VI. COMPENSATION AND BILLING

6.1 The Durable Medical Equipment Vendor shall seek payment only from EGID for the provision of durable medical equipment services except as provided in paragraphs 6.3, 6.4, and 6.9. The payment from the Employees Health Insurance Plan shall be limited to the amounts referred to in paragraph 6.2.

a) EGID may reduce the payment by any deductibles, coinsurance and copayments.
b) EGID shall have the right to categorize what shall constitute a procedure. EGID and the member's financial liability shall be limited to the procedures allowable as determined by EGID, paid by applying appropriate coding methodology, whether the Durable Medical Equipment Vendor has billed appropriately or not.
c) The Durable Medical Equipment Vendor agrees not to charge more for durable medical equipment services to members than the amount normally charged (excluding Medicare) by the Durable Medical Equipment Vendor to other patients for similar services. The Durable Medical Equipment Vendor may, however, contract with other third party payors for services. The Durable Medical Equipment Vendor's usual and customary charges may be requested by EGID and verified through an audit.

6.3 The Durable Medical Equipment Vendor agrees that the only charges for which a member may be liable and be billed by the Durable Medical Equipment Vendor shall be for durable medical equipment services not covered by Employees Health Insurance Plan, or as provided in paragraphs 6.4 and 6.9. 6.7 The Durable Medical Equipment Vendor shall bill EGID on forms acceptable to EGID within 60 days of providing the durable medical equipment services. The Durable Medical Equipment Vendor shall use the current HCFA Common Procedure Coding System (HCPCS) with appropriate modifiers and ICD-9 codes, when applicable. 6.8 EGID shall reimburse the Durable Medical Equipment Vendor within 30 days of receipt of billings that are accurate, complete and otherwise in accordance with Article VI of this Contract. EGID will not be responsible for delay of reimbursement due to circumstances beyond EGID's control.

6.9 The Durable Medical Equipment Vendor shall not charge the member for medical services denied during preadmission certification, concurrent review or the prior authorization procedures described in Article VII, unless the Durable Medical Equipment Vendor has obtained a written waiver from that member. Such a waiver shall be obtained only upon the denial prior authorization and prior to the provision of those medical services. The waiver shall clearly state that the member shall be responsible for payment of medical services denied by EGID.

6.10 EGID shall have the right at all reasonable times and, to the extent permitted by law, to inspect and duplicate all medical and billing records relating to medical services rendered covered members at no cost to EGID or the member.

VII. UTILIZATION REVIEW

7.1 The Durable Medical Equipment Vendor shall adhere to and cooperate with EGID's prior authorization procedures. These procedures do not guarantee a member's eligibility or that benefits are payable, but assure the Durable Medical Equipment Vendor that the medical services to be provided are covered under the Plan. Failure to obtain prior authorization shall result in the Durable Medical Equipment Vendor's reimbursement being penalized by 10% if medical necessity is confirmed retrospectively and, if not confirmed, there shall be no reimbursement.

7.2 Upon the member's request, EGID shall reconsider any non- approved services. The Durable Medical Equipment Vendor may submit a formal written appeal to EGID

7.3 The Durable Medical Equipment Vendor shall request prior authorization from EGID or its designee for all durable medical equipment products.

7.4 Prior authorization requirements are intended to maximize insurance benefits assuring that services are provided to the member at the appropriate level of care. In no event is it intended that the prior authorization procedure interfere with the Durable Medical Equipment Vendor's decision regarding the patient's care.

7.5 EGID shall maintain review procedures and screening criteria that take into account professionally acceptable standards for quality medical care in the community. EGID or its designee shall consider all relevant information concerning the member before medical necessity is approved or denied.

VIII. LIABILITY AND INSURANCE
