Even the fairest in the land could use a helping hand!

Queen? Princess? Please ... thanks to Kate Middleton, this is the year of the Duchess! Your style, grace, beauty and charm have the whole world pining for more, and with all of your people pleasing, how do you find time for yourself? The Duchess is a vibrating bullet truly fit for royalty, and with its ultra-chic, super sleek design, it's perfect for women on the go.

Seven powerful settings featuring different patterns and speeds take you through a vast kingdom of vibrations and pulsations. The world is your oyster your Highness, so take control!

**Available to Consultants for purchase 2/1/15, while supplies last. For more information on this product visit the 'Monthly Specials' section in your PassionNet Online Business office.*
