The undersigned parties hereby agree as follows:

I. SUBCONTRACT WORK.

1.01 Term of Agreement.

This Agreement shall be for a term of one (1) year from the date hereof and shall continue on a year to year basis unless either Party cancels it prior to that time by written notice to the other; provided, however, the cancellation or expiration of the term of this Agreement shall not affect either Party’s obligations under any Orders issued and accepted prior to such expiration or cancellation.

1.02 Ordering.

Subcontract Work under this Agreement shall be ordered as follows:

- a. In the event Contractor desires Subcontractor to perform work hereunder, Contractor shall deliver a written Work Order on the form, a sample of which is attached hereto, to Subcontractor either in person or by telephone facsimile transmission. Upon issuance and acceptance of a Work Order, as evidenced by the signatures of both Contractor and Subcontractor thereon, Contractor and Subcontractor shall have entered into a binding contract for performance of the work as specified therein.
- b. The work to be performed under any Work Order issued and accepted hereunder shall be described thereon.
- c. The execution and delivery of this Agreement does not constitute a guaranty or commitment by Contractor that it will issue any Work Orders hereunder. The execution and delivery of this Agreement does not constitute a guaranty or commitment by Subcontractor that it will accept any Work Orders issued hereunder. The Parties acknowledge and agree that Contractor and Subcontractor are contractually bound only to the extent Work Orders are issued by Contractor and accepted by Subcontractor, as evidenced by the signatures of both parties hereon.

1.03 Scope of Subcontract Work.

For each Work Order issued and accepted hereunder, Subcontractor shall furnish and pay for all labor, materials, fuel, equipment, tools, machinery, and supplies; perform all work; obtain and pay for all necessary permits, licenses and fees; pay all state sales taxes, state and federal unemployment taxes, and all other taxes and fees associated with the subcontract labor or materials; provide all required construction layout and surveying; and do all things necessary to complete the Work Order (hereafter referred to as “Subcontract Work”).

The Contract Documents for each Work Order issued and accepted hereunder shall include: (i) this Agreement, (ii) the applicable Work Order along with any attachments thereto, and (iii) all documents reflecting the agreement between the Contractor and the Owner of the project as described in the Work Order, including, but not limited to, the plans, specifications, general conditions, special conditions, addenda, performance bond, and payment bond.
- b. Subcontractor agrees that prior to acceptance of any Work Order hereunder Subcontractor will read the Contract Documents pertaining to said Work Order and be familiar with each and every part thereof affecting the Subcontract Work together with all related drawings, plans, specifications, and all general conditions and special conditions incidental thereto.
- c. Subcontractor agrees that prior to acceptance of any Work Order hereunder, Subcontractor will be satisfied by examination as to the nature and location of the work specified therein; the character, quantity, and kinds of materials necessary; the adequacy of any surface or subsurface conditions necessary to assure proper performance of such work; the kinds and quantity of equipment needed; and other local conditions or matters affecting compliance with the Contract Documents. Subcontractor accepts these existing conditions for the performance of the Subcontract Work at the Subcontract Price.
- d. Any questions arising with respect to interpretation of the Contract Documents applicable to any Work Order issued and accepted hereunder or any related drawings, plans, or specifications shall be submitted through the Contractor and the Subcontractor shall follow the directions of the Owner or the Owner's representative, as conveyed by the Contractor, with respect to such matters. The Subcontractor agrees that the Owner's (or his representative's) interpretation of the requirements of the Contract Documents shall be final in matters relating to artistic effect, as long as such interpretation and/or decision is not in conflict with the terms of the Contract Documents.
- e. For each Work Order issued and accepted hereunder, Subcontractor agrees to become familiar with the respective rights, powers, benefits and liabilities of the Contractor and the Owner under the Contract Documents and hereby agrees to comply with and perform all provisions thereof which are applicable to the Subcontract Work. Subcontractor agrees to be bound to the Contractor under this Agreement according to the same terms and conditions as the Contractor is bound to the Owner under the Contract Documents applicable to said Work Order. The Subcontractor shall assume and perform all of the obligations and responsibilities of the Contractor under such Contract Documents, which pertain or relate to the Subcontract Work as stated in the applicable Work Order.

II. PERFORMANCE AND PROSECUTION OF WORK.

2.01 Independent Contractor.

The Subcontractor agrees that he is an independent contractor under this Agreement. The Subcontractor is exclusively and solely responsible for, and has control over, all construction means, methods, techniques, sequences, procedures, supervision, and/or coordination of the Subcontract Work including any means, methods, techniques, sequences, procedures, supervision and/or coordination related to the safety of the Subcontractor's employees or any other persons working in the area of the Subcontract Work.

2.02 Storage of Materials.

The Subcontractor shall examine all equipment and materials furnished in connection with the Subcontract Work for compliance with the applicable Contract Documents. The Subcontractor shall then unload and properly store all such equipment and material to prevent damage or loss. Contractor may deduct all costs for such damage or loss resulting from improperly stored materials from payments due to Subcontractor.

2.03 Surface and Subsurface Conditions.

The Subcontractor shall inspect surface and/or subsurface conditions affecting the Subcontract Work to assure that the Subcontract Work will be properly performed in accordance with the applicable Contract Documents. If any remedial work is required to the surface or subsurface, Subcontractor shall immediately notify Contractor in writing. IF SUBCONTRACTOR PERFORMS SUBCONTRACT WORK WITHOUT PROVIDING NOTICE THAT SUCH REMEDIAL WORK IS REQUIRED, SUBCONTRACTOR ACCEPTS ALL SURFACE AND SUBSURFACE CONDITIONS AND WAIVES ANY CLAIMS FOR EXTRA COMPENSATION TO REPAIR OR REMEDY SUCH CONDITIONS OR FOR REPLACEMENT OF THE SUBCONTRACT WORK ARISING OR RESULTING FROM DEFECTS IN THE SURFACE OR SUSURFACE.

2.04 Protection of Work.

Subcontractor shall take necessary precautions to properly protect the Subcontract Work and the work of the Contractor and other subcontractors. The Subcontractor shall promptly repair any damage it causes to the work of the Contractor or other subcontractors. If Subcontractor fails to promptly repair such damage, the Contractor may deduct the costs of such repairs from payments due the Subcontractor.

2.05 Inspection of Work.

The Subcontractor shall provide sufficient, safe and proper facilities at all times for the inspection of the Subcontract Work by the Contractor or his authorized representatives. Subcontract Work not meeting the specifications or intent of the applicable Contract Documents, including, but not limited to, the drawings, plans and specifications, shall be removed, rebuilt and retested to conform to the Contract Documents, all at Subcontractor's expense.

2.06 Cleanup.

In the course of performing all Subcontract Work, the Subcontractor shall keep the building, premises and work areas clean at all times of debris associated with the Subcontract Work and/or Subcontractor's employees. Subcontractor shall remove from the Project all wastes and excess materials related to the Subcontract Work. If the Subcontractor shall fail to remove construction debris as instructed by Contractor, Contractor may proceed to perform such duties, and may deduct all such costs from payments otherwise due Subcontractor.

III. TIME, SCHEDULES AND DELAYS.

3.01. Time.

Time is of the essence to this Agreement and to each Work Order issued and accepted hereunder. Subcontractor shall begin the Subcontract Work as soon as instructed by the Contractor and shall prosecute the Subcontract Work promptly, efficiently and in a manner that will not cause delay in the progress of Contractor's work or other work performed on the applicable Project by other subcontractors. ALL SUBCONTRACT WORK SHALL BE PERFORMED IN THE NUMBER OF DAYS SHOWN ON THE APPLICABLE PROJECT SCHEDULE AND WITHIN THE TOTAL NUMBER OF CALENDAR DAYS AS STATED IN THE APPLICABLE WORK ORDER.

3.02 Project Schedule.

The Contractor from time to time may issue a Project Schedule applicable to the Subcontract Work. Subcontractor shall perform all Subcontract Work as scheduled by Contractor, unless Subcontractor notifies Contractor within three (3) calendar days after receipt of schedule requirements that Subcontract Work cannot be performed within the time scheduled by Contractor. Contractor may, from time to time, reschedule the order of the Subcontract Work or otherwise revise Subcontractor's schedule. Subcontractor

agrees to comply with such schedule revisions without any increase to the Subcontract Price for acceleration or delays.

3.03 Performance Reports.

Subcontractor shall furnish periodic progress reports of Subcontract Work as may be required by Contractor, and shall attend periodic conferences at the job site to discuss progress.

3.04 Damages for Delay to Contractor.

Subcontractor shall be liable for any damages for delay sustained by Contractor caused directly or indirectly by Subcontractor, including, but not limited to, damages, liquidated or otherwise, for which Contractor is liable to Owner. Any such damage shall be deducted from payments due Subcontractor, and, if such damages exceed the amount of payments due, Subcontractor shall pay Contractor upon demand such excess damages due.

3.05 Time Extensions, Claims and Damages for Delay to Subcontractor.

CONTRACTOR SHALL NOT BE LIABLE TO SUBCONTRACTOR FOR DELAYS, HINDRANCES OR INTERRUPTIONS TO THE SUBCONTRACT WORK CAUSED BY THE ACT, NEGLIGENCE OR DEFAULT OF THE OWNER OR OWNER'S REPRESENTATIVE, OR BY REASON OF FIRE OR OTHER CASUALTY, OR ON ACCOUNT OF RIOTS OR STRIKES, OR ON ACCOUNT OF ANY ACTS OF GOD, OR ANY OTHER CAUSES BEYOND THE CONTRACTOR'S CONTROL, OR ANY CIRCUMSTANCES CAUSED OR CONTRIBUTED TO BY ANY SUBCONTRACTOR OR ANY OTHER PARTY PERFORMING A PART OF THE WORK; but, Contractor will cooperate with Subcontractor to enforce any just claim against the Owner or Owner's representative for delay as may be allowed under the applicable Contract Documents. Contractor shall be reimbursed by Subcontractor for any expense, including attorney's fees, incurred in connection with any claims asserted at the request of Subcontractor. SHOULD SUBCONTRACTOR BE DELAYED IN THE SUBCONTRACT WORK BY CONTRACTOR, THEN SUBCONTRACTOR'S SOLE AND EXCLUSIVE REMEDY AGAINST CONTRACTOR SHALL BE AN EXTENSION OF TIME FOR COMPLETION EQUAL TO THE DELAY CAUSED, AND THEN ONLY IF WRITTEN CLAIM FOR DELAY IS MADE TO CONTRACTOR PRIOR TO INTERFERENCE WITH THE SUBCONTRACT COMPLETION TIME. SUBCONTRACTOR WAIVES AND RELEASES CONTRACTOR FROM ALL CLAIMS AND CAUSES OF ACTION AGAINST CONTRACTOR FOR DAMAGES ARISING OUT OF DELAYS, HINDRANCES, OR INTERRUPTIONS CAUSED IN WHOLE OR IN PART BY CONTRACTOR, AND SUBCONTRACTOR ACCEPTS AS ITS EXCLUSIVE REMEDY AN EXTENSION OF TIME EQUAL TO THE DELAY CAUSED SOLELY BY CONTRACTOR.

IV. PRICE AND PAYMENTS.

4.01 Subcontract Price.

The price for any Subcontract Work shall be as set forth in the applicable Work Order subject to adjustments as provided in the applicable Contract Documents.

4.02 Progress Payments.

- a. Unless otherwise specified in the applicable Work Order, Subcontractor shall submit to the Contractor separate monthly applications for payment for the Subcontract Work performed under each Work Order issued and accepted hereunder. Such applications shall be submitted on the date specified by the Contractor in the Work Order to enable Contractor to include such amount in its application for payment to the Owner. The amounts of progress payments requested shall be based on the Contractor's valuations of work performed by the Subcontractor, considering the schedule of values submitted by the Subcontractor of the various parts of the Subcontract Work aggregating the total price therefore. In applying for payment, the Subcontractor shall submit a

- statement based upon this schedule. Payments shall be made on account of materials not incorporated in the Work, but delivered and suitably stored at the site, only upon submission of evidence of payment from suppliers and only in accordance with the terms and conditions of the applicable Contract Documents. No applications for payment will be processed and no payments will be made unless Subcontractor has submitted a sworn statement certifying the name of all Subcontractor's unpaid materialmen and sub-subcontractors. Specifically contingent upon Contractor's receipt of payment for that month by the Owner, payments for such applications shall be due after the expiration of the statutory period in which a laborer, materialman or subcontractor of the Subcontractor can perfect a valid lien or bond claim. Contractor may pre-pay any payment without waiving any of Contractor's rights under this Agreement. Applications for payment shall be accompanied by completed lien waivers and/or bills paid affidavit forms as may be required by Contractor or Owner.
- b. Retainage of ten percent (10%) of the sums due under each Work Order issued and accepted hereunder shall be withheld until completion and acceptance of all Subcontract Work to be performed in connection with such Work Order.
 - c. In the event the Contractor believes any of the conditions listed below warrant such action, the Contractor may withhold from any payments due, sums deemed necessary to protect the Contractor or Owner from any losses on account of: (i) Defects in the Subcontract Work not remedied; (ii) Failure of the Subcontractor to pay bills for labor and/or materials furnished in connection with the Subcontract Work; (iii) Inability of Subcontractor to complete the Subcontract Work for the unpaid balance of the Subcontract Price; (iv) Failure of the Subcontractor to diligently prosecute the Subcontract Work such that damages for delay are likely; (v) Damages to another subcontractor; (vi) Breach by the Subcontractor of any provision or obligation of this Agreement or of the Contract Documents applicable to such Subcontract Work; or (vii) Breach by the Subcontractor of any provision or obligation of another subcontract agreement or Work Order with Contractor.
 - d. Contractor may in its sole discretion make any payments due hereunder by means of checks jointly payable to the Subcontractor and any of Subcontractor's materialmen or sub-subcontractors and Subcontractor agrees that any such joint check payments made shall constitute payment to the Subcontractor under this Agreement for the full amount of such joint check.
 - e. In the event Contractor receives notice of a lien claim or bond claim by Subcontractor's materialman, subcontractor or laborer, Contractor may, at Contractor's option, directly pay any such claimant. Any such direct payment to a claimant and any expenses in processing such claim and payment shall be deducted from the Price of the Subcontract Work and from payments otherwise due Subcontractor. Subcontractor and Contractor further agree that Contractor will incur substantial additional costs and expenses in administration of claims when a notice is received, that such costs would be difficult to ascertain, that the sum of \$350.00 would be a reasonable and just compensation to Contractor for each notice received, and that \$350.00 for each notice should be deducted from the Price of the Subcontract Work and from any payments due to Subcontractor, as liquidated damages for such administration.
 - f. If the Contractor fails to make payments to the Subcontractor as herein provided for any cause not the fault of the Subcontractor, after receipt of payment by the Owner for the Subcontract Work, then the Subcontractor may, upon seven (7) days written notice to the Contractor, stop work without prejudice to any other remedy it may have.

4.03 Final Payment.

Contractor's obligation to make final payment to Subcontractor under any Work Order issued and accepted hereunder is specifically contingent upon the following conditions, which are conditions precedent to final payment: (a) Submittal by the Subcontractor of an affidavit that all payrolls, bills for material and equipment, and other indebtedness connected with the applicable Subcontract Work, have been paid or otherwise satisfied; (b) submittal by the Subcontractor of lien waivers, or bond claim waivers on bonded projects, indicating that all of the Subcontractor's materialmen, laborers, and subcontractors have been fully paid and are waiving all statutory lien rights and releasing all bond claims; (c) consent of Surety to final payment, if required; (d) approval by the Owner, Architect, and Contractor of the Subcontract Work; and (e) receipt by the Contractor of all payments related to the Subcontract Work, including any retainage

withheld by the Owner from the Contractor. SUBCONTRACTOR'S ACCEPTANCE OF FINAL PAYMENT SHALL CONSTITUTE A WAIVER OF ALL CLAIMS BY THE SUBCONTRACTOR RELATING TO THE SUBCONTRACT WORK OR TO THE CONTRACTOR'S WORK CONNECTED WITH THE APPLICABLE PROJECT OR CONTRACT DOCUMENTS, BUT SHALL IN NO WAY RELIEVE THE SUBCONTRACTOR OF LIABILITY FOR THE OBLIGATIONS FOR REPLACING FAULTY OR DEFECTIVE WORK APPEARING AFTER FINAL PAYMENT.

V. CHANGES AND ADDITIONAL COMPENSATION.

5.01 Changes.

Contractor, from time to time, without invalidating the applicable Work Order or this Agreement, may order changes in the Subcontract Work within the general scope thereof consisting of additions, deletions or other revisions to the Subcontract Work. Subcontractor, prior to the commencement of such changed or revised work, shall promptly submit to the Contractor any claim for adjustment to the applicable Work Order Price or Project Schedule because of such changed or revised work. All Change Orders, Modifications, Claims for Adjustments, and Notices provided in this Agreement shall be in writing.

5.02 Notice Required.

SUBCONTRACTOR SHALL NOT BE ENTITLED TO ANY EXTRA COMPENSATION OR ADDITIONAL PERFORMANCE TIME UNLESS NOTICE IS GIVEN PRIOR TO BEGINNING THE WORK FOR WHICH CLAIM FOR EXTRA PAYMENT OR EXTRA TIME IS MADE; OTHERWISE, SUCH CLAIM SHALL BE WAIVED. Subcontractor shall not perform any changed, revised, or extra work unless prior to performance of such work, either: (i) the Contractor and Subcontractor enter into a modification changing the Subcontract Price and/or Performance Schedule for such changed Subcontract Work; or (ii) the Contractor, after receiving the Subcontractor's claims, provides the Subcontractor notice to proceed with the changed, revised, or extra Subcontract Work absent such modification.

5.03 Finality of Owner's Decision.

Notwithstanding anything contained herein to the contrary, IF THE WORK FOR WHICH THE SUBCONTRACTOR CLAIMS EXTRA COMPENSATION TO BE DUE, IS DETERMINED BY THE OWNER, OR THE OWNER'S REPRESENTATIVE, TO BE SUCH THAT THE CONTRACTOR IS NOT ENTITLED TO ADDITIONAL COMPENSATION FOR SUCH WORK FROM THE OWNER, THE SUBCONTRACTOR WAIVES ITS RIGHT TO EXTRA COMPENSATION FOR SUCH WORK AND RELEASES THE CONTRACTOR FOR ANY LIABILITY OF PAYMENT THEREFOR. Subject to Subcontractor's right to participate in a proceeding disputing such a decision as provided in the applicable Contract Documents, the decision of the Owner, or the Architect as the Owner's representative, shall be final with regard to whether extra compensation is due and with regard to the amount of such extra compensation.

5.04 Claims Against Owner.

Contractor will cooperate with Subcontractor to submit any valid and enforceable claim against the Owner or Owner's representative for extra compensation or other relief under the applicable Contract Documents. As a condition precedent to the Contractor's agreement to cooperate in the submittal of Subcontractor's claim against the Owner, Subcontractor agrees to pay for any expense, including attorney's fees, incurred in connection with claims asserted at the request of Subcontractor, including the pre-payment of any retainage fee that may be requested.

5.05 Proceeding With Work.

If a Subcontractor and Contractor do not agree upon either (i) whether or not the Subcontractor's written notice requesting extra compensation constitutes changed work or additional work beyond the original scope of Subcontract Work, or (ii) the reasonable amount of extra compensation due for the changed or

extra work, then Subcontractor shall proceed with the work in accordance with the instructions of the Contractor. In such event, the Subcontractor shall maintain and present to the Contractor, in such form as the Contractor may prescribe an itemized accounting of costs, together with appropriate supporting data, for all extra labor, materials, and equipment expended at the project site by the Subcontractor for the changed or additional work. For changed or additional work beyond the scope of the original Subcontract Work, the Subcontractor shall be entitled to recover, subject to the requirements for notice, all labor, material, and equipment costs expended at the project site for the changed or additional work, minus the costs for any deleted work, plus a sum of fifteen percent (15%) as an aggregate amount for Subcontractor's overhead and profit. In the event that Subcontractor's costs include second and third tier subcontractors, the aggregate sum of Subcontractor's overhead and profit, together with all its subcontractors' overhead and profit, shall not exceed twenty percent (20%) in addition to the costs for labor, materials, and equipment expended at the project site by Subcontractor and all its subcontractors.

VI. INSURANCE AND INDEMNIFICATION.

6.01 Insurance.

- a. PRIOR TO STARTING THE SUBCONTRACT WORK the Subcontractor shall procure and maintain in force statutory workers' compensation insurance for all subcontractor's employees and/or workmen at the project site, employers liability insurance with \$500,000.00 coverage, commercial general liability insurance (including explosion, collapse and underground property damage ("XCU") coverage) and business Automobile Liability insurance and such other insurance, to the extent required by the Contract Documents for the Subcontract Work. Unless otherwise provided in this agreement, the subcontractor's commercial general and automobile liability insurance, as required by this provision shall be primary and non-contributory and shall be written for not less than limits of liability as follows:

Commercial General Liability Insurance may be arranged under a single policy for the full limits required or by a combination of underlying policies with the balance provided by an Excess or Umbrella Liability policy. The Business Automobile Liability Policy shall contain an endorsement listing the Contractor as additionally insured.
- c. The Workers' Compensation Policy shall contain a waiver of subrogation endorsement in favor of Contractor and its employees. Subcontractor shall execute a joint agreement to be filed with the Workers' Compensation Commission stating the Subcontractor is an independent contractor.
- d. For each Work Order issued and accepted hereunder, prior to starting the Subcontract Work, the Subcontractor shall deliver to Contractor two original Accord Certificates of Insurance acceptable to Contractor which evidences the coverages and the endorsements required herein and which states that the coverages afforded under the policies will not be canceled or terminated unless at least 30 days written notice is given to the Contractor. A separate certificate of insurance will be provided for each such Work Order. If Subcontractor subcontracts any portion of the Subcontract Work, Subcontractor shall deliver to Contractor for each of Subcontractor's subcontractors or employee leasing companies, an original Accord Certificate of Insurance which evidences the

same coverages and endorsements for workers' compensation insurance as required herein. Upon request from Contractor, Subcontractor shall deliver a copy of all policies of insurance required herein.

- e. Subcontractor shall be solely responsible for insuring Subcontractor's equipment against physical loss or damage of any kind.
- f. SUBCONTRACTOR WAIVES ANY CLAIM AGAINST CONTRACTOR, OWNER OR THEIR EMPLOYEES AND OFFICERS, FOR ANY AND ALL LOSSES, INJURY, DAMAGES OR EXPENSES WHICH ARE COVERED BY POLICIES OF INSURANCE, EXCEPT SUCH RIGHTS AS SUBCONTRACTOR MAY HAVE TO THE PROCEEDS OF SUCH INSURANCE.

6.02 Indemnification.

- a. THE SUBCONTRACTOR AGREES TO DEFEND, INDEMNIFY AND HOLD HARMLESS THE CONTRACTOR, THE OWNER, AND ALL OF THEIR AGENTS AND EMPLOYEES ("INDEMNIFIED PARTIES") FROM AND AGAINST ALL CLAIMS, DAMAGES, LOSSES AND EXPENSES, INCLUDING BUT NOT LIMITED TO (i) ATTORNEYS' FEES, (ii) BODILY INJURY, SICKNESS, DISEASE OR DEATH TO ANY PERSON OR EMPLOYEE OR (iii) ANY INJURY TO PROPERTY ARISING OUT OF, RELATED TO, OR CONNECTED WITH, THE PERFORMANCE, OR FAILURE IN PERFORMANCE, OF THE SUBCONTRACT WORK UNDER THIS AGREEMENT, EVEN IF ANY SUCH CLAIM, DAMAGE, LOSS OR EXPENSE IS CAUSED IN WHOLE OR IN PART BY A NEGLIGENT ACT OR OMISSION BY AN INDEMNIFIED PARTY. THE EXPRESSED INTENTION OF THE PARTIES IS THAT THE SUBCONTRACTOR'S INDEMNITY HEREIN WILL SURVIVE THE TERMINATION OF THIS AGREEMENT AND WILL INDEMNIFY AND PROTECT THE INDEMNIFIED PARTIES FROM THE CONSEQUENCES OF THEIR OWN NEGLIGENCE.
- b. In any and all claims against an indemnified party by an employee of the Subcontractor, or anyone directly or indirectly employed by him or anyone for whose acts he may be liable, the indemnification obligation under this Paragraph 6.02 shall not be limited in any way by any limitation or bar under the Workers' Compensation Act, or other employee benefit acts.

VII. BONDS AND WARRANTIES.

7.01 Performance/Payment Bonds.

If required by the Contractor, a Performance Bond and a Payment Bond in a form satisfactory to the Contractor shall be furnished in connection with any Work Order issued and accepted hereunder in the full amount of the price of the Subcontract Work as set forth therein, and the cost thereof shall be paid by Contractor as a change to the Subcontract Work. This obligation shall continue throughout the term of this Agreement and may be required at any time during the performance of Subcontract Work hereunder. These bonds will be furnished by an insurance company on the list of Acceptable Sureties by the Department of the Treasury within the limits stated thereon.

7.02 Conformance With Contract Documents.

The Subcontractor warrants to the Owner and Contractor that all Subcontract Work shall be performed in a good and workmanlike manner and shall be free from any and all defects due to faulty workmanship and/or materials and shall comply with all requirements of the applicable Contract Documents. The Subcontractor shall promptly remove, replace, correct and/or repair any portion of the Subcontract Work that the Contractor or the Owner determines is defective or is not in compliance with the applicable Contract Documents. The Subcontractor further agrees to execute any special guarantees as provided by the terms of the Contract Documents, prior to final payment.

7.03 Payments of Laborers and Materialmen.

The Subcontractor warrants that all laborers, materialmen and subcontractors provided labor, equipment, or materials for the Subcontract Work will be paid such that neither the Owner, Contractor, or Owner's property will be subject to any claims, liens, or encumbrances.

VIII. SUPPLEMENTATION OF WORK AND TERMINATION.

8.01 Supplementation by Contractor.

Should the Subcontractor fail at any time in connection with any Work Order issued and accepted hereunder to supply a sufficient number of properly skilled workmen and sufficient materials and equipment of the proper quality, as determined by the Contractor in its sole discretion, or fail in any respect to prosecute the Subcontract Work with promptness and diligence, or fail to promptly correct defective Subcontract Work or fail in the performance of any of the agreements contained in the applicable Contract Documents, the Contractor may, at its option without notice, provide such labor, materials and equipment and to deduct the cost thereof, together with all loss or damage occasioned thereby, from any money then due or thereafter to become due to the Subcontractor under this Agreement.

8.02 Termination of Work Order for Default.

If the Subcontractor at any time shall refuse or neglect to supply sufficient properly skilled workmen, or materials or equipment of the proper quality and quantity, or fail in any respect to prosecute the Subcontract Work under any Work Order issued and accepted hereunder with promptness and diligence, or cause by any action or omission the stoppage or interference with the work of the Contractor or other subcontractors, or fail in performance of any of the covenants contained in the applicable Contract Documents, or be unable to meet its debts as they mature, the Contractor may, at his option, at any time terminate such Work Order for the Subcontractor's default by delivering written notice of termination to the Subcontractor. Thereafter, the Contractor may take possession of the Project and the Work Order, materials, tools and equipment of the Subcontractor at the building site, and through himself or others provide labor, equipment and materials to prosecute and complete the Work Order on such terms and conditions as shall be deemed necessary. The Contractor shall deduct the cost thereof, including without restriction thereto all charges, expenses, losses, costs, damages, and attorney's fees, incurred as a result of the Subcontractor's failure to perform, from any money then due or thereafter to become due to the Subcontractor under this Agreement. If the Contractor so terminates a Work Order, the Subcontractor shall not be entitled to any further payments thereunder until the Work Order has been completed and accepted by the Owner, and payment has been received by the Contractor. If the cost to complete the Work Order (plus all charges, expenses, losses, costs, demands and attorney's fees recoverable under this Agreement) exceeds the unpaid Subcontract Price, Subcontractor shall pay the Contractor the balance of such excess.

8.03 Termination of Work Order for Convenience.

The Contractor may, at its option, at any time, terminate without Subcontractor's default the whole or any part of any Work Order issued and accepted hereunder for the convenience of the Contractor. Subcontractor agrees that upon any such termination, the Subcontractor's sole remedy shall be payment of full value for all work properly performed, less all payments Subcontractor has previously received on account of Subcontract Work performed. The value shall not exceed Subcontractor's costs for labor, materials, and equipment, plus fifteen percent (15%) for profit and overhead. Subcontractor agrees to waive all claims for damages, including lost or anticipated profits, arising from or related to any such termination by Contractor.

8.04 Payments After Termination.

If the Contractor terminates this Agreement pursuant to 8.02 above, the Subcontractor shall not be entitled to any further payments under this Agreement until Subcontractor's Work has been completed and accepted by the Owner, and payment has been received by the Contractor from Owner for any money then

due or thereafter to become due to the Subcontractor under this Agreement. If the cost to complete the Subcontract Work (plus all charges, expenses, losses, costs, demands and attorney's fees recoverable under this Agreement) exceeds the unpaid Subcontract Price, Subcontractor shall pay the Contractor the balance of such excess. In the event the Contractor terminates the Work Order for default, as provided in paragraph 8.02, and the Subcontractor is subsequently found not to be in default, the Contractor's termination for default shall be deemed for all purposes to be a termination for convenience as provided in paragraph 8.03.

IX. DISPUTE RESOLUTION

9.01 Arbitration.

Except as provided herein, all claims, disputes and controversies arising out of or relating to this Agreement and any Work Orders issued hereunder, including claims for extra work or changed conditions to or related to the Subcontract Work, shall be decided by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association, except to the extent such rules are modified herein. The arbitration proceeding shall be commenced, and the arbitration hearing shall be scheduled, only after the claimant giving notice of the arbitration, has tendered its one-half of the arbitration fee to the arbitrator. The arbitration hearing shall be in [redacted] County, [redacted]. The award rendered by the award rendered by the arbitration shall be final, and judgment may be entered upon the award in accordance with the [redacted] Arbitration Act. Provided, however, the Contractor may elect at any time not to arbitrate: (a) a claim for contribution or indemnity asserted by Contractor in a suit against a party with whom the Contractor does not have an enforceable arbitration agreement, or (b) a claim by the Subcontractor against the Contractor, if the Contractor asserts said claim, in whole or in part, against the Owner in a lawsuit filed either before or after Contractor's receipt of Subcontractor's written notice of arbitration. If the arbitrability of this Agreement is contested by either party, the issue shall be submitted to a court of competent jurisdiction in [redacted] County, [redacted], and the arbitration shall be stayed until the determination by the Court.

9.02 Claims Under Prime Contract.
