

Caltrans District 6

How to Effectively Write a SF330 Resume

For Small Business Enterprise (SBE) – Calmentor Program

SF 330 Introduction

- Required Documents -
 - **Section A-C:** Contract Information
 - **Section D:** Organizational Chart
 - **Section E:** Resumes
 - **Section F:** Projects
 - **Section G:** Key Personnel Participation in Example Projects
 - **Section H:** Additional Information

The image shows a stack of project qualification forms for CALTROP. The top form is the 'D. ORGANIZATIONAL CHART OF PROPOSED TEAM' for 'Project Management and Project Management Support Services, San Diego, CA'. Below it is 'E. ARCHITECT - ENGINEER QUALIFICATIONS PART 1 - CONTRACT-SPECIFIC QUALIFICATIONS'. The bottom form is 'F. EXAMPLE PROJECTS WHICH NEED A CONTRACT RESPONSE TEAM', which includes a table of project details.

PROJECT NAME	PROJECT LOCATION	PROJECT TYPE	PROJECT VALUE	START DATE	END DATE	STATUS
1. Example Project 1	San Diego, CA	Project Management	\$1,000,000	2018	2020	Completed
2. Example Project 2	San Diego, CA	Project Management	\$500,000	2019	2021	In Progress
3. Example Project 3	San Diego, CA	Project Management	\$200,000	2020	2022	Upcoming

SF330 Basics

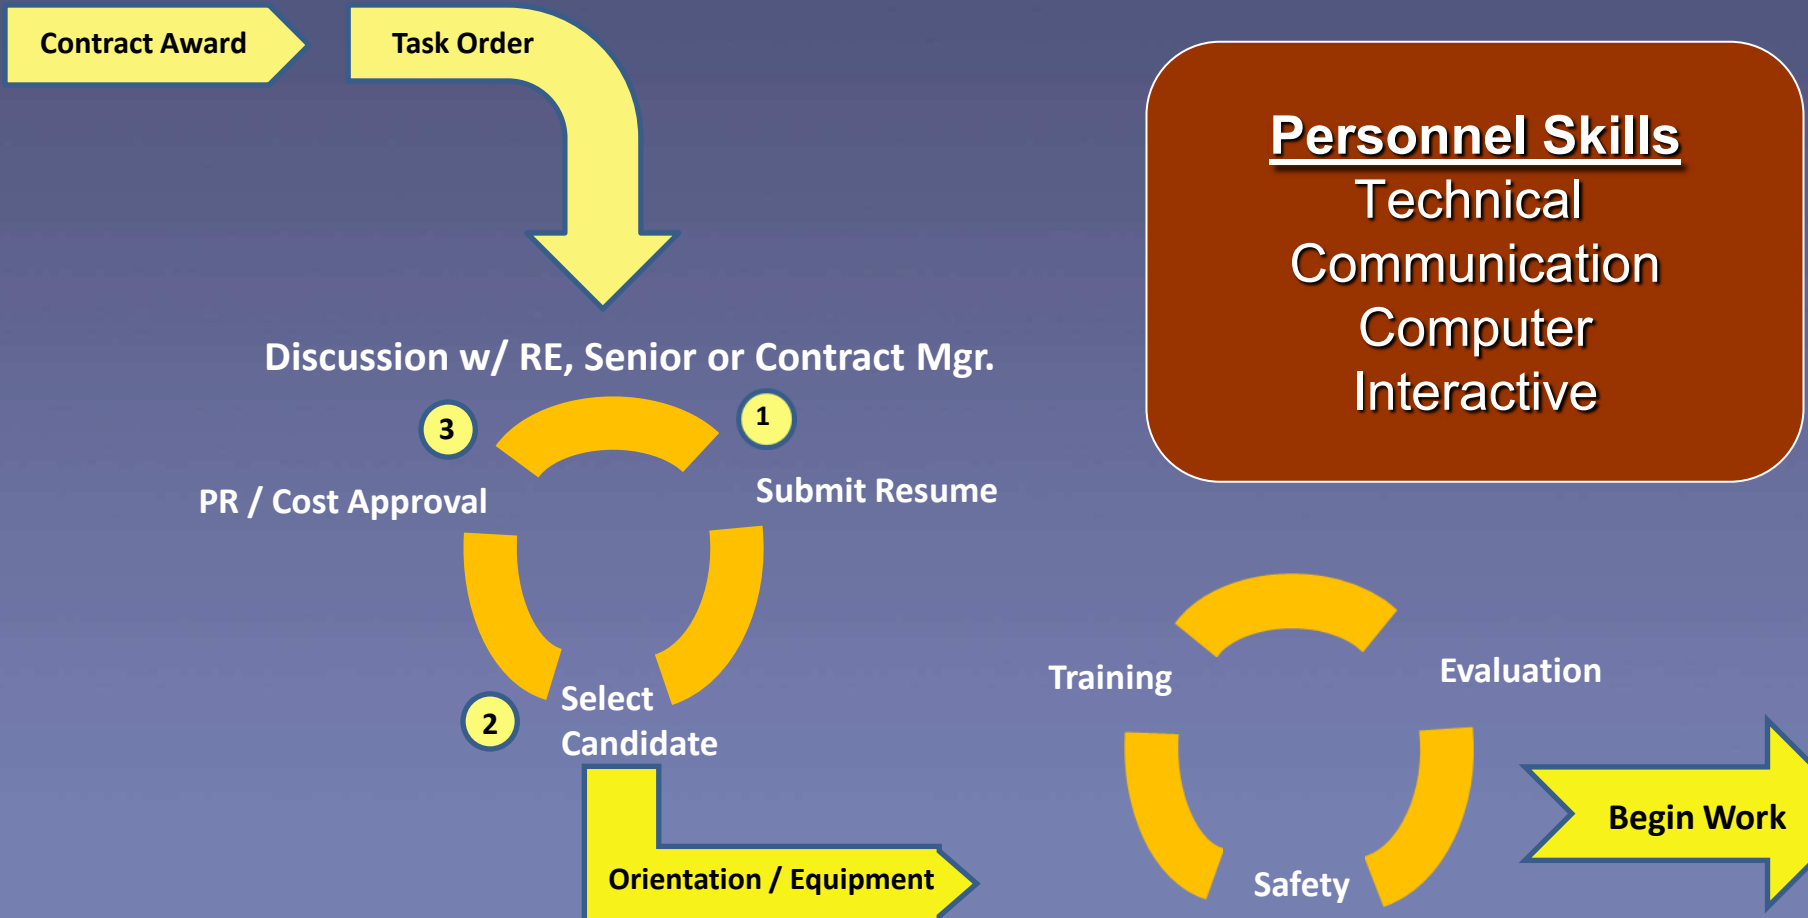

- Be selective in choosing the right individuals for the project
- Limit 5 projects, not to exceed 2 pages
- Projects to be prioritized beginning from the most recent
- List project features, role and responsibility of individual

E. RESUMES OF KEY PERSONNEL PROPOSED FOR THIS CONTRACT			
13. NAME	14. ROLE IN THIS CONTRACT	15. YEARS EXPERIENCE	16. YEARS SERVICE FIRM
Jeff Shaw, PE	Project Manager	18	5
CALDROP Corporation, Sacramento, CA			
17. EDUCATION DEGREE AND PROFESSIONAL REGISTRATION INFORMATION		18. EDUCATIONAL INSTITUTION(S) AND DEGREE(S)	
BS, Civil Engineering, University of Hartford		CA, Civil Engineer, No. CS1167	
19. OTHER PROFESSIONAL SOCIETIES/Professional Organizations, Training, Awards, Etc. Mr. Shaw is a California Registered Civil Engineer with more than 18 years of high-level experience managing transportation programs and design projects through construction for public works, highways and transportation corridors. He has been a project manager on hundreds of millions of dollars in projects. Mr. Shaw has managed numerous CALDROP As-Needed and Caltrans contracts. Mr. Shaw is a California registered Civil Engineer with extensive Caltrans Project Delivery and Construction Engineering experience. Mr. Shaw worked directly for Caltrans for over 13 years. While at Caltrans, he served as an Office Chief, managing an office of over 140 engineers, technicians, and administrative staff for District 12. Mr. Shaw was responsible for scheduling projects and allocating necessary resources to deliver those projects on time and within budget. Jeff has extensive knowledge of Caltrans manuals, Standard Specifications and Standard Plans, and Caltrans Policies and Procedures. He has been successful in delivering a variety of important Caltrans highway projects within allocated resources and committed deadlines and earned several Superior Accomplishment Awards. Over the years, Jeff's can-do attitude and dedication to excellence has earned him the respect of Caltrans internal functions, headquarters, local funding agencies and cities, FHWA and local businesses.			
20. RELEVANT PROJECTS			
21. TITLE AND LOCATION (City and State)	22. YEAR COMPLETED	23. PROFESSIONAL SERVICES	24. CONSTRUCTION #/value/amount
On-Call Program & Project Management - Multiple Projects, Caltrans District 4 Oakland, CA	2007	Professional Services	Construction \$1.5 million
25. BRIEF DESCRIPTION (Professional title, role and key SPECIFIC ROLE) Project Manager. SF 330 Basics – cont'd

- “Role” is the role key personnel is to perform on the project solicitation
- Years with current firm: Don't use fractions. Use Actual.
- Note the difference between the completion date of your service versus the completion date of construction
- Be descriptive but brief and to the point

Personnel & Task Order Request

The Basics....

Expectations –

- Appropriate Experience
- Qualifications Match Prime's Request
- Candidate Must be an Employee or Verified Contingent Hire
- Candidates Must be Readily Available or Within SOQ Timeframe
- No Past Issues and /or Disqualifying Matters
- Proven Track Record
- Excellent References

The Basics – cont'd

The Do's -

- ✓ Think about how candidate is a reflection of your company
- ✓ Take the time to READ THE RFQ
- ✓ Submit in timely fashion- DO NOT DELAY
- ✓ Only submit those who are qualified
- ✓ Submit only what is being asked by the Prime
- ✓ Always think in “bullets” and get to the point
- ✓ Highlight the qualifications, highlights and why your candidate is best suited for the opportunity
- ✓ Sell your Candidate!!

The Basics – cont'd

The Don'ts –

- Write and /or submit a resume without reading the RFQ
- Submit a candidate just to submit
- Overlooking employment history verification
- Submit without editing, proofing and spell checking
- Provide candidate who is not an employee or confirmed contingent
- Submit a candidate position not being asked for

What They Look For.....

- ✓ Education That Matches the Duty
- ✓ Certifications , Additional Awards, Memberships, etc.
- ✓ Years of Service w/Firm
- ✓ Solid Experience – Does it Match the SOQ Requirements?
- ✓ Is the Descriptive Project Accurate and Does it Provide Enough Level of Experience?
- ✓ Does the Description and/or Clientele Compare With What is Being Asked?

Common Mistakes and Other Concerns

Common Mistakes –

- Spelling and grammar- will get it returned...
- Missing dates or activity(s)
- No description of duties or responsibilities
- Wrong entitlement or classification
- Not enough information provided on either project description or actual duties that were provided
- Who was the client or what district or locale was the project in?
- Not thinking in bullets or short bursts to quickly, yet decisively bringing out the candidates qualifications / experience
- Not getting to the point and being too wordy
- Not asking questions.....
