I've been waiting for this day for a long time. It's the day that my team votes for most valuable player the biggest award of the year.

I was at my last basketball practice it was time to vote for most valuable player. Before we all knew everyone was done voting. My dad went to tally the votes he walked out and said,

It's a tie Dylan and Izayah. They will play a one on one game to decide. I was on fire one after the next. The final score was 21-12 I won. I told Izayah you do you deserve it more than me. I hollered "thanks" then my dad with a big reward that said most valuable player on it. It was ginormous!!

I hope I win most valuable player next year too. I wouldn't be surprised if I did again.

I felt great. I thought I was my of the legn witch I might win too.

NESA Writing Assessment Appeal

School respectfully submits an appeal of _____'s 4th Grade State Writing Assessment score. _____'s writing sample received a score of 39. The fourth grade teacher and school administrators believe that his writing sample meets the proficiency criteria.

Using the Nebraska Department of Education New Analytic Rubric Scoring Guide for Grade 4 Narrative Writing, we believe that _____'s writing sample should earn a rubric score of a 22 instead of a score of a 20.

<u>Area</u>	<u>Domain Score</u>	<u>Proposed Domain Score</u>
Ideas and Content (35%)	4	6
Organization (25%)	5	5
Voice/Word Choice (20%)	5	5
Sentence Fluency/Conventions (20%)	6	6
Scaled Score	39	

Ideas and Content

This student's writing should receive a higher score in the domain of Ideas and Content. The student wrote a story about the day his team voted for most valuable player. The writer created a general understanding of the event and the content was focused on the topic. The story told that the award was the biggest award of the year. The event happened at his last basketball practice. The writer's dad counted the votes and reported that it was a tie. The writer goes on to describe the tie-breaker. They were to play a 1-1 game to decide the winner.

Adequate and related details are included in this paper. The writer shared that the final score was 21-12 and that he won. In the third paragraph, the writer did add a few extra words (you to). The writer also omitted a few words in the next sentence (presented me with) and used reward instead of award. However, the storyline still met the rubric score of 3 in that the storyline was generally logical and easy to follow.
