## Five Nuggets of CACFP Financial Management

- 1. All Food Program Costs <u>Paid</u> with CACFP Reimbursement must have received <u>PRIOR</u> DPI approval.
- 2. Know where everything is pertaining to your CACFP reimbursement. Where are funds deposited? What center account is used to pay for Food Program expenses? Where are receipts, invoices, ledgers, bank statements and payroll records kept?
- 3. CACFP is a federal program. The funds will not cover 100% of the expenditures incurred in your agency's food program. Must have another source of income to cover the program costs.
- 4. Not all food supplies can be donated. Fresh fruits/vegetables, milk and dairy products are very rarely included in a "donation" and these are usually the most expensive and greatly needed components to the CACFP meal service
- 5. Attach a copy of the support documentation to a copy of the NPFS financial report that was submitted so you remember how you arrived at the figures. Maintain on-site for 3 years plus the current year.

## **CACFP** Financial Report Due Dates

Submit the NPFS report on or before the required due date. For **Independent agencies** that <u>annual</u> due date is November 1<sup>st</sup>. For **Sponsoring Organizations** the <u>quarterly</u> due dates are: 1<sup>st</sup> Quarter - March 1<sup>st</sup>, 2<sup>nd</sup> Quarter - June 1<sup>st</sup>, 3<sup>rd</sup> Quarter - September 1<sup>st</sup>, and 4<sup>th</sup> Quarter - December 1<sup>st</sup>.
