

# 2015 Soaring Over Seven Camp Camp Swim Days Parent Consent Form

Dear Parents:

This notice serves to provide you with information regarding camp water activities. Our campers will enjoy pool visits each week (weather, time and staff permitting). In addition, campers will go once to the Volcano Island Water Park. Here are important details about the pool:

**Where:** Fairfax County Park Authority Pools and Recreation Centers

**When:** Monday-Thursday, 10:45 am-12:00 pm or 12:45-2 pm

**Who:** Campers go with fellow campers from class

**How:** Church or rental vans will transport children to the locations

**What to bring on Swim Days in a backpack/bag containing the following labeled items:**

- Swim towel
- Change of clothes
- Life jacket
- Please apply sunscreen at home to the areas not covered by clothing, such as hands, face and legs

**Special requests:**

- Please send your child to camp in his/her swim suit when swimming is scheduled for the **morning**. This will save time when preparing to leave for the pool.
- If your child wears a diaper, please provide any special swimwear/diapers/rubber pants to be used during pool time. Waterproof diapers are recommended for pool days. We will make sure your child is changed immediately **before leaving for the pool**.

**VERY IMPORTANT!**

**The swim form requires a signature and covers all activities involving pools. Your child must wear a life vest, unless he or she can swim independently. We are requesting parents provide life vests for each child attending camp who requires one. Children who cannot swim independently will not be able to participate in pool activities if they do not bring a life vest.**

My child, \_\_\_\_\_, has my permission to participate in the pool and water park field trips.

Please **check** one:

  

My child **can** swim independently and does **not** require a swim vest.

My child **cannot** swim independently and **requires a swim vest (please provide)**.

Parent Signature: \_\_\_\_\_ Date: \_\_\_\_\_
