## **BULKY ITEMS**

If you have items that you wish to dispose of that are not part of the regular weekly rubbish collection, a couple of options are:

- Take your items to the Hatch Hill Landfill. 3-trip residential passes are available at the scale house by showing proof of residency. This pass allows residents to make up to 3 trips per calendar year without having to purchase a 2 year Hatch Hill Permit. You will need to pay the tipping fee to dispose of your items; however the residential pass is free. For more information on these costs, please refer to the website listed below, or call 626-2440.
- Contact a private hauler. In the Yellow Pages of your local telephone book under Garbage Removal, there are various vendors listed for hire.
