

Reviewer: _____

Lit. Review Author: _____

Read the submitted literature review and critically evaluate it. Provide as many constructive comments as you can and suggest any improvements that you might have. Use the below grading sheet to guide your evaluation of the literature review (*You can select grades/points between the ones suggested. For instance, you can select a grade between 40 and 50 if you want*). Please submit two copies of this grading sheet.

Overall format:

- at least 3 scholarly articles/books
- sources are relevant & representative of issues
- narrative essay (*not only summaries*)
- proofread for spelling, grammar & citation style
- focused and straightforward
- bibliography of lit review sources
