

AAMC Medloans Organizer and Calculator (MLOC)

Manage your loans via the AAMC's Medloans Organizer and Calculator (MLOC). This secure site provides an easy and effective way to manage your educational loans. All first year students must complete this process prior to their individual loan entrance interview with their financial aid officer! Once completed, print out the summary of your loans (by Academic Year) and bring to your loan entrance interview session with your financial aid officer.

Access the Medloans Organizer and Calculator at www.aamc.org/first

Click on the 'Medloans Organizer and Calculator' link

(note: There is no charge for this service as a medical student. However, you will need to create an AAMC Username and Password to access this site)

Upon signing in, click on the 'Get Started Now' link

Click the "Add" button in the "By Academic Year" folder in middle of page

Agree to Terms of Use

Enter loan information for each of the loans you currently have (this includes pre-HMS loan information)

To review the loans you are borrowing at HMS, log-in to the 'My HMS Financial Aid Application' link from the HMS Financial Aid Office website: www.hms.harvard.edu/finaid. Click the 'Apply for Financial Aid' link to log-in to your online financial aid application. The awards folder will contain all accepted awards you have for this year.

The following information is provided to assist you with completing the loan and lender information sections of the Medloans Organizer (MLOC) for the loans you are borrowing while at HMS. To provide a more accurate summary and monthly payment calculation, you should include your undergraduate/other degree educational debt into the MLOC. Please review your personal records to determine loan type, lender information and loan amount(s) borrowed prior to HMS, including both principal and interest accrued.

Students with federal loans prior to entering HMS: You have the option to upload your federal student loan information directly into the MLOC! Go to the National Student Loan Data System (NSLDS) website (www.nslsds.ed.gov) to export and save your NSLDS file to your computer. Then, sign in to the MLOC and go to the Organizer. Next, click on "Import from NSLDS file" and browse to the NSLDS file on your computer. Click "Attach" and your NSLDS loan information will appear in the Organizer.

Students with non-federal loans prior to entering HMS: Enter your prior loans manually into the Organizer. To simplify this process, you can enter the total of your pre-HMS debt in the year immediately prior to your matriculation at HMS.

Note: Your Direct Unsubsidized and Grad PLUS loans will be managed by one of several servicers. This information will be available after your loans have been disbursed in the fall. At that time, you may log into the NSLDS website to determine to which loan servicer your Direct Loans have been assigned. The contact information for the loan servicers is below. Note: new servicers are being added; this list may not be comprehensive of all loan servicers.

The National Student Loan Data System (NSLDS) is the U.S. Department of Education's central database for federal Title IV student aid. Loan information for Stafford, Perkins and Grad PLUS loans is available at this database. You can review this information at www.nsls.ed.gov. To access the site, you will need to provide your Social Security Number (SSN), the first two letters of your last name, date of birth and your Federal PIN (Personal Identification Number) from your FAFSA. *Please note that 2015-16 loan information will be available once loans have been disbursed in the fall.*
