Parent Teacher Conferences:

Parent teacher conferences are scheduled for April 9-12. Please return the Parent Teacher Conference form, with your date that works for you. If you have misplaced the paper, I can get you a new one. I look forward to meeting with you.

Wheels Day:

Wheels Day is scheduled for Friday, April 19th. All children will need to bring a tricycle or a big wheel to school. If you do not have access to one, perhaps you can borrow from a friend or daycare. I have an extra one as well. Please do not send bicycles with/without training wheels. They just will not work with some of the stations. On Wheels Day, we will start out the day with our calendar activities and Jesus Time. At 9:00/1:00, we will go down to the gym and walk through the rules of the road. Around 10:00/2:00, we will break for a snack and some fun on the playground (weather permitting) and then we will hit the open road again until it is time to pack up and go home. Come and relax (?) and enjoy your child (and classmates), even if for a short while. Bring your camera!

Important Dates:

March 28 - April 1 - Easter Break, No School
