Narrative Questions: Please answer the remaining questions on as many separate pages as necessary.

5. Project Participants:

Please indicate the names of the people involved in the project. Please include elders, organizers, staff/teachers, parents, children, and any others involved.

6. Language Nest Program and Activities:

Please explain the program and activities used to implement your language nest project. Provide a daily program schedule, a description of activities (games, events, etc.), and any training attained by staff. State how many hours of immersion per week were involved in your program. As well, what was the program schedule for the year? (i.e. 3 months, 10 months etc.)

7. Project Evaluation:

Please provide an evaluation of your language nest project. Include the following information:

- a. Provide a **brief** overview describing the Language Nest's current goals, and the extent to which the goal(s) were achieved this year.
- b. Identify significant project **achievements**; describe any significant unanticipated events or circumstances that created delays or obstacles to project success; and **summarize lessons learned** during the course of the project.
- c. Describe the **learning outcomes** of the project, referring specifically to increased language knowledge and fluency of program participants (children, teachers, parents, others), and changes in attitude towards language use.
- d. Did you maintain a 3:1 ratio of children to fluent speakers, and were you able to achieve 100% immersion? How are the parents involved? Please include any ideas for successful ways to stay in your language rather than English.
- d. Provide any additional information that documents project impact such as large-scale and/or long-term results that **affect the wider community**.

8. Future Plans:

What's next? Describe your plans for the next year of the project. When is your project planned to begin for the next year?

9. FPCC Support:

What can FPCC do to provide more support for your project (e.g. guidance, materials, experts, etc.)?

10. Funding Recommendations:

Please outline funding recommendations for future programs. For example, was the amount of funding too little, too much, or just the right amount? Would long-term multi-year funding for programming be a more appropriate option, what amount is a budget for language nest? Explain exactly how much is required for language planning (pre-planning) in your community.

11. Materials:

Include a list and attach copies of any products that resulted from grant activities. Include curriculum guides, workbooks, other learning resources, fluency evaluations or surveys, audiotapes, videotapes, DVDs, pictures, posters, newsletters, research findings, publications, or manuscripts. Please provide both a hard copy and a disc copy of printed materials. Please provide us with pictures and/or videos of your language nest program.
