

Codes for Unrelated Business Activity

(If engaged in more than one unrelated business activity, select up to two codes for the principal activities. List first the largest in terms of gross unrelated income, then the next largest. Be sure to classify your unrelated activities, rather than your related activities. For example, code income from advertising in publications as 541800, Advertising and related services, rather than selecting a code describing a printing or publishing activity. Also, if possible, select a code that more specifically describes your unrelated activity, rather than a code for a more general activity.)
