

SUBJECT: Walmart Vision Center and Sam's Club Optical Center

The State of Michigan Vision Plan fact sheet and the For Your Benefit newsletter that you recently received incorrectly stated that Walmart Vision Center and Sam's Club Optical Center are network providers. We apologize for this error.

Under your new vision plan, effective October 1, 2013, Walmart Vision Center and Sam's Club Optical Center are considered **out of network**. If you visit these providers, your out-of-pocket costs will be higher.

We have enclosed a new vision fact sheet. If you have any questions, please call VSP customer service at **1-855-356-4362**. We apologize for any inconvenience this may have caused.

Sincerely,
