## Why Keep Records?

- Members learn more about their project animals - costs, feed, health and management skills.
- Documents activities and progress in the project.
- Improves management and production practices.
- Helps plan future projects.

Keep this record as part of your Personal 4-H Records.  
This information is helpful in applying for 4-H awards and scholarships.  
Remember - records are no better than what YOU put into them!

## Extra Credit for my Rabbit Project?

An outstanding 4-H project record is one that goes above and beyond what is expected. Be creative!

- A completed record book should have a beginning and final photograph. You are encouraged to be in the photo with your project animal(s) and to include more photographs. Include captions. You may use additional pages.
- Write a report on a related topic of at least one page:  
Proper Care and Nutrition; Selection; Animal Science; Safe Management Practices or Diagram of Farm Set-up; Veterinary Science; Food Products (such as sample "healthy" recipes); Judging, etc.

## Objectives of the 4-H Rabbit Project

1. To gain knowledge and skills in managing and caring for rabbits.
2. To learn to select quality rabbits and how to feed them balanced rations.
3. To maintain management records, to base decisions on regarding feed, production, and breeding of rabbits.
4. To participate in group activities within the club and to assume responsibility in the 4-H Club rabbit program.
5. To gain satisfaction from completing a project to the best of your ability.
6. To let members experience and cope with the values and attitudes of responsibility, in a relatively unsupervised environment. The supervision will be on a periodic basis.
7. To let the member contribute to the family table with rabbit meat, or to experience the marketing process and system in disposal of the product.
8. To let the member experience competing through showing rabbits at local, area and state 4-H rabbit shows.

## 4-H Rabbit Project Guidelines

1. Members should enroll in the fall, even though they may not yet have animals. This will enable members to be well prepared to receive their animals.
2. Project records must be started and kept until the end of the project year. The latest date for starting records and for ownership of project animals is May 1 of the current 4-H year, with the exception of market pen does, these need to be owned and started on April 1st.
3. Members are encouraged to exhibit their animals at least once during the project year, such as the Ionia Free Fair, area rabbit shows and the State 4-H Rabbit Show.

## 4-H Rabbit Project Showmanship

1. All members are strongly encouraged to participate in the showmanship division of the 4-H Rabbit Project.
2. Exhibitors to be appropriately and neatly groomed/dressed in a long sleeved white shirt or lab coat, dark and clean pants, and closed toed shoes.
