## 601 Introduction

MassHealth pays for the services for codes listed in Section 602 in effect at the time of service, subject to all conditions and limitations in MassHealth regulations at 130 CMR 409.000 and 450.000. In addition, a provider may request prior authorization (PA) for any medically necessary durable medical equipment or supplies.

Providers should refer to the [MassHealth DME and Oxygen Payment and Coverage Guideline Tool](#) for service descriptions, applicable modifiers, place-of-service codes, PA requirements, service limits, and pricing and markup information. For certain services that are payable on an individual consideration (I.C.) basis, the tool can calculate the payable amount, based on information entered into certain fields on the tool.
