

CHILD SUPPORT STANDARDS CHART
prepared by
NEW YORK STATE OFFICE OF TEMPORARY AND DISABILITY ASSISTANCE
DIVISION OF CHILD SUPPORT ENFORCEMENT

This Child Support Standards Chart can be used to determine an approximate annual child support obligation. For a detailed, legal explanation of all factors used by the court in calculating a child support obligation, you should consult section 413 of the Family Court Act. Please note that the calculations provided in the stated chart intervals are based upon the lower bound of the interval. For example, when calculating the obligation for the range of income at \$16,600 to \$16,699, the chart uses the amount of \$16,600 to determine the obligation amount. For a precise calculation of the obligation at an income level other than the lower bound, use the percentages listed below to perform the calculation on the worksheet located on page 22.

The 2013 poverty income guideline amount for a single person as reported by the United States Department of Health and Human Services is \$11,490 and the 2013 self-support reserve is \$15,512.

Note: Where the total income of both parents exceeds \$136,000 the law permits, but does not require, the use of the Child Support Percentages in calculating the child support obligation on the income above \$136,000.

Child Support Percentages

One Child	17%
Two Children	25%
Three Children	29%
Four Children	31%
Five + Children	no less than 35%

The following calculations refer to noncustodial parents only:

1 Annual Income* 1

2 Approximate Basic Child Support Obligation ** 2

3 Subtract line 2 from line 1. 3

- a. If line 3 is greater than or equal to \$15,512 (the 2013 self support reserve) enter the line 2 amount on line 7 below. No further calculations are necessary.
- b. If line 3 is less than \$15,512 (the 2013 self support reserve) but greater than or equal to \$11,490 (the 2013 poverty level), proceed to step 4.
- c. If line 3 is less than \$11,490 (the 2013 poverty level), enter \$300 on line 7.

4 Annual Income (copy from line 1) 4

5 Self Support Reserve 5

6 Subtract line 5 from line 4 6

Enter on line 7 the greater of \$600 or the amount on line 6

7 APPROXIMATE BASIC CHILD SUPPORT OBLIGATION ** 7

* Income is defined by Family Court Act Section 413 1. (b) (5). Income includes gross total income as reported in the most recent federal income tax return. To the extent not already included in gross income, add investment income, voluntarily deferred income, and income received from the following: worker's compensation, disability benefits, unemployment insurance benefits, social security benefits, veterans benefits, pension and retirement benefits, fellowships and stipends, and annuity payments. Income deductions include unreimbursed employee business expenses, alimony or maintenance or child support actually paid to a spouse or on behalf of a child not a party to the instant action, public assistance, supplemental security income, New York City or Yonkers income or earnings taxes actually paid, and Federal Insurance Contributions Act (FICA) taxes actually paid.

** The Basic Child Support Obligation is defined by Family Court Act Section 413 1. (c). The basic child support obligation includes the amount resulting from multiplying the noncustodial parent's income by the appropriate child support percentage, then adding the noncustodial parent's share of cash medical support obligations, educational, and child care expenses where appropriate.

Where the total combined parental income of both parents exceeds \$136,000, as of January 31, 2012, the law permits, but does not require, the use of the Child Support Percentages in calculating the child support obligation on the income above \$136,000.
