Tax treatment for the Investors (Unitholders)

THE INFORMATION SET FORTH BELOW IS BASED ON THE MUTUAL FUND'S UNDERSTANDING OF THE TAX LAWS PREVAILING AS OF DATE OF THIS OFFER DOCUMENT. CONSIDERING THE INDIVIDUAL NATURE OF TAX CONSEQUENCES, EACH INVESTOR IS ADVISED TO CONSULT HIS OR HER OWN TAX ADVISOR WITH RESPECT TO THE SPECIFIC TAX CONSEQUENCES TO HIM OR HER.

The information set out below outlines the tax implications with respect to the Unitholders of the Scheme and with respect to the Mutual Fund and is based on relevant provisions of the Indian Income Tax Act, 1961 and Wealth Tax Act, 1957 prevailing as on April 20, 2005.

Further, for this purpose the proposals of the Finance Bill, 2005 are also considered as the same has been presented in the Parliament and will become law after it is given assent to by the President of India. Since the information below is based on the relevant provisions as on April 20, 2005 any subsequent changes in the relevant provisions could affect tax implications.

A. To Unitholders

- Income from Mutual Fund received by Unitholders would be tax free in the hands of the Unitholders as per the provisions of section 10(35) of the Income-tax Act, 1961 (the Act).
- Under Section 2(29A) of the Act, read with section 2(42A) of the Act, a unit of a Mutual Fund is treated as a long term capital asset if the same is held for more than 12 months. Under Section 112 of the Act, capital gains arising on the transfer of long term capital assets are subject to tax at the rate of 20%. The capital gains will be computed by deducting expenditure incurred in connection with such transfer and indexed cost of acquisition of the unit from the sale consideration. However, the maximum tax payable on long term capital gains on units is restricted to 10% of capital gains calculated without indexation of the cost of acquisition. In case of an individual or HUF, being a resident, where the total income as reduced by the long term capital gains is below the maximum amount not chargeable to tax (i.e Rs. 100,000 in case of all individuals, to Rs. 125,000 in case of women and to Rs.150,000 in case of senior citizens)[#], the long term capital gains shall be reduced to the extent of the shortfall and only the balance long term capital gains will be subject to the flat rate of taxation. In addition to the aforesaid tax, in the case of an individual, HUF or Association of Persons (AOP), where the income exceeds Rs. 1,000,000[#], a surcharge of 10%, in the case of domestic companies a surcharge of 10%, in case of foreign companies a surcharge of 2.5% and in case of an artificial juridical person a surcharge of 10% of such tax liability is also payable. A 2% education cess on total income tax (including surcharge) is payable by all categories of taxpayers. However, as per section 10(38) of the Act, long term capital gain arising from the sale of a unit of an equity oriented fund (an equity oriented fund is a fund where the investible funds are invested in equity shares of domestic companies to the extent of more than 50% of the total proceeds of such fund) is exempt from tax. However, at the time of sell of units (redemption) the unitholder will have to pay a Securities Transaction Tax (STT) of 0.15%^{**} on the value of the sale.
- The capital loss resulting from sale of units would be available for setting off against other capital gains made by the investor and would reduce the tax liability of the investor to that extent. However, losses on transfer of long term capital assets would be allowed to be set-off only against gains from transfer of long-term capital assets and the balance long-term capital loss shall be carried forward separately for a period of eight assessment years to be set off only against long-term capital gains. However, as the long-term capital gains on sale of units of equity oriented fund are exempt from tax the losses from such units may not be allowed to be set off against other gains.
- Where a person buys any units within a period of three months before the record date and sells such units within nine months after such date, the dividend income on such units being exempt from tax, then the capital loss, if any, on such sale to the extent of dividend income cannot be set off against other gains.
- Where a person buys units (original units) within a period of three months before the record date, receives bonus units on such original units, and then sells the original units within a period of nine months from the record date and continues to hold the bonus units, then the loss incurred on the original units shall not be allowed to be set off against other profits but shall be deemed to be the cost of the bonus units.
- The long-term capital gains on transfer of units would be exempt from tax under Section 54EC and Section 54ED subject to conditions prescribed in these sections. These sections require investments in specified bonds or specified capital issue. However, if the amount invested is less than the capital gains realized, only proportionate capital gains would be exempt from tax.
- Short term capital gains arising to a unitholder will be taxed at the normal rate applicable to that unitholder as per the provisions of the Act. In the case of equity oriented mutual funds, as per section 111A of the Act, short-term capital gains arising from the sale of a unit, are taxable at the rate of 10%. The seller of the units will also have to pay a STT of 0.15%^{**}, on the value of the sale. The provisions related to minimum amount not chargeable to tax, surcharge and education cess described at clause 2 above would also apply to such short-term capital gains.
- Where the units are treated as 'stock in trade' and the profits arising from the sale of units are taxed under the head "Profits & Gains of business or profession", an amount equal to the STT paid by the unitholder can be claimed as a rebate from the tax payable on the income from such sale of units by virtue of the provisions of section 88E of the Act. No deduction would be allowed for STT while calculating capital gains.
- No deduction of tax at source shall be made from income credited or paid by a mutual fund to a Unitholder.
- As per circular no. 715 dated August 8, 1995 issued by the CBDT in case of resident Unitholders, no tax is required to be deducted at source from capital gains arising at the time of repurchase or redemption of the units.
- Under Section 195 of the Act, the Mutual Fund is required to deduct tax at source at the rate of 20% on any long-term capital gains chargeable to tax if the payee Unitholder is a non-resident. In respect to short-term capital gains, tax is required to be deducted at source at the rate of 30% if the payee Unitholder is a non-resident non-corporate and at the rate of 40% if the payee Unitholder is a foreign company. Further, the aforesaid tax to be deducted is required to be increased by a surcharge in the case of an individual, HUF or Association of Persons (AOP), where the income exceeds Rs. 1,000,000[#], a surcharge of 10%, in case of foreign companies a surcharge of 2.5% and in case of an artificial juridical person a surcharge of 10% of such tax liability is also payable. A 2% education cess on total income tax (including surcharge) is payable by all categories of taxpayers.
- In case the Unitholder is entitled to the benefit of a lower rate available under a Double Taxation Avoidance Agreement, the Unitholder will be required to provide the Mutual Fund with a certificate obtained from his Assessing Officer stating his eligibility for the lower rate.
- Mutual Fund units are exempt from wealth tax.

B. To the Mutual Fund

- Deutsche Mutual Fund is a Mutual Fund registered with SEBI and as such is eligible for benefits under Section 10(23D) of the Act. Accordingly, its entire income is exempt from tax.
- Mutual Funds are required to pay dividend distribution tax at the rate of 14.025%[#], in the case of distributions to individuals and HUFs. An increased rate of 22.44%[#], is applicable for distributions made to persons other than an individual or a HUF. No dividend distribution tax is payable in case of an open-ended equity oriented fund.

[#] As per the Budget 2005 proposals, which will become law on receiving the President's assent.

^{**} As per the Budget proposals, the STT is proposed to be increased to 0.2% w.e.f June 1, 2005.

Daily Net Asset Value (NAV) Publication

The NAV will be declared on all business days and will be published in 2 newspapers. NAV can also be viewed on www.deutschemutual.com and www.amfiindia.com. You can also telephone us at 56584801.
