

INFORMATION ABOUT MISSION EMPLOYMENT AND INSTRUCTIONS FOR COMPLETING THE DS-174, APPLICATION FOR EMPLOYMENT AS A LOCALLY EMPLOYED STAFF OR FAMILY MEMBER

IMPORTANT INFORMATION ABOUT MISSION EMPLOYMENT AND APPLYING FOR MISSION POSITIONS

1. You must apply for Mission positions using the DS-174, or a resume that provides all the information on the DS-174. If you submit only a resume and it does not provide all the information requested on the DS-174, Mission HR has the authority to require that you complete a DS-174 at some point during your candidacy. Failure to provide all the information requested on the DS-174 either by completing the DS-174, or submitting a resume that contains all the information on the DS-174, means you may lose consideration for the position.
2. Make sure you are eligible to apply. For example, the Mission sometimes restricts recruitment to current Mission employees.
3. The Mission Human Resources office must receive your application package by the closing date on the Vacancy Announcement. Otherwise, you lose consideration for the position.
4. Providing your U.S. Social Security Number (*for U.S. Citizens and Legal Permanent Residents of the U.S.*), or country identification number (*for everyone else*), as well as all other personal information, is voluntary. However, Mission HR is unable to process your application if you do not voluntarily provide the information requested in the DS-174.
5. Under U.S. Law including the Foreign Service Act of 1980, as amended, U.S. Citizen Eligible Family Members (*3 FAM 7120*) and U.S. Veterans receive a preference in hiring, subject to Mission HR confirmation of eligibility.
6. Positions staffed by the U.S. Mission require that U.S. citizen males over age 18 and born after December 31, 1959, register with the United States Selective Service System, or have an exemption from the U.S. Office of Personnel Management (*OPM*).
7. U.S. law and regulation do not allow U.S. Government employees to appoint, hire, promote, or recommend their relatives or Members of Household for employment at the Mission.
8. Federal civilian annuitants may have their salaries or annuities reduced if employed by the Mission.

GENERAL INFORMATION AND INSTRUCTIONS FOR COMPLETING THE DS-174

1. Type or print clearly in ink. Mission HR does not consider application packages submitted in pencil.
2. You may complete the application in English or your primary/first spoken/native language. However, if the Vacancy Announcement states that all candidates for employment must submit their applications in English, then you must submit the application in English.
3. If you need more space for an answer, use an additional sheet of paper. In the top right corner of each sheet, write your complete name, the position title, and the Vacancy Announcement Number (*if you know it*).
4. Answer all questions on the DS-174 that apply to you fully and in detail. If you do not answer all questions fully and in detail, you may delay the Human Resources review of your application and you may lose consideration for the position. If a question on the DS-174 does not apply to you, then write "N/A" (*Not Applicable*) in the box or space provided.
5. Attach copies of all documentation you believe is relevant to the position, your eligibility, and your qualifications to the DS-174. **DO NOT ATTACH THE ORIGINAL.** This includes eligibility documentation such as a copy of your work permit or residency permit. It also includes qualifications documentation such as copies of certificates of training, licenses, proficiencies, publications, and educational transcripts. If you are not sure what documentation you must submit, contact the Mission HR office.

U.S. CITIZEN ELIGIBLE FAMILY MEMBER AND U.S. VETERANS HIRING PREFERENCE

Block 20. Preference in Hiring: Check the appropriate box: You may only check one box.

U.S. Citizen Eligible Family Members (*USEFM*): For purposes of receiving a preference in hiring for a qualified position, a USEFM is an individual who meets the following criteria:

1. U.S. citizen; and
2. The spouse or domestic partner of the sponsoring employee, or a child of the sponsoring employee who is unmarried and at least 18 years old; and
3. Listed on the travel orders of a sponsoring employee, i.e., a direct-hire Foreign Service, Civil Service, or uniformed service member who is permanently assigned to or stationed abroad at a U.S. mission, or at an office of the American Institute in Taiwan, and who is under Chief of Mission authority, and either:
 - a. Resides at the sponsoring employee's post of assignment abroad or, as appropriate, at an office of the American Institute in Taiwan; or
 - b. Resides at an involuntary separate maintenance allowance (*ISMA*) location, authorized under 3 FAM 3232.2. If residing at an ISMA location, the individual will not be listed on the sponsoring officer's travel orders but will have a form SF-1190 processed authorizing ISMA.

Other family members or dependents on direct-hire Foreign Service, Civil Service, or uniformed services member's travel orders are not USEFMs or AEFMs for purposes of 3 FAM 8200.

If you claim status as a U.S. Citizen EFM, Mission HR may need to verify your status and eligibility. Mission HR's decision on eligibility for the preference as a USEFM is final.

U.S. Veterans:

- a. If you claim status as a U.S. Veteran, you must attach a copy of your DD-214, Certificate of Release or Discharge from Active Duty. Failure to provide a copy of your DD-214 to Mission HR by the closing date of the Vacancy Announcement means you lose eligibility for the hiring preference.
- b. If you claim conditional preference status as a U.S. Veteran, you must attach proof of eligibility to your application. Examples include a copy of your current military orders, or a letter on official military letterhead signed by the commanding officer that states the type of service and that you are in an active duty status. Failure to provide proof of conditional eligibility to Mission HR by the closing date of the Vacancy Announcement means you lose eligibility for a conditional preference in hiring.

Mission HR's decision on eligibility for U.S. Veterans preference after reviewing the DD-214, or conditional eligibility documentation, is final.

The Local Employment Recruitment policy does not use points in applying the hiring preference for USEFM or U.S. Veteran candidates. Under U.S. law including the Foreign Service Act of 1980, as amended, status as a USEFM or U.S. Veteran is an affirmative factor in employment. To receive a preference in hiring, USEFM and U.S. Veteran candidates must be fully qualified before receiving first consideration for the advertised position.

USEFM and U.S. Veteran candidates generally have an equal preference in hiring; however, a U.S. Citizen EFM who is also a U.S. Veteran receives preference in hiring before all other preference candidates.

Under the Local Employment Recruitment policy, USEFM and U.S. Veteran candidates are eligible to receive the preference each time they apply for Mission-advertised positions, subject to Mission HR confirmation of eligibility. Application of the preference is not restricted to the candidate's initial hiring at the U.S. Mission.

You must list your language proficiency using the Level I-V standard. You must identify one and only one language as your primary/first spoken/native language. If you are bilingual or multi-lingual, you may only choose one language as your primary/first spoken/native language. If you are not proficient in all three components of the language (*speaking, reading, and writing*), then list your proficiency in the components that apply and write "N/A" in the components that do not apply.

Following is an example of how to complete Block 24:

Language	Speak	Read	Write	Primary Language?
Spanish	IV	IV	IV	Yes

Human Resources may require testing in one or all languages you include in your application.

Then describe your duties/responsibilities and accomplishments in the position in as much detail as possible. Make sure you include all formal and informal supervisory responsibilities. You may wish to inform personal references that you are including their names and contact information in your application since Mission HR may contact personal references.

SIGNATURE AND CERTIFICATION

Block 27. It is your responsibility to sign and date your application in ink. If you do not sign and date the application, or if you sign and date the application in pencil, then you lose consideration for the position. Your signature in ink certifies that the information on and attached to your application is true, correct, complete, and made in good faith. Including false information on and attached to your application is fraud. It is grounds for not hiring you, or for terminating you after you begin to work. Signing the application also confirms that you understand that the Mission may investigate any information you voluntarily submit.

Use the DS-174 Continuation Sheet to list your complete work experience. Use as many of the DS-174 Continuation Sheets as you need. The EEO complaint procedure is not available to individuals who believe they have been denied equal opportunity based upon marital status or political affiliation. Individuals with such complaints should avail themselves of the appropriate grievance procedures, remedies for prohibited personnel practices, and/or courts for relief.
