Sections 84001 and 84061

This manual letter has been posted on the Office of Regulations Development website at http://www.dss.cahwnet.gov/ord/PG644.htm.

These regulations make specific provisions of the law [Health and Safety Code (H&SC) and Welfare and Institutions Code (W&IC)] that permit a child to remain in foster care past age 18 under certain conditions. Currently, law allows:

- A youth who, prior to turning 18, is in foster care and attending high school or the
 equivalent level of vocational or technical training on a full-time basis or pursuing a
 high school equivalency certificate may continue to remain in foster care and receive
 Aid to Families with Dependent Children-Foster Care (AFDC-FC) benefits until
 age 19 if he or she is expected to complete full-time education or training or receive
 a high school equivalency certificate by that age (W&IC section 11403).
- A youth with special health care needs or a developmental disability may remain in foster care after he or she turns 18 if he or she resides in a licensed foster family home, small family home, group home, or certified family home, is completing a publicly funded education program, and expected to complete the program by age 22, and there is agreement by all parties involved that foster care continue (H&SC section 1507.2; W&IC sections 17710 and 17732.1).

These regulations were considered at the Department's public hearings held on September 14, 2011.
