The South Dakota Board of Nursing ("Board") met in Sioux Falls, South Dakota, for its regular meeting on November 13, 2014. At that meeting the Board was advised of your self-report of failure to renew your license in July 2014 and that you have been working on a lapsed license for 93 days.

Based on the information provided to the Board, the Board has determined that your conduct is in violation of its policy as well as SDCL § 36-9-49(9) in that you have engaged in the practice of nursing during a time when your license was lapsed.

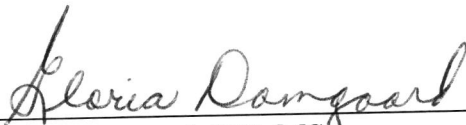

Therefore, the Board, according to the disciplinary procedures outlined in ARSD 20:48:08, issues this Letter of Reprimand.

Name of Document: Letter of Reprimand
Licensee: Cheryl L. DenOuden

This final action is reportable discipline and will be published in the Board's newsletter, posted on its website, and reported into the National Practitioner Data Bank (NPDB) as required by law. As this is a reportable discipline, you are required to provide an affirmative response to inquiries of disciplinary action on further renewals and other nursing related inquiries.

Dated this 19th day of November, 2014.
