Dear Offeror:

Re: CATS+TORFP #R00B4400107 – Project Managers (SENIOR)

On March 27, 2014 the Maryland State Department of Education issued the above referenced TORFP from the CATS + Master Contract. Proposals were due July 23, 2014. MSDE received eighteen proposals and evaluated the technical and financial proposals. Contract award has not yet occurred.

MSDE has determined that the services of this TORFP need to be modified and that the proposed modification warrants a new solicitation. For that reason, pursuant to COMAR 21.06.02.02C, MSDE has decided to reject all proposals and cancel this solicitation.

MSDE intends to seek competitive proposals for the revised scope of work in the near future. We would encourage you to continue to visit the CATS + website via the Department of Information Technology and/or emaryland.buyspeed.com for other opportunities from MSDE and the State of Maryland.

Sincerely,

Alan Delman
Procurement Officer
