INSTRUCTIONS

Step 1 Complete all organizational information where possible. Be sure to include the name of a contact person with their **day time** phone number.

Step 2 "*For the event held _____* " Fill out a different statement for each event, normally this will be one day only. If the event was for multiple days enter the beginning and ending date. For organizations having a one-day event each week for several months each event shall be listed separately.

Step 3 Receipts: Total dollar amount should be entered for each category.

Food & Other Merchandise Sales = All Sales except Alcoholic Beverage Sales

Alcoholic Beverage Sales = Same

Admissions = Ticket sales, Admission or Cover Charges

Other Sources of Receipts = All other income to include items such as; sponsorships (alcohol related sponsors and all other), parking fees, etc. If the organization received one amount of money but has multiple events during the season, divide the amount by the number of events and include the per event amount on the form.

Step 4 Total the Receipts and enter the amount in the space provided.

Step 5 Operating Expenses: Total dollar amount should be entered for each category.

Advertising = all advertising to include radio, TV, flyers, banners and etc. paid for by the organization.

Advertisements for the whole season should be divided by the number of events and include the per event amount.

Salaries and Wages = Each person working for the organization, receiving payment for work relating to this event (i.e. working the event or working prior to or after the event). If a person receives a 'salary' for the entire season, divide the total amount by the number of events and include the per event amount.

Purchases of Food & Other Merchandise = Items for resale only - Does not include alcoholic beverages.

Purchases of Alcoholic Beverages = alcoholic beverages only

Purchase of Other Items = This section would include all items purchased not previously accounted for, such as; paper products, tables, tents and etc.

Rent = All items rented or leased for this event, such as; port-o-lets, stages, sound equipment, event location, etc. Items rented or leased for the season should be divided by the number of events and include the per event amount.

Taxes, Licenses, etc. = Includes items such as; sales tax, ABC license, business license, etc.

Other Expenses = This section includes all other expenses of the event not already accounted for, such as; bands, promoters, security, office expenses or administrative expenses. Expenses that cover the whole season should be divided by the number of events and include the per event amount.

Step 6 Total the Expenses and enter the amount in the space provided.

Step 7 Total Funds Available for Contributions = Subtract the Operating Expenses from the Receipts and enter the amount in the space provided.

Step 8 Total Funds Contributed = Enter the actual dollar amount contributed to a non profit organization. Do not list contributions that have not yet occurred.

Step 9 Total Funds Not Contributed = All funds remaining that are being retained by the organization obtaining the license.

Step 10 Return completed form to the issuing regional office within 30 days after the date of the event.
