

Applicant Criminal Background Check

The safety of the girls is the most important consideration in the hiring of an employee. In order to help safeguard the girls in our care, the Girl Scouts of Central Texas (GSCTX) conducts criminal background history checks on its employees. Information obtained is confidential as provided by law and will be used and retained only as authorized by law.

You must complete this form to be considered for any employment position. Any employment agreement is contingent upon the completion and review of a criminal background history check.
