu of suspension of up to \$10,000 depending on the mitigating and aggravating circumstances. Sanctions may also include restrictions on the license.

B. Other Factors

1. The State Licensing Authority may take into consideration any aggravating and mitigating factors surrounding the violation which could impact the type or severity of penalty imposed.
2. The penalty structure is a framework providing guidance as to the range of violations, suspension description, fines, and mitigating and aggravating factors. The circumstances surrounding any penalty imposed will be determined on a case-by-case basis.
3. For all administrative offenses involving a proposed suspension, a Licensee may petition the State Licensing Authority for permission to pay a monetary fine, within the provisions of section 12-43.4-601, C.R.S., in lieu of having its license suspended for all or part of the suspension.

C. Mitigating and Aggravating Factors. The State Licensing Authority may consider mitigating and aggravating factors when considering the imposition of a penalty. These factors may include, but are not limited to:

1. Any prior violations that the Licensee has admitted to or was found to have engaged in.
2. Action taken by the Licensee to prevent the violation (e.g., training provided to employees).
3. Licensee's past history of success or failure with compliance checks.
4. Corrective action(s) taken by the Licensee related to the current violation or prior violations.
5. Willfulness and deliberateness of the violation.
6. Likelihood of reoccurrence of the violation.
7. Circumstances surrounding the violation, which may include, but are not limited to:

- a. Prior notification letter to the Licensee that an underage compliance check would be forthcoming.
 - b. The dress or appearance of an underage operative used during an underage compliance check (*e.g.*, the operative was wearing a high school letter jacket).
