

USCIS fees change on April 30, 2004. Below is the fee schedule that will be effective on or after April 30th. If forms instructions indicate that you must pay a fee, use the table below to find the new fee. Where indicated, you must pay a **\$70** biometric fee for electronically capturing fingerprints in addition to the base filing fee.

This fee schedule applies to all filings received on or after the effective date. Please make sure you include the correct fee. All cases submitted with the wrong fee must be rejected.
